## BLOCK PARTY PERMIT

### General Information

This application is intended for neighborhoods and other groups who wish to hold a block party-style event that requires the closure of a street. A Block Party in the City of Arlington is any outdoor event that is for the sole purpose of property owners within a specific geographic area who gather for the primary purpose of fellowship. This does not include any event that consists of food, beverage, or retail sales, vendors, fundraisers (outside of neighborhood group dues collection), or any event that is open to the public, without additional appropriate permits. If you are not sure if this is the appropriate application for your event, email [blockparty@arlingtontx.gov](mailto:blockparty@arlingtontx.gov) before completing this application.

Neighbors wishing to block off their street for a block party may do so once per year per location. The street closure is limited to eight (8) hours. The Block Party application and attachments must be submitted a minimum of seven (7) days prior to the event.

Neighborhoods hosting a block party may use the City's Block Party Trailer. This trailer contains everything you need for a block party, including tables, chairs, picnic tables, barricades and cones, lawn games, coolers, and more! The trailer will be dropped off the Friday before the party and picked up the Monday after. Reservations for the Block Party Trailer are on a first-come, first-served basis. Email [blockparty@arlingtontx.gov](mailto:blockparty@arlingtontx.gov) to tentatively hold the trailer for your desired weekend – holds are not official until complete application is received.

Consumption of alcohol is not restricted; however, all Texas state laws must be observed (i.e. no public intoxication, no serving to minors, and public sales are prohibited).

If the event will occur on a City Park property, including Founder's Plaza, the applicant will also need to request the appropriate permit from the Parks and Recreation Department. Call 817-459-5474 for more information.

Special Events and Temporary Outdoor Events are events such as races, parades, runs, or other gatherings that include partial street closures, amplified sound, or sale of merchandise, food, or beverages. These types of gatherings **are not permitted** with this application. Please call 817-459-6502 for information on the appropriate applications.
