

ARLINGTON

# URBAN DESIGN CENTER

8 YEARS | 300 PROJECTS

The Arlington Urban Design Center was established in June 2009 through a creative collaboration between the City of Arlington and the University of Texas at Arlington.

The AUDC recently celebrated 8 years of operation and the completion of its 300 project. Graduate students from the Architecture, Landscape Architecture, and City & Regional Planning Programs in CAPPA work closely with City staff on business and neighborhood development projects in Arlington.

The AUDC provides urban design solutions at no cost to the client.
