

JUNE 29, 2006 FROM 9:00 AM TO 3:00 PM

In coordination with City of Arlington Code Enforcement and Police, teens will paint over graffiti throughout the city with donated paint and supplies.

Youth volunteers will be covering graffiti on single family residential properties only, painting over the graffiti in a neat geometric shape with donated paint and supplies.

This project already has a waiting list of properties to be painted. However, owners of single family residential properties on which graffiti has been placed can request that their property be included by downloading and submitting the [waiver](#), or by calling the Community Services Department at 817-459-6777. **Submitting the waiver form does not guarantee inclusion in this Beautify Arlington painting project**, but as many properties as possible will be included.

Completed waiver forms can be sent to City of Arlington, Community Services, ATTN: Michael Thomas, PO Box 90231 MS 56-0200, Arlington TX 76004-3231, or delivered to the East Police Station, 2001 New York Avenue or the West Police Station, 2060 W Green Oaks Blvd.
