In consideration of the City entering into this Agreement and provided that the City complies with its obligations hereunder concerning the Grants provided for in Section 4 of this Agreement and such Grants are timely disbursed in accordance with the terms hereof, Developer agrees to:

- (a) Design and construct or cause to be designed and constructed the Entertainment Complex Project (exclusive of Third Party Tenant Improvements)

and cause Substantial Completion to occur. Developer intends to initially develop the Entertainment Complex Project in a manner that is generally consistent with the concept plans that are attached hereto as **Exhibit "C"**. Developer reserves the right to modify such concept plans, provided that the Entertainment Complex Project meets the definition of "Entertainment Complex Project" contained in this Agreement. Developer, if requested, shall provide the City with the opportunity to provide Developer with input on the schematic plans for the Entertainment Complex Project. Subject to delays caused by Force Majeure and the City complying with its obligations hereunder concerning the Grants, Developer shall apply for the necessary permits and approvals to commence the Work within twelve (12) months of the Execution Date. Developer and the Tenants may "fast track" the construction of the Work by obtaining permits and approvals for discrete portions of the Work, such as a permit for the grading of the Entertainment Complex Project, the construction of the foundation of the Entertainment Complex Project and a building permit for the Entertainment Complex Project (exclusive of Tenant Improvements). If Developer so elects to "fast track" the permitting of the Work, Developer shall diligently pursue the issuance of all necessary permits and approvals for the Work. Subject to delays caused by Force Majeure, issuance of necessary governmental permits and approvals, the City complying with its material obligations hereunder and the timely disbursement of the Grants in accordance with the terms hereof, Developer shall achieve Substantial Completion within twenty-four (24) months after the issuance of a final building permit (as opposed to the grading permit or foundation permit) for the Work. After the Substantial Completion, Developer shall use due diligence to cause punch list items and landscaping that constitute a part of the Work to be completed within a reasonable time.

(b) It is the intent of Developer to operate the Entertainment Complex Project in a manner similar to the operation of Comparable Districts for a period of fifteen (15) years, commencing on the date the Entertainment Complex Project initially opens for business to the public.

(c) Prior to drawing down any amount of the Grant, provide a completion guaranty to the City guaranteeing Substantial Completion from the Person or Persons that has provided the completion guaranty to the Mortgagee that has provided Developer with a construction loan to finance the development and construction of the Work in fulfillment of the obligation of Arlington Ballpark District Entertainment Block Investors, LLC to Rangers Baseball Development, LLC under the Limited Liability Company Agreement of Developer. Such completion guaranty shall be conditioned upon the City complying with its material obligations hereunder, including the timely disbursement of the Grants in accordance with the terms hereof.

(d) Provide documentation to the City that all permits and approvals necessary for commencement of the Work have been secured as well as all closings on all real estate transactions and all financial transactions necessary to fund the development of the Work pursuant to Developer's budget that was provided to its lender have occurred prior to Developer's request for disbursement of any Grants from the City under Section 4 of this Agreement.

(e) In the event that the Hotel Project is not being developed, spend, with Tenants and ABDEB, an amount equal to or greater than the amount of the Grants actually distributed to ABDEB by the City under Section 4 of this Agreement, on Qualified Project Costs. Within one hundred eighty (180) days of Substantial Completion of the Entertainment Complex Project, Developer shall provide, at Developer's expense, a statement to the City from a certified public accountant confirming or denying that all Grant disbursements provided by the City under Section 4 have been utilized by Developer, Tenants and ABDEB to pay Qualified Project Costs. When preparing such statement, the certified public accountant shall have the right: (i) to utilize reasonable accounting procedures to confirm such expenditure on Qualified Project Costs; and (ii) to rely on written statements made by Third Party Tenants of the Project Costs incurred by such Third Party Tenant. In the event that such statement establishes that the any portion of any Grant disbursement was utilized by Developer and Tenants to pay for items other than Qualified Project Costs (the "**Disallowed Amount**") then Developer shall deposit into a separate, segregated bank account of Developer an amount equal to the Disallowed Amount and shall use such funds during the Term to pay for Qualified Project Costs, the design, permitting and construction of capital improvements to the Entertainment Complex Project and the payment of tenant allowances to Third Party Tenants. As long as funds remain in such account, each year of the Term Developer shall provide, at Developer's expense, a statement to the City from a certified public accountant certifying the amount then contained in such account and the amount that has been expended over the previous year for Qualified Project Costs, the design, permitting and construction of capital improvements to the Entertainment Complex Project and the payment of tenant allowances to Third Party Tenants. If any amount remains in such account at the end of the Term, Developer shall cause such amount to be paid to the City.

