

RFQ Number: 20-0022
South Cooper Street Corridor Study

Addendum #1: Questions Submitted Concerning RFQ
DATE ISSUED: October 29, 2019

PROCUREMENT SCHEDULE

No Changes

VENDOR QUESTIONS AND ANSWERS

Q1: Are qualification numbers 9 and 10 on page 6 meant to be numbers 12 and 13?

A1: Yes, qualification numbers 9 and 10 on page 6 should be numbers 12 and 13, respectively.

Q2: Does Electronic Copy on page 6 mean PDF on a flash drive as stated on page 1?

A2: Yes, please submit a pdf of the response on a flash drive as the electronic copy, along with one original and three copies of the response.

Q3: Understanding UTA and Parks Mall as book ends – what are the major priorities desired in the outcome of the study?

A3: The major priorities desired for the S. Cooper St. Corridor Study are recommendations to improve transportation and traffic along this important thoroughfare; connect key destinations, such as UTA and the Parks Mall; improve economic development opportunities now and in the future, taking into consideration changing economic trends; and establish this corridor as a uniting element for the surrounding community and entire City.

Q4: With regard to public engagement, would the consultant be obligated to locate venues, or would the City provide meeting room space/locations?

A4: The City will work with the consultant to locate appropriate meeting room space and locations for public engagement. At this time, we do not anticipate there being a cost to the consultant for these meetings.

Q5: With regard to Advisory Committee meetings, would these be in person or conference calls? Also, what is the intent of these meetings (educational/technical)?

A5: The Advisory Committee meetings would be in person with key stakeholders, City staff, and the consultant team. The purpose of these meetings is to share key findings from the planning process with the Committee members and gather their feedback and input on the development of the Study.
