RE: {Project Address}

Dear Sir or Madam:

I have reviewed the MSDS sheets for the materials used in the original construction, the subsequent renovations or alterations of all parts of the building affected by the planned renovation or demolition, and any asbestos surveys of the building previously conducted in accordance with the Texas Asbestos Health Protection Act; and, in my professional opinion, all parts of the building affected by the planned renovation or demolition do not contain asbestos.

Signed and Sealed by an

Architect or Engineer licensed to practice in the State of Texas
