Neighborhood Leadership Network Purpose & Goals

The Neighborhood Leadership Network (NLN) is:

- a working group for neighborhood leaders across the City of Arlington
- to build relationships with other neighborhood leaders
- to learn best practices for a variety of neighborhood issues
- to develop a partnership between neighborhoods and the City
- intended to strengthen neighborhood leaders
- a resource that will empower Arlington neighborhoods to achieve neighborhood and community goals

The Neighborhood Leadership Network (NLN) will:

- meet quarterly to discuss pertinent neighborhood issues, and to learn about City initiatives affecting neighborhoods throughout Arlington
- share ideas, issues, concerns and best practices with each other through an email listserv for neighborhood-related discussions throughout the year
- identify topics of interest and need to make improvements that better serve Arlington neighborhoods

Neighborhood Leadership Network (NLN) goals:

- Learning
- Growing
- Building
- Uniting

The Neighborhood Leadership Network is intended to be driven largely by the needs of you, the neighbors who participate.

Additional programming and information will be added as established by the Neighborhood Leadership Network members.
