

APPLICATION

BLOCK PARTY/RESIDENTIAL STREET CLOSURE PERMIT

General Information

This application is intended for neighborhoods and other groups who wish to hold a block party-style event or other event that requires the closure of a residential street. A Block Party in the City of Arlington is an outdoor gathering of neighbors located on or along the street or streets abutting their residences and for which a portion of the street or streets is closed for the event. This does not constitute a Special Event (under the Special Events Chapter of the City of Arlington Code of Ordinances) or any event that consists of food, beverage, or retail sales, vendors, fundraisers (outside of neighborhood group dues collection), or any event that is open to the public, without additional appropriate permits. If you are not sure if this is the appropriate application for your event, email blockparty@arlingtontx.gov before completing this application.

Neighbors wishing to block off their street for a block party may do so twice per year per location, plus on the annual National Night Out date. The street closure is limited to eight (8) hours. The Block Party application and attachments must be submitted a minimum of seven (7) days prior to the event.

Neighborhoods hosting a block party may choose to reserve the City's Block Party Trailer. This trailer contains everything you need for a block party, including tables, chairs, picnic tables, barricades and cones, lawn games, coolers, and more! The trailer will be dropped off the Friday before the party and picked up the Monday after. Reservations for the Block Party Trailer are on a first-come, first-served basis. Email blockparty@arlingtontx.gov to tentatively hold the trailer for your desired weekend – holds are not official until a complete application is received.

Consumption of alcohol is not restricted; however, all Texas state laws must be observed (i.e. no public intoxication, no serving to minors, and public sales are prohibited).

If the event will occur on a City Park property, including Founder's Plaza, the applicant will also need to request the appropriate permit from the Parks and Recreation Department. Call 817-459-5474 for more information.

The following uses and activities are NOT permitted with this application or in residential areas:

- Races, parades, runs, or other gatherings that include partial street closures.
- Sale of merchandise, food, or beverages.
- Amplified Sound (DJs, Professional Sound Systems, Live Bands, and other excessively loud equipment)
- Food trucks and concession stands that have items for sale a la carte to attendees. Food trucks or concessionaires hired as caterers for an event are allowed.
- Any entry fee requirements for neighbors

A Block Party must have the following percentage of affected homeowner approval based on the size of the street closure:

Size of Street Closure	Signatures Required (Affected Homeowners)
More than ½ mile	50% or more
Less than ½ mile	75% or more

Submit application and all required documentation to blockparty@arlingtontx.gov.
