Administrative Volunteer

In shelter activity!

Help greet and assist customers coming into the shelter, guiding them to speak with administrative staff to learn more about an animal. Assist with tours and clerical help. Answer general questions and help ensure the lobby is clean and organized.

Did you know Arlington Animal Services recycles newspapers in our cat kennels?

Lining the cattery kennels with newspapers helps to keep the cats comfortable, while helping clean and cut down on disease transmission.

You can drop off your newspapers in the black donation box located in front of the shelter's animal receiving area.

We are always in need of volunteers to sort and fold donated newspapers!

The Dream Clean Team

In shelter activity!

We kindly ask all volunteers to participate in our Clean Dream Team Activities, because Teamwork makes the dreamwork! *These activities include laundry, dishes, newspapers, cleaning windows, restocking and general shelter housekeeping tasks.*

While these tasks are not hands-on activities with the animals, by working together to ensure they are done daily, you are directly making a difference in their lives!

PET SMART Volunteers!

*Off-site activity!
Sunday shifts available!*

Arlington Animal Services has 5 cat kennels inside the PetSmart in The Highlands location which houses adoptable cats from the shelter. Volunteers are needed for the overall cleaning, socialization, and care of these adoptable cats while they wait to find their new forever homes!

PETSMART Volunteers!

Our mobile adoption unit takes adoptable dogs to the PetSmart in The Highlands location for off-site adoption events!

Volunteers are needed to assist with getting the dogs ready to go and for meet and greets with potential adopters at the events!

Experience working in a veterinary clinic is preferred, but not required. An interview with the shelter technician and/or shelter veterinarian is also required. Please contact the volunteer administrator for more information.

We need your help!

Join our Foster Program!

Fostering for Arlington Animal Services provides additional time and care that may otherwise be limited for an animal in the shelter.

Fostering opens space for another animal in need!

As a foster for AAS, you can pick and choose your foster pet when the time is right for you.

All volunteers are eligible to apply to foster dogs or cats. A separate orientation and training is needed to be eligible.
