Animal day

Animal day! The title to celebrate animals on Animal day. To celebrate Animal day you spend time with your pet, if you do not have any pets ,you can go to the zoo. The zoo also has a 50% off discount. At the pet shop and rescue place pets are FREE! Animal day is on January first every year. Animal day also hosts funerals for dead pets/animals. Animal day opens up 100 pet shops each year. Every pet gets 5 bags of food for free. On Animal day people where realistic costumes of their favorite animal. My favorite animal is a panda so I would where a panda costume. The national food is strawberry cake for animal day. Did you know that most people prefer dogs over cats!

For Animal day you may take your dog on a walk 1 to 2 times a day. You also feed your dogs, cats, or any other pets fancy food that only costs \$12.02! You may also foster any pet. Some animals dress and all animals have a mini DANCE PARTY! Dogs get a lot of peanut butter and cats get tuna fish. The cats get to sleep all they want on Animal day. Dogs get to play all they want too. You also get the day off work/school to spend time with your pet. You also get to go to the store to get toys to play with. On animal day this special place called" The Pet Place" opens up, you get to wash your dog, also your pet gets a special costume cookie of their face. The cookie has their name on it. You can also get other pet owners things that they do not use anymore like their cats old blanket or their dogs old leash or their old fish bowl, you can only donate it if it is clean. Their are also balloons with you and your pet on the balloons. THE END!