(f) In the event that the Hotel Project is developed, within one hundred eighty (180) days of the Substantial Completion of the Hotel Project, Developer shall provide, at Developer's expense, a statement to the City from a certified public accountant confirming or denying that the amounts expended by Developer, Tenants and ABDEB on Qualified Project Costs related to the construction of the Hotel Project and the Entertainment Complex Project exceed all Grant disbursements provided by the City under Section 4. When preparing such statement, the certified public accountant shall have the right: (i) to utilize reasonable accounting procedures to confirm such expenditures and shall not have to account for every expenditure once such accountable expenditures exceed the amount of such Grant disbursements; and (ii) to rely on written statements made

by Third Party Tenants of the Project Costs incurred by such Third Party Tenants. For purposes of this Section 3(f), the term "Entertainment Complex Project" as used in definition of Qualified Project Costs shall mean the Entertainment Complex Project and the Hotel Project.

(g) In the event that the Hotel Project is not being developed, spend, with Tenants and ABDEB, a minimum of Ninety Million Dollars (\$90,000,000), inclusive of Grants provided by the City under Section 4 of this Agreement, on Project Costs. Within one hundred eighty (180) days of Substantial Completion of the Entertainment Complex Project Developer shall provide, at Developer's expense, a statement to the City from a certified public accountant confirming or denying the expenditure by Developer, Tenants and ABDEB of at least Ninety Million Dollars (\$90,000,000) on Projects Costs. When preparing such statement, the certified public accountant shall have the right: (i) to utilize reasonable accounting procedures to confirm such expenditure on Project Costs; and (ii) to rely on written statements made by Third Party Tenants of the Project Costs incurred by such Third Party Tenant. In the event that such statement establishes that less than One Hundred Million Dollars (\$100,000,000) has been expended on Project Costs, Developer shall reserve the shortfall amount (less the Disallowed Amount, which shall be governed by Section 3(e)) and utilize same in connection with the Entertainment Complex Project during the Term of this Agreement. As long as such reserved funds have not been expended, each year of the Term Developer shall provide, at Developer's expense, a statement to the City from a certified public accountant certifying the unexpended amount of such reserved funds and the amount of such reserved funds that has been expended over the previous year in connection with the Project. If any such reserved funds remain unexpended at the end of the Term, Developer shall cause such amount to be paid to the City.

(h) During the Construction of the Work, Developer agrees to use diligent efforts and to cause the Project Tenant to use diligent efforts, to purchase all goods and services from Arlington businesses whenever such goods and services are comparable in availability, terms, quality and price. Developer will require its contractors and the Project Tenant's contractors to provide a "Contractor's Certificate of Target Arlington Compliance," attached hereto as **Exhibit "D"**.

The City also encourages the use, if applicable, by Developer and the Project Tenant, during the Construction of the Work of qualified contractors, subcontractors and suppliers where at least fifty-one percent (51%) of the ownership of such contractor, subcontractor or supplier is vested in racial or ethnic minorities or women ("**MWBE Companies**"). Developer agrees to work with the City to develop a policy that establishes a goal of twenty-five percent (25%) use by Developer and Project Tenant of qualified MWBE Companies for the Construction of the Work, which policy shall contain reasonable exclusions.

At the election of Developer, the Hotel Project and the Entertainment Complex Project will be treated as one project for purposes of satisfying the provisions of this Section 3 (h).

(i) During the Term of this Agreement Developer shall not allow the ad valorem taxes owed to the City on the Entertainment Lot or on any improvements located within the Entertainment Lot, or on any other portion of the Entertainment Complex Project, to become delinquent beyond the date when due, as such date may be extended to allow for any protest of valuation or appeal. On or after the expiration of such fifteen (15) year period, in the event of damage to or destruction of the Entertainment Complex Project, Developer and the Project Tenant shall have the right to determine whether, and to what extent the Entertainment Complex Project should be restored or replaced. Notwithstanding the above, a Mortgagee and any Person that acquires title to the Entertainment Complex Project as a result of a foreclosure sale, deed in lieu of foreclosure or other similar transaction, and their respective successors and assigns, shall not be obligated to comply with the provisions of this Section 3(l).

