

CHAMPION GREAT NEIGHBORHOODS

The Arlington City Council has determined that "Champion Great Neighborhoods" is a priority for the work of our City. Great neighborhoods contribute to a higher quality of life and greater investment in our economy. Every part of our corporation contributes to our overall success and vitality as we make Arlington a great place to live, work, learn, and play.

Multi-Family Inspection Program

Code Compliance inspects apartment complexes and extended stay properties in Arlington in an effort to maximize the safety of the occupants. Code Compliance Officers work to ensure that fire hazards, structural defects, and other violations are eliminated. Attending annual training on code familiarization and crime prevention is required by the City of Arlington for Multi-Family property owners/management per City Ordinance.
