- (c) This Agreement is binding and enforceable against the Owner and all necessary approvals with respect to Owner's execution and performance of this Agreement have been obtained. Upon transfer of the Franchise as referenced in Section 2.2 above, the transferor Owner shall have no further obligations under this Agreement.

**ARTICLE IV  
SPECIFIC PERFORMANCE**

Section 4.1 Adoption of Act.

The City and the Owner acknowledge and agree that this Agreement is an agreement of the kind and type and substance described in Section 334.005 of the Act and that said section is applicable hereto.

Section 4.2 Acknowledgments and Findings.

The Owner acknowledges and agrees that: (i) the presence of the Team in the City and at the Existing Ballpark and Ballpark, as applicable, in accordance with the terms hereof, provides a unique value to the City that cannot be adequately valued in money; and (ii) the City will suffer irrevocable injury if the Owner breaches its obligations to play the Home Games of the Team at the Existing Ballpark and the Ballpark when and as herein required; and, accordingly, the Owner and the City agree that this Agreement is enforceable by specific performance in the courts of the State of Texas, and by other equitable remedies, including injunctive remedies. The Owner expressly waives the right to require the City to post any bonds or other security as a condition to the granting of any equitable relief by a court.

**ARTICLE V**  
**EXCLUSIVE RIGHT TO EXHIBIT PROFESSIONAL BASEBALL**

Section 5.1 Exclusive Right.

As part of the consideration for this Non-Relocation Agreement and the other Project Documents, it is agreed that so long as Owner is not in default of this Non-Relocation Agreement and so long as Tenant is not in default of the Lease then the Owner shall have the sole and exclusive right and privilege of exhibiting professional baseball in not only the Ballpark, but any other stadium owned or controlled by the City, or any Affiliate or instrumentality of the City, within the limits of the City of Arlington. In addition, the City agrees that, without the Owner's prior written consent (which consent may be withheld in the Owner's sole discretion), the City will not enter into a lease or other contractual arrangement with any other person for, or that allows, the exhibition of professional baseball during the Franchise Term. For purpose of this Agreement, "professional baseball" shall mean baseball as regularly played in the United States between member teams within a baseball association such as Major League Baseball or other similar league or leagues now or hereafter organized, and including any teams without league affiliation playing a comparable style and brand of professional baseball. During any time period in which there is an uncured default by Owner of this Non-Relocation Agreement or an uncured default by Tenant of the Lease, the City shall be permitted, but not obligated, to enter into a lease or other contractual arrangement with any other person that allows for the exhibition of professional baseball at the Ballpark or any other stadium owned or controlled by the City, or any Affiliate or instrumentality of the City, within the limits of the City of Arlington. The hereinabove stated provisions of this Section 5.1 shall constitute restrictive covenants which run with and bind the Rangers Complex, including the Ballpark, and any other stadium owned or controlled by the City or any Affiliate or instrumentality of the City within the limits of the City during the Franchise Term. The Owner is deemed the beneficiary of the aforesaid restrictive covenants.

Section 5.2 Remedies.

- (a) Notwithstanding anything to the contrary contained in this Agreement (other than Section 2.6), the Owner's sole and exclusive remedies for any violation of Section 5.1 by the City, or any Affiliate of the City, shall be as follows: (i) the Owner shall have the right to obtain an injunction prohibiting any such violation, or (ii) so long as any such violation exists, the Owner also shall have the continuing rights to either (X) abate all payments to be made under the Lease or Existing Ballpark Lease, as applicable, and any of the other Project Documents, or (Y) upon sixty (60) days' written notice to the City, during which time the City may cure such breach, to terminate this Agreement and the other Project Documents and to relocate the Team to any other location whether within or outside the limits of Tarrant County, Texas, without any accountability or liability to the City, and be deemed thereupon released from all obligations under this Agreement and the Project Documents, except those that expressly survive the expiration or termination of this Agreement or any such Project Document.
- (b) In connection with the rights granted to the Owner in this Article V, the City recognizes that the Owner has contributed and/or shall contribute significant capital costs to the construction of the Ballpark; and the City acknowledges and agrees that monetary damages could not be calculated to compensate the Owner for any violation by the City of the covenants, duties, and obligations contained in this Article V. Accordingly, the City agrees that (i) the Owner may restrain or enjoin any violation as provided above in this Article V or threatened violation of any covenant, duty, or obligation contained in this Article V without the necessity of posting a bond or other security and without any further showing of irreparable harm, balance of harms, consideration of the public interest or the inadequacy of monetary damages as a remedy, (ii) the administration of an order for injunctive relief would not be impracticable and, in the event of any violation of any covenant, duty or obligation contained in this Article V the balance of hardships would weigh in favor of entry of injunctive relief, (iii) the Owner may enforce any such covenant, duty or obligation contained in this Article V through specific performance, and (iv) the Owner may seek injunctive or other form of equitable relief from a court of competent jurisdiction in order to maintain the status quo and enforce the terms of this Article V on an interim basis pending the outcome of the controversy. The City further agrees and irrevocably stipulates that the rights of the Owner to injunctive relief pursuant to this Article V shall not constitute a "claim" pursuant to Section 101(5) of the United States Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving the City.

