Section 3.02 Flag Flying Times

The Flag should not be displayed outdoors earlier than sunrise nor later than sunset. However, when a patriotic effect is desired, the City of Arlington Flag may be displayed 24 hours a day if properly illuminated during the hours of darkness, or under the same circumstances as the Flag of the United States of America or the Texas Flag may be displayed.

Section 3.03 Inclement Weather

The Flag shall not be displayed on days when the weather is inclement, unless a weather-proof flag is displayed.

Section 3.04 Special Days

It is appropriate to display the Flag on all Federal and State Memorial Days and on special occasions of historical significance.

Section 3.05 Hoisting

The Flag should always be hoisted briskly, and lowered slowly and furled with appropriate ceremonies.

Section 3.09 Wall Staffs

The City of Arlington Flag should be on the left of the Flag of the United States of America or Texas Flag, and its staff should be behind the staff of the Flag of the United States of America or Texas Flag when the two are displayed against a wall from crossed staffs.

Section 3.10 Adjacent Poles

- A. For such purposes of decoration, the colors of the Flag may be used in bunting or other cloth.

Section 3.21 Carrying

Whenever practicable, the Flag should always be carried aloft and free, as it is carried in a parade.
