II. Pledge of Allegiance

III. Demolition Permit Applications

1. 1908 Southeast Parkway

Ms. Stubblefield gave a presentation regarding the home built prior to 1970 on farmland that was annexed by the City long ago. The current zoning allows for townhomes and the owner plans to build two townhome units for himself and his parents. The applicant's representative, Felix Wong, was present to answer questions if needed. It was noted that the home was being used as a rental property but was not in premium condition and had no historic significance.

Commissioner Carter moved to approve the first option and release the historic stay on the property located at 1908 Southeast Parkway. Seconded by Vice-Chair Reber, the motion was approved unanimously.

VI. Public Forum

None

VII. Adjourn

Chair Rumans adjourned the meeting at 5:42 p.m.

The next regularly scheduled meeting will be May 13, 2021.
