Runway Lighting Rehabilitation Project Update #6

Temporary Relocation Threshold RNWY 16

On Monday, October 26, 2009, at 7:00 a.m., weather permitting, construction is scheduled to resume on the taxiway lighting project. **RNWX 16 threshold will again be temporarily relocated 1670' south of the runway end, leaving 4410' available for use.** The relocated threshold will be in place from 7:00 a.m. until dusk daily, and the full length of the runway will be available from dusk (approximately 7:00 p.m.) until 7:00 a.m.

- In the event of bad weather, construction will be cancelled.

We will keep you informed as the project progresses and will post future updates on our website: <http://www.arlingtontx.gov/news&events.html>

Your patience and continued support of improvements to the airport is appreciated.
