- * A permit is required in order to install, construct, alter, extend, repair or operate any on-site sewage facility.
- No permit for installation or repair will be issued for a facility that is within 500 ft of Sanitary Sewer Service without permission from both the Health Division and Engineering Services Department.
- The Health Division must review and approve the site plan before the work begins. A signed copy of this application will be returned to the owner to authorize the construction or repair of the system.
