

Rain Barrel Workshop — Saving from a Rainy Day!

**REGISTER AS SOON AS POSSIBLE!
ONLY 30 SPACES AVAILABLE.**

**Save Water.
Nothing Can Replace It.**

Rain barrels are a great way to conserve water by capturing the pure rain water that garden plants prefer. Register now to learn how to design and install a rainwater harvesting system at your home!

**WEDNESDAY,
NOVEMBER 4, 2009
6:00—8:00 P.M.**

Dr. Dotty Woodson, Extension Program Specialist with Texas AgriLife Extension Service, will be teaching participants how to construct a 55 gallon rain barrel and install an efficient irrigation system.

Cost: \$40.00 (Fee covers the cost of the rain barrel and materials. The rain barrel is yours to take home. Make sure to have a vehicle large enough to take barrel home.)

Where: Southwest Branch Library
3311 S.W. Green Oaks Blvd., Arlington, TX 76017

Workshop is limited to 30 participants. Register as soon as possible!

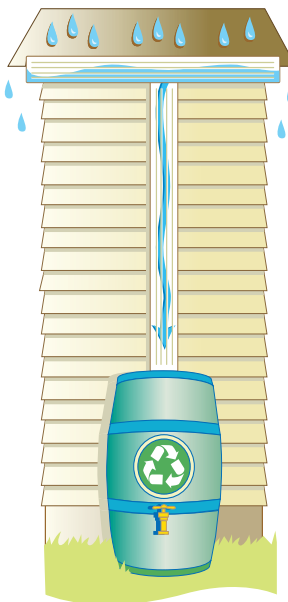

To register, **first** call 817-459-6628 to RSVP. **Second**, complete the registration form and return by Friday, Oct. 30, with check payment (payable to Arlington Water Utilities) to:

**Arlington Water Utilities
Conservation Program
P.O. Box 90231, MS 01-0130
Arlington, TX 76010**