(m) Whenever marketing and promotional materials of the Entertainment Complex Project for Developer or the Project Tenant contain the

location of the Entertainment Complex Project, the Entertainment Complex Project will be depicted as being geographically located in "Arlington" or "City of Arlington" rather than any other proper geographic name.

(n) The design and construction of the Work shall comply with all ordinances of the City applicable to the Entertainment Complex Project. In addition Developer and the Project Tenant, as applicable, at its expense, shall obtain all permits, licenses, and inspections by City, State or federal agencies necessary for the construction of its portion of the Work.

(o) Developer agrees to work with the City to provide space on electronic message boards located within the Entertainment Complex Project for advertisement of the City related messages and events when such boards are not in use by Developer or any Tenant (which use may include the display of messages and advertising for third parties).

(p) Developer agrees that it will implement the following Developer's Community Benefits Plan to provide meaningful community benefits and appropriate opportunities for local residents, minorities and women in all aspects of its operations; including contracting, consulting and supply of goods and services. Developer's Community Benefits Plan will focus on promoting, assisting and ensuring diverse, local participation through the following policies and practices:

(B) Developer will partner with local government and non-profit agencies to host a series of workshops to educate job prospects of the job placement process.

(C) Developer will work in partnership with local colleges, universities and trade schools to develop job placement

programs for students pursuing careers in hospitality, culinary arts and/or music.

(D) Developer will create scholarship and internship programs targeting minority and women students.

(E) Developer will cooperate with local workforce agencies that provide on-line job posting, job matching and customized recruitment services.

3. **EVENT BOOKINGS:** If requested by the University of Texas at Arlington, Developer will use good efforts to assist the City in the event booking of College Park Center at the University of Texas, at Arlington.

4. **COMMUNITY ADVISORY COMMITTEE:** Developer, in cooperation with the City, will establish a committee consisting of representatives from the City, appropriate community and civic organizations, non-profit organizations and colleges/universities, which will meet regularly, for the purposes of providing advice and assistance with respect to the successful implementation of the above Developer's Community Benefits plan.

At the election of Developer, the Hotel Project and the Entertainment Complex Project will be treated as one project for purposes of satisfying the provisions of this Section 3(p).

(q) Covenant and certify that Developer does not and will not, during the term of this Agreement, knowingly employ an undocumented worker as that term is defined by Section 2264.01(4) of the Texas Government Code. In accordance with Section 2264.052 of the Texas Government Code, if Developer is convicted of a violation under 8 U.S.C. Section 1324a(f), Developer shall repay to the City the full amount of the Grant made under Section 4 of this Agreement that is contributed to Developer by the Developer Parent, plus ten percent (10%) interest per annum from the date the Grant was made. Repayment shall be paid within one hundred twenty (120) days after the date Developer receives notice of violation from the City, which notice shall not be given by the City until after such conviction has become final and non-appealable. Notwithstanding anything to the contrary contained in this Section 3(q), Developer shall not be in breach of this Section 3(q) and shall not be obligated to make such repayment of the Grant in the event that a subsidiary or affiliate of Developer, such as a the Project Tenant, a Tenant or property manager that is an affiliate or subsidiary of Developer or a direct or indirect equity owner of Developer, or a Person with whom Developer contracts, such as a general contractor or a Third Party Tenant is convicted of a violation under 8 U.S.C. Section 1324a(f).

(r) The Developer shall comply with the provisions of the Entertainment Ground Lease.

**4. Grants by the City for the Entertainment Complex Project and the City Obligation concerning the Entertainment Complex Project**

