

Residential Design Standards

You are invited to a **COMMUNITY OUTREACH MEETING** to discuss and share your thoughts on the proposed residential design standards. The draft standards are available on the City's website at http://www.arlingtontx.gov/planning/Design_Standards.html

Purpose

- to ensure that new homes are attractive and of high quality;
- to enhance the value and quality of existing neighborhoods; and
- to promote a sustainable image for the City.

Applicability

The standards would be mainly applicable to new single family subdivisions and infill lots on lots less than an acre.