In the event a Dispute or Controversy arises, any party hereto shall have the right to notify the other party hereto that the notifying party has elected to implement the procedures set forth in this Section 6.6(a). Upon the receipt of notice of referral to arbitration hereunder, the receiving party shall be compelled to arbitrate the Dispute or Controversy in accordance with the terms of this Section 6.6 and Exhibit "A" hereto without regard to the justifiable character or executory nature of such Dispute or Controversy.
- (b) Each party hereto hereby agrees that any Dispute or Controversy which is not resolved pursuant to the provisions of Section 6.6(a) above shall be submitted to binding arbitration hereunder and shall be resolved exclusively and finally through such binding arbitration in accordance with the Arbitration Procedures, subject to Section 6.6(c) below. This Section 6.6(b) and Exhibit "A" hereto are and hereby constitute a written agreement by the Parties hereto to submit to arbitration any such Dispute or Controversy arising after the effective date of this Agreement within the meaning of Section 171.001 of the Texas Civil Practice and Remedies Code.
- (c) Notwithstanding any provision of this Agreement to the contrary, any party hereto may seek injunctive relief or other form of ancillary relief at any time from any court of competent jurisdiction in Tarrant County, Texas. In the event that a Dispute or Controversy requires emergency relief before the matter may be

resolved under the Arbitration Procedures, notwithstanding that any court of competent jurisdiction may enter an order providing for injunctive or other forms of ancillary relief, the Parties hereto expressly agree that the Arbitration Procedures will still govern the ultimate resolution of that portion of the Dispute or Controversy not resolved pursuant to said court order.

Section 6.7 Interpretation and Reliance.

No presumption will apply in favor of any party in the interpretation of this Agreement or in the resolution of any ambiguity of any provision thereof. All headings used in this Agreement are for convenience of reference only, are not part of this Agreement and shall not affect the construction of or be taken into consideration in interpreting this Agreement.

Section 6.8 Attorneys' Fees.

Subject to Section 6.6 hereof, should the City or Owner engage the services of attorneys or institute legal proceedings to enforce its rights or remedies under this Agreement, the prevailing party to such dispute or proceedings shall be entitled to recover its reasonable attorneys' fees and similar costs incurred in connection with the resolution of such dispute or the institution, prosecution, or defense in such proceedings, as adjudged by the applicable court, from the non-prevailing party. This provision is separate and several and shall survive the merger of this Agreement into any judgment on such instrument.

Section 6.9 Notices.

All notices and other communications required or permitted hereunder shall be in writing and shall be mailed by first-class mail, postage prepaid, or delivered by hand, messenger, or reputable overnight courier, and shall be deemed given when received at the addresses of the Parties set forth below, or at such other address furnished in writing to the other Parties hereto:

## EXHIBIT "A"

### Arbitration Procedures

Section 1: Regular Arbitration. Binding arbitration of a Dispute or Controversy shall be conducted in accordance with the following procedures ("Regular Arbitration"):

(a) The person seeking arbitration hereunder (the "Electing Party") shall request such arbitration in writing, which writing shall be delivered to the other persons to be made parties to such arbitration (the "Other Parties to Arbitration") and include a clear statement of the matter(s) in dispute. If a legal proceeding relating to the matter(s) in dispute has previously been filed in a court of competent jurisdiction (other than a proceeding for injunctive or ancillary relief), then any request to arbitrate under this paragraph shall be delivered within ninety (90) days of the date that the Electing Party receives service of process in such legal proceeding. Except to the extent provided in this Exhibit A, Regular Arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association; if there is any conflict between such Commercial Rules and the terms and provisions of this Exhibit, this Exhibit shall govern. Any arbitration hereunder shall be conducted by a single arbitrator who shall be appointed upon the mutual agreement of the Electing Party and the Other Parties to Arbitration (collectively, the "Parties to Arbitration"; individually, a "Party to Arbitration") within twenty (20) days of the date the written request for arbitration by the Electing Party was delivered to the Other Parties to Arbitration. In order to facilitate any such appointment, the Electing Party shall submit a brief description (no longer than two (2) pages) of the Dispute or Controversy to the Other Parties to Arbitration. In the event the Parties to Arbitration are unable to agree on a single arbitrator within the twenty (20) day period, then the Parties shall make a request of the American Arbitration Association to independently select, within ten (10) Business Days, an arbitrator who has the qualifications to serve as the single arbitrator to resolve the Arbitration. No Party to Arbitration shall have any ex parte communications with any nominee or any arbitrator once selected pursuant to this Section 1(a).

