

THREE PARTY CONTRACT FORMS

FOR PUBLIC DRAINAGE, PAVING, PAVEMENT MARKINGS, STREETLIGHT INSTALLATION AND/OR STREET MARKER INSTALLATION IMPROVEMENTS ONLY

GENERAL INFORMATION:

- All required forms must be fully completed with original signatures prior to submittal to the Department of Community Development and Planning. Please avoid using faxed copies.
- The contractor must be prequalified with the Department of Public Works for this type of construction. Contact the Department of Public Works for additional information concerning prequalification.
- If the installation of streetlights is proposed, a copy of an agreement with Oncor should be included with the contract submittal package.
- All blanks should be typed in or clearly printed with black ink.
- The owner and contractor shall also sign the contract form (page 5) and notarize (page 6).
- A minimum of three (3) complete sets with original signatures shall be submitted to the Department of Community Development and Planning for review and acceptance.
- Once these and all other items relative to this project have been complied with, please coordinate construction of this project with Mr. Clark George, Construction Services Manager, at 817-459-6569. Notification should be made at least 48 hours prior to beginning construction so that an inspector may be assigned to this project.
- Any questions concerning these contracts can be directed to Cynthia Duncan, Engineering Technician, at 817-459-6362.

INSTRUCTIONS FOR COMPLETING THIS FORM:

1. Prior to submitting contract documents to the Department of Community Development and Planning a copy of the proposal containing an itemized breakdown of quantities, unit prices, etc. of the public improvements shall be submitted. **Do not include private facilities.** When applicable, the proposal shall include an item for Trench Safety protection specified in linear footage and a statement that a safety program will be applied by the contractor. Requirements concerning Trench Safety should comply with House Bills 665 and 662. The proposal can be emailed, faxed or hand delivered to Cynthia Duncan.
2. Once the proposal has been approved the remaining contract documents can be submitted.
3. The project name is the name of the subdivision, including phase or section, lot and block.
4. The contract number will be filled in by the Department of Community Development and Planning.
5. Section I: Identify the type of construction such as Concrete or HMAC Paving, Deceleration Lane, Median Opening, Left Turn Lane, Storm Drainage, Concrete Lined Channel, Pavement Markings, Streetlight Installation, Street Marker Installation and the location of the project (subdivision name).

6. Section IV: Execute and submit Maintenance Bonds on all projects.
7. Section V and VI: Performance Bonds and the Payment Bonds are required for contracts in excess of \$25,000.00.
8. Power of Attorney should be submitted with the Bonds.
9. Section VII: The amount of the contract should be included in this space. Payment shall be made as designated between the owner and contractor. For example: payment upon completion of construction, payment on monthly basis, etc.
10. Section XII: Insurance requirements must be met in accordance with Section XII. Three (3) original Certificates of Insurance (Accord Form) need to be submitted with the contracts. An additional copy needs to be submitted for the Risk Manager of the City of Arlington. The Insurance Certificate shall be written with the City of Arlington as an additional insured on all policies and a waiver of subrogation on the workers compensation policy. The certificate should identify the project name and the type of construction.
11. The subdivision plat and/or easements need to be filed with Plat/Deed Records, Tarrant County, Texas prior to execution of contracts.
12. The Administration and Inspection Fee needs to be paid prior to beginning with construction. The fee is 4% of the contract amount for all public improvements.
13. Submit two (2) copies of a Traffic Control Plan and the completed Traffic Control Plan Checklist prior to the closing of any street or causing any obstruction to pedestrian or vehicular traffic. The plan should be signed and dated by the responsible entity. A copy will be forwarded to the Traffic Operations Division for review and acceptance. State on the document that the plan is in accordance with the City of Arlington Work Area Traffic Control Manual (a copy may be obtained from the Traffic Operations Division) and/or the latest edition of the Texas Manual on Uniform Traffic Control Devices.
14. Submit two (2) copies of a Trench Safety Plan for storm drainage improvements, if applicable.

If you have questions concerning the completion of these forms, please contact Cynthia Duncan at the Department of Community Development and Planning at 817-459-6362 or email cynthia.duncan@arlingtontx.gov.