(a) In consideration for Developer agreeing to develop the Entertainment Complex Project in accordance with the terms of this Agreement, the City shall provide ABDEB with a grant in the amount of Fifty Million Dollars (\$50,000,000) (the "**Grant**") to be contributed by ABDEB to the Developer Parent, and contributed by the Developer Parent to Developer and to be used by Developer, ABDEB and Tenants for Qualified Project Costs. On the Execution Date, the City shall cause to be deposited into the Dedicated Fund the sum of Fifty Million Dollars (\$50,000,000). The Dedicated Fund and the sums deposited therein shall only be used to pay the Grant and for no other purposes, and the City does hereby commit such Dedicated Fund and the sums deposited therein to its obligations under this Agreement to pay the installments of the Grant as set forth in this Agreement. The Grant shall be paid to ABDEB in eight (8) monthly installments of Six Million Two Hundred Fifty Thousand Dollars (\$6,250,000) each. The first installment of the Grant shall be due and payable within fifteen (15) days after the date Developer provides the City Representative with the following: (i) evidence that Developer has obtained all necessary permits to commence construction of the Work; (ii) evidence that Developer has obtained a guaranteed maximum price contract from a general contractor or construction manager for the construction of the Work (exclusive of Tenant Improvements); (iii) evidence that Developer has obtained construction financing for the development of the Entertainment Complex Project; (iv) a fully executed completion guaranty in compliance with the provisions of Section 3(c); and (v) evidence that Developer has acquired the site of the Entertainment Complex Project. Each subsequent monthly installment of the Grant shall be due and payable to ABDEB on or before the 15<sup>th</sup> of each consecutive month following the initial payment. Notwithstanding the foregoing, if the Work is suspended or abandoned for a period of at least three (3) weeks the City may cease the monthly installments to ABDEB until such time as Developer has notified the City that the Work has commenced again. In no event will the total Grant installments made from the City to ABDEB for the Entertainment Complex Project exceed Fifty Million Dollars (\$50,000,000.)

(b) The City will work with Developer to establish a procedure by which the City can expedite all City development approvals, including permits and inspections for the Entertainment Complex Project. At a minimum, the City agrees to act on an administratively complete building permit application within forty five (45) days after the application is filed with the City, and the City agrees to issue a certificate of occupancy within ten (10) days after receipt of a request for a final inspection if the Entertainment Complex Project complies with applicable requirements of the issuance of a certificate of occupancy. Delays resulting from the City's wrongful act or failure to act will extend the schedule for

Developer's performance obligation under Section 3(a) by a like amount of days. In addition, the City will provide a dedicated staff member to assist with real time plan review and inspection.

(c) The City agrees to provide space, where available, on existing City owned way-finding signs to direct visitors to the Entertainment Complex Project. In addition, the City agrees to seek placement of directional signage by the State of Texas on state highways; however all costs related to such signage are the responsibility of Developer.

(d) The City will provide police and fire protection to the Entertainment Complex Project at the City's costs (and not Developer's costs) for all Major Special Events at the Entertainment Complex Project so long as the Entertainment Complex Project is included as a venue for which the City is seeking reimbursement from the Event Trust Fund. The City will provide police and emergency service protection to the areas surrounding the Entertainment Complex Project as part of the routine patrol of the area. At Developer's request, the City's police department and Developer will meet periodically to discuss security and police protection in the areas surrounding the Entertainment Complex Project. If Developer and the City determine a police substation in the Entertainment Complex Project is desired both parties will use reasonable efforts to work together to address staffing such substation.

(e) Within ten (10) Business Days of the last to occur of Substantial Completion and (in the event the Hotel Project is developed) Substantial Completion of the Hotel Project, the City shall execute and unconditionally deliver to Developer at least two (2) counterpart originals of that certain option agreement that is in the form attached hereto as **Exhibit "E"** (the "**Option Agreement**"). The Option Agreement shall apply to all of the land that is subject to that certain Development Option Agreement, dated June 13, 2007, between the City and Ballpark Parking Partners, LLC, as same may be amended, extended or otherwise modified from time to time and which has not been acquired by Ballpark Parking Partners, LLC, its successors or their respective designees pursuant to the terms of such agreement. Developer shall promptly countersign and deliver to the City at least one (1) counterpart original of the Option Agreement.

(f) In connection with the development and construction of the Entertainment Complex Project (and any reconstruction, remodeling or renovation of same), if requested by Developer, the City shall grant Developer an easement or license, at no cost or expense, to stage construction on the public rights of ways located adjacent to the Entertainment Lot.

(g) The City agrees that in connection with the operation of the Entertainment Complex Project, Developer and its designees shall have the right, at no cost or expense, to utilize the sidewalks and plazas located adjacent to the Entertainment Complex Project that are part of the public right of way for café

seating and other purposes; notwithstanding the foregoing, any ordinances controlling the location of improvements in sidewalks or on public right of way shall still apply to assure that the public right of way is not unreasonably obstructed.

(h) The City shall cause the City's destination marketing organization to market and promote the Entertainment Complex Project whenever marketing any of the major attractions in the City. Such marketing and promotion shall be coordinated with Developer. In addition, the City agrees to seek an amendment to the Arlington Convention and Visitors Bureau, Inc. Bylaws to provide membership on the Board of Directors for a representative of the Entertainment Complex Project nominated by Developer.