(b) Within thirty (30) days of the date the arbitrator is appointed, the arbitrator shall notify the Parties to Arbitration in writing of the date of the arbitration hearing, which hearing date shall be not less than one-hundred twenty (120) days from the date of the arbitrator's appointment. The arbitration hearing shall be held in Arlington, Texas. At the hearing, the testimony of witnesses and experts called by each Party to Arbitration shall be heard. Depositions may be taken and other discovery may be made in accordance with the Texas Rules of Civil Procedure, provided that (i) depositions and other discovery shall be completed within ninety (90) days of the appointment of the arbitrator, (ii) there shall be no evidence by affidavit allowed, and (iii) each Party to Arbitration shall disclose a list of all documentary evidence to be used and a list of all witnesses and experts to be called by the Electing Party in the arbitration hearing at least twenty (20) days prior to the arbitration hearing. The arbitrator shall issue a final ruling within thirty (30) days after the arbitration hearing. Any decision of the arbitrator shall state the basis of the award and shall include both findings of fact and conclusions of law. Any award rendered

pursuant to the foregoing, which may include an award or decree of specific performance hereunder, shall be final and binding on, and non-appealable by, the Parties to Arbitration and judgment thereon may be entered or enforcement thereof sought by any Party to Arbitration in a court of competent jurisdiction. The foregoing deadlines shall be tolled during the period that no arbitrator is serving until a replacement is appointed in accordance with this Exhibit A.

(c) Notwithstanding the foregoing, nothing contained herein shall be deemed to give the arbitrator appointed hereunder any authority, power or right to alter, change, amend, modify, waive, add to or delete from any of the provisions of this Agreement or any other Project Document.

Section 2: Further Qualifications of Arbitrators; Conduct. Every person nominated or recommended to serve as an arbitrator pursuant hereto shall be and remain at all times neutral and wholly impartial, and shall have substantial experience and knowledge in the substantive laws applicable to the subject matter of the Dispute or Controversy and shall have substantial experience with issues of such nature concerning large construction projects, lease matters, and public/private relationships.. All arbitrators shall, upon written request by any Party to Arbitration, provide the Parties to Arbitration with a statement that they can and shall decide any Dispute or Controversy referred to them impartially. No arbitrator shall currently be employed by or represent, or have previously been employed by or represented, a Party to Arbitration or, if not a Party to Arbitration, the Team, Major League Baseball, any member team of Major League Baseball, or any Affiliates or subsidiaries thereof, or have any material financial dependence upon any such person or Party to Arbitration, nor shall any arbitrator have any material financial interest in the Dispute or Controversy. Further, all arbitrators must meet the qualifications and adhere to the American Arbitration Association Code of Ethics for Arbitrators in Commercial Disputes.

Section 3: Applicable Law; Limitations on Authority. The agreement to arbitrate set forth in this Exhibit A shall be enforceable in either federal or state court. In deciding the substance of any such Dispute or Controversy, the arbitrator shall apply the substantive laws of the State of Texas; provided that any such decision shall not conflict with the MLB Rules and Regulations. The arbitrator may, but shall not be required to, provide for such remedies as are available at law or in equity in accordance with the Applicable Laws of the State of Texas, and in accordance with the terms and conditions of this Agreement and the MLB Rules and Regulations.

Section 4: Consolidation. If the Parties to Arbitration initiate multiple arbitration proceedings, the subject matters of which are related by common questions of law or fact and which could result in conflicting awards or obligations, then the Parties to Arbitration hereby agree that all such proceedings may be consolidated into a single arbitral proceeding as determined by the arbitrator in the earliest commenced of the multiple proceedings.

Section 5: Pendency of Dispute; Interim Measures. The existence of any Dispute or Controversy eligible for referral or referred to arbitration hereunder, or the pendency of the dispute settlement or resolution procedures set forth herein, shall not, in and of themselves,

relieve or excuse any Party to Arbitration from its ongoing duties and obligations under this Agreement or any right, duty or obligation arising herefrom; provided, however, that during the pendency of arbitration proceedings and prior to a final award, upon written request by a Party to Arbitration to the arbitrator (with contemporaneous notice thereof to the other Party to Arbitration), the arbitrator may issue interim measures for preservation or protection of the status quo.

Section 6: Complete Defense. The Parties to Arbitration agree that compliance by a Party to Arbitration with the provisions of this Exhibit A shall be a complete defense to any suit, action or proceeding instituted in any federal or state court, or before any administrative tribunal by another Party to Arbitration with respect to any Dispute or Controversy which is subject to arbitration as set forth herein, other than a suit or action alleging non-compliance with a final and binding arbitration award rendered hereunder.

Section 7: Costs of Arbitrator. The costs and expenses of the arbitrator and the additional incidental costs of arbitration shall be shared equally by all the Parties to Arbitration; provided, however, that if City fails or is unable to pay its share of any such costs or expenses and such failure is continuing beyond the expiration of any cure applicable thereto, then the Owner shall pay such share. Each Party to Arbitration is responsible for bearing the costs of its own attorneys' fees incurred in the arbitration.
