

Arlington Entertainment District Traffic Update (11/19/09 to 11/26/09)

(Text in RED indicates changes since last regular weekly update on 11/12/2009)

Boundary: Collins to SH-360, Lamar to Division

- **I-30**

- Eastbound I-30 traffic can exit at Cooper Street, Center / Collins, Nolan Ryan / Legends Way, and SH-360.
- Traffic may enter eastbound I-30 at Cooper, Collins, Nolan Ryan, Convention Center, and Ballpark.
- Westbound I-30 traffic may exit at Ballpark, Bairdfarm / Legends (Southbound only), and Cooper.
- Traffic may enter westbound I-30 at Cooper and Center.
- February 2009 through Summer 2010: The I-30 westbound entrance from Ballpark Way will be permanently closed. A new entrance ramp will be constructed between Baird Farm Rd and FM 157/Collins St with an expected opening in summer 2010. Alternate entrance ramps are available from SH360/Six Flags Dr, FM 157/Collins St, and Cooper St.
- **Eastbound Frontage Road**
 - **Through fall 2009:** A section of eastbound frontage road between Center Street and FM 157/Collins Street is reduced to one lane as crews work in the area of the FM 157/Collins Street Bridge.
- **Westbound Frontage Road**
 - **Through fall 2009:** A section of westbound frontage road near the intersection with Ballpark Way is reduced to one lane to help traffic merge from a new exit ramp for Baird Farm Road and FM 157/Collins Street.
- Log onto: <http://www.keep30moving.org/index.htm> for updates.

- **SH-360**

- Log onto: <http://www.keep360moving.org/index.htm> for updates.

- **Center Street**

- **(Road to Six Flags to WB Frontage Road / Ryan Plaza)** Center Street across I-30 is opened to NB and SB traffic. NB traffic from Road to Six Flags may turn west on the frontage road to access Garfield, Lamar, or WB I-30 or traffic may turn east on Ryan Plaza to access Collins. Center Street does NOT continue north to Lincoln.

- **Collins Street (FM 157)**

- **(Lamar Blvd to Skyline Drive)** The new Collins Street bridge over I-30 will be open to traffic on Monday November 23, 2009 – **3 MONTHS AHEAD OF SCHEDULE !!!!** The bridge will have 2 NB and 2 SB lanes open to traffic. Construction activities will continue on the bridge for pedestrian facilities and cleanup.

- **Copeland Road**

- **(Center Street to Collins)** Copeland will be reduced to one lane EB from Center to Collins.

- **Nolan Ryan**

- **(Road to Six Flags to Randol Mill, Along west side of Baseball Stadium)** Nolan Ryan will remain closed to all traffic until further notification.

- **Ryan Plaza**

- **(Center to Collins)** Ryan Plaza will be reduced to one lane EB & WB from Center Street to Collins.

- **Wet-n-Wild Way (WB Frontage Road)**

- **(Ball Park to Baird Farm)** This section of the westbound frontage road is reduced to one lane to help traffic merge from a new westbound exit ramp for Baird Farm Road and FM 157/Collins Street.
- **(East of FM 157/Collins St to Westbound Frontage Road)** Wet-N-Wild Way east of FM 157/Collins Street south to the westbound frontage road is now open to two way traffic.
- **(Wet-n-Wild Way (Westbound Frontage Road) between FM 157/Collins Street and Wet-N-Wild Way NB)** Wet-n-Wild Way (the westbound frontage road) approaching the FM 157/Collins Street intersection is now open to traffic.