(i) ACCDC shall accept title to the Entertainment Lot containing the Entertainment Complex Project pursuant to a deed prepared by Developer that is substantially in the form attached hereto as **Exhibit "I"** and will immediately lease the Entertainment Lot to Arlington Live, LLC pursuant to the Entertainment Ground Lease. Developer shall prepare the Entertainment Ground Lease and shall have the right to determine the description of the property that is the subject of that lease. The President of ACCDC Board of Directors, on behalf of ACCDC, is hereby authorized to accept title to the Entertainment Lot and to execute and deliver the Entertainment Ground Lease as well as any other documents or agreements, such as a lease recognition agreement that a Mortgagee may require. ACCDC shall comply with the provisions of the Entertainment Ground Lease.

5. **Hotel Grants.**

Pursuant to section 6(a)(6) of the Hotel Project Development Agreement, Hotel Developer has the right, at any time, and from time to time, to transfer and assign its rights to receive any or all of the Hotel Grants to a designee of Hotel Developer. Hotel Developer shall notify the City of any such transfer and assignment.

6. **Reserved.**

7. **Reserved.**

8. **Indemnification.**

DEVELOPER IN PERFORMING ITS OBLIGATIONS UNDER THIS AGREEMENT IS ACTING INDEPENDENTLY, AND THE CITY AND ACCDC ASSUMES NO RESPONSIBILITIES OR LIABILITIES TO THIRD PARTIES IN CONNECTION WITH THE ENTERTAINMENT COMPLEX PROJECT OR IMPROVEMENTS. DEVELOPER AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS ACCDC, THE CITY, THEIR OFFICERS, AGENTS, EMPLOYEES, AND VOLUNTEERS IN BOTH THEIR PUBLIC AND PRIVATE CAPACITIES, FROM AND AGAINST CLAIMS, SUITS, DEMANDS, LOSSES, DAMAGES, CAUSES OF ACTION, AND LIABILITY OF EVERY KIND, INCLUDING, BUT NOT LIMITED TO, EXPENSES OF LITIGATION OR SETTLEMENT, COURT

COSTS, AND REASONABLE ATTORNEYS' FEES WHICH MAY ARISE DUE TO ANY DEATH OR INJURY TO A PERSON OR THE LOSS OF, LOSS OF USE, OR DAMAGE TO THE ENTERTAINMENT COMPLEX PROJECT, ARISING OUT OF OR OCCURRING AS A CONSEQUENCE OF THE PERFORMANCE OF THIS AGREEMENT, EXCLUDING ANY ERRORS OR OMISSIONS, OR NEGLIGENT ACT OR OMISSION OF THE CITY OR ACCDC, OR THEIR RESPECTIVE OFFICERS, AGENTS OR EMPLOYEES. FOR PURPOSES OF THIS SECTION 8, THE TERM DEVELOPER INCLUDES ABDEB.

9. **Termination and Default.**

Developer is considered to be in default under this Agreement if Developer fails to fulfill its obligations under Section 3. The City is considered to be in default under this Agreement if the City fails to fulfill its obligations under Section 4. ACCDC is considered in default under this Agreement if ACCDC fails to fulfill its obligations under Section 4(i). If Developer, ACCDC or the City defaults (a "**Default**"), the defaulting Party shall cure such Default within forty-five (45) days after the delivery of written notice of such Default from the other Party, or if such failure cannot be cured within such forty-five (45) day period in the exercise of all due diligence, then if the defaulting Party commences an attempt to cure within such forty-five (45) day period, such longer period as the Party thereafter continues diligently to prosecute the cure of such Default.

If Developer does not cure a Default of Section 3(a) in the time period allowed by this Agreement, the City may terminate this Agreement and the City may seek repayment by Developer of Grants paid. Repayment of Grants paid shall become due sixty (60) days following receipt of such demand. In the event that this Agreement has not been terminated prior to Substantial Completion, the City and ACCDC shall no longer have the right to terminate this Agreement pursuant to this paragraph.

The failure of the Hotel Developer and its successors and assigns to fulfill their obligations under the Hotel Project Development Agreement shall not constitute a default by Developer under this Agreement.

The City's ability to seek repayment and Developer's obligation to repay shall survive the termination of this Agreement.

