VIII. Work Plan Items

Priority Historic Resources

Ms. Stubblefield gave an update of The Bankhead Highway 100 Year Celebration stating that a meeting had been hosted by the Texas Historical Commission on January 13th at the Arlington Steakhouse to discuss plans for celebrating the history of the highway. Ms. Mills reported on the suggestions given at that meeting regarding everyday goals, infrastructure, and special events, noting that there would be an additional gathering at the Fielder House on February 20th for the groups which were formed to further discuss their ideas. The Division Street Corridor Strategy would be implemented to improve the look and condition of the highway, creating a positive experience for visitors of Arlington.

An event at the Top O' Hill on April 9, 2016, will raise funds for the celebration as well as repair of a retaining wall in the Tea Garden at Top O' Hill Terrace.

The appointment of a new Commissioner would be necessary due to the resignation of Tim Gette so applications would be accepted immediately.

The Dedication Ceremony Committee would be planning future events for the Old Mayor's House and the Vaught House which were approved by Council in 2015, as well as the McKinley-Woodward House at 400 East First Street, the Stanley McSwane House at 1225 California Lane, and the Webb Community Church at 7000 Zuefeldt Drive which would all be considered by Council on January 26, 2016.

Chair Wehr noted that Dr. Valin Woodward, past President of the Texas Society Sons of the American Revolution, Arlington Chapter #7, would be honored with a grave marker dedication on March 12, 2016, in the Arlington City Cemetery, 801 Mary Street.

Floreen Henry, with the Heart of Arlington Neighborhood Association (HANA), spoke about drawing attention to the Old Historic Trail which is Center Street from Marrow Bone Springs and beyond Johnson Station to Bird's Fort. This property is considered the last green space along the Old Historic Trail which existed before Texas was a republic and was used by various Indian confederacies. Ms. Henry asked that the Commission consider a marker for this triangular property at the intersection of South Center Street and Pioneer Parkway.