10. **Restriction against Dispositions.**

(a) Until the third (3<sup>rd</sup>) anniversary of Substantial Completion, Developer shall not make or create, or suffer to be made or created, any Disposition of the Entertainment Complex Project, without the prior written approval of the City Representative, which approval shall not be unreasonably withheld and which approval shall be granted or withheld within thirty (30) Business Days of the City's receipt of such request, time being of the essence. Thereafter, Developer may, without the need to request or obtain the consent of the City, make or create, or suffer to be made or created, a Disposition of the Entertainment Complex Project during the Term of this Agreement, provided that the counterparty to such Disposition (and/or a direct or indirect affiliate): (i)

owns a major league baseball or football team; (ii) is an affiliate of one of the direct or indirect owners of Developer; or (iii) has demonstrable experience in owning and/or operating entertainment complexes, food and beverage projects and/or retail/entertainment projects and has a net worth in excess of Fifty Million Dollars (\$50,000,000). In the event such counterparty (and/or a direct or indirect affiliate) does not satisfy at least one of the above, such Disposition shall require the prior written approval of the City, acting by and through the City Representative, which approval shall not be unreasonably withheld and which approval shall be granted or withheld within thirty (30) Business Days of the City's receipt of such request, time being of the essence. Notwithstanding the above, on or any time after the first day of the fifteenth (15<sup>th</sup>) anniversary of the date Substantial Completion is achieved Developer may, without the need to request or obtain the consent of the City, make or create, or suffer to be made or created, a Disposition of the Entertainment Complex Project.

(b) Assumption Agreement. In connection with a Disposition made during the Term of this Agreement, the counterparty to such Disposition shall assume all obligations of Developer under this Agreement accruing from and after the Execution Date of such Disposition by a written agreement (the "**Assumption Agreement**") to which the City is either a party or in which the City is specified to be a beneficiary, a copy of which Assumption Agreement shall be promptly provided to the City following the Disposition to evidence the assignment and assumption in question. The provisions of this Section 10(b) shall not apply to Leases or Mortgages.

(c) Permitted Dispositions to Tenants. Notwithstanding anything in this Section 10 or other Sections of this Agreement to the contrary, Developer may enter into Leases or other contractual agreements with Tenants for parts (but less than all) of Developer's interest in the Entertainment Complex Project, at any time and from time to time from and after the Execution Date, with such Tenants and upon such terms and conditions as Developer shall, in its sole discretion, deem fit and proper. Notwithstanding anything in this Section 10(c) to the contrary, a Lease or Leases may not be used as a way to circumvent the assignment limitations or other provisions of Section 10, provided, however, Developer shall have the right, from time to time, to lease all or any part of the Entertainment Complex Project to one or more Tenants, that may or may not be an affiliate of Developer, that operate one or more businesses in the Entertainment Complex Project, such as a bar, restaurant or nightclub. Such a Tenant shall have the right to sublease or license portions of its leased premises to third parties for the operation of businesses.

(d) Liability. In the event of a Disposition of all of the interest of Developer concerning the Entertainment Complex Project, upon Developer's delivery of an Assumption Agreement pursuant to Section 10(b) hereof, Developer shall be relieved of all further liability arising hereunder except for monetary obligations of Developer under this Agreement that accrued before such Disposition which remain unpaid.

(e) Obligations of Tenants. Any Tenant is not a successor or assignee of Developer's obligations to the City merely by being a Tenant.

(f) Project Financing and Mortgages. The provisions of this Section 10 are not intended to modify or supersede any of the rights granted Developer, any Mortgagee and any Tenant under Sections 11 and 12 hereof. In the event that the provisions of this Section 10 conflict with or are inconsistent with the any of the other provisions of Sections 11 and/or 12 hereof, the provisions of Sections 11 and 12 hereof shall control and the provisions of this Section 10 shall be construed and interpreted accordingly.

11. Leases. From and after the Execution Date, Developer shall have the right, without the need to request or obtain the consent of the City or ACCDC, to Lease all or any part of the Entertainment Complex Project at any time and from time to time to Tenants. The City and ACCDC acknowledges and agrees that Developer may enter into Leases with affiliated companies to Developer, such as the Project Tenant, and acknowledge that part of Developer's strength is this ability. Notwithstanding anything in this Section to the contrary, a Lease or Leases may not be used as a way to circumvent the assignment limitations of this Agreement.

12. Mortgagee Rights.

(a) Right to Mortgage. Notwithstanding any other provisions of this Agreement, Developer shall at all times have the right to encumber, pledge, grant, or convey its rights, title and interest in and to the Entertainment Lot, or any portions thereof, the Entertainment Ground Lease or the Entertainment Complex Project, or any portion or portions thereof, and/or to this Agreement by way of a mortgage, pledge, assignment or other security agreement (a "**Mortgage**") to secure the payment of any loan or loans obtained by Developer to finance or refinance any portion or portions of the Entertainment Complex Project. The beneficiary of or mortgagee under any such Mortgage is hereby referred to herein as a "**Mortgagee**". The City and ACCDC recognize and acknowledge that the Hotel Project and the Entertainment Complex Project may be separately financed by Developer (or its Affiliate) and may be encumbered by separate Mortgages. The Mortgagee of the Hotel Project and the Mortgagee of the Entertainment Complex Project shall have the benefit of the provisions of this Section 12 with regard to its Mortgage and the property and project its Mortgage encumbers.

(b) Notice of Breaches to Mortgagees. In the event the City and/or ACCDC gives notice to Developer and/or ABDEB of a breach of its obligations under this Agreement, the City and/or ACCDC shall forthwith furnish a copy of the notice to the Mortgagees that have been identified to the City and/or ACCDC by Developer. To facilitate the operation of this Section 12(b), Developer shall at all times keep the City and ACCDC provided with an up-to-date list of Mortgages.

(c) Mortgagee May Cure Breach of Developer and/or ABDEB.

(i) In the event that Developer and/or ABDEB receives notice from the City and/or ACCDC of a breach by Developer and/or ABDEB of any of its obligations under this Agreement and such breach is not cured by Developer and/or ABDEB pursuant to the provisions of this Agreement, the City and/or ACCDC shall, in addition to the notice provided in Section 9 hereof, give notice of the failure to cure on the part of Developer and/or ABDEB to the Mortgagees at the expiration of the period within which Developer and/or ABDEB may cure as set forth in this Agreement. Any one of the Mortgagees may elect to cure such default by giving the City and/or ACCDC written notice of its intention so to cure within thirty (30) days after the receipt of the additional notice herein set forth. In the event that any Mortgagee elects to proceed to cure any such default, such Mortgagee shall do so within the applicable cure period contained in this Agreement; provided, however, that the commencement of the cure period for the Mortgagee shall commence on the date the Mortgagee notifies the City and/or ACCDC of the Mortgagee's election to cure such default and each applicable cure period shall be deemed doubled in length for Mortgagee.

(ii) In the event any Mortgagee elects to exercise its rights of foreclosure under a Mortgage (or appoint a receiver or accept a deed and/or assignment-in-lieu of foreclosure), after foreclosure of Developer's and ABDEB's interest in and to the Entertainment Complex Project or any portion thereof (or after the appointment of a receiver or the obtaining of Developer's and/or ABDEB's interest in and to the Entertainment Complex Project or any portion thereof, via deed and/or assignment-in-lieu of foreclosure), such Mortgagee may at its option:

(A) elect to assume the position of Developer hereunder in which case, in the event the City and/or ACCDC has terminated this Agreement or suspended the distribution of any funds, including the Grants that the City are obligated to provide to ABDEB and/or Developer pursuant to this Agreement, the City and ACCDC agrees that this Agreement shall be deemed reinstated and the City shall commence the distribution of such funds, including the Grants, in accordance with the provisions of this Agreement and, in which case, such Mortgagee shall cure any default by ABDEB and/or Developer hereunder that the Mortgagee had received notice of in accordance with the provisions of Section 12(b) hereof within the timeframes contained in this Agreement and shall cause Substantial Completion to occur; or

(B) elect not to assume the provisions of this Agreement.

The Mortgagee shall have the right so to elect (A) above of this Section 12(c)(ii) only if it shall exercise such right within six (6) months

after the receipt of the additional notice herein set forth. For purposes of this Section 12(c), the term "Mortgagee" shall include not only the "Mortgagee", as that term is defined in this Section 12 hereof, but shall also include any Person that obtains Developer's and/or ABDEB's interest in and to all or any portion of Entertainment Complex Project and/or the Entertainment Lot or Entertainment Ground Lease as a result of a Mortgagee's exercise of its foreclosure rights or the transfer of Developer's and/or ABDEB's interest in and to all or any part of the Entertainment Complex Project, Entertainment Lot or Entertainment Ground Lease at the direction of the Mortgagee by Developer and/or ABDEB to a Person by deed and/or assignment-in-lieu of foreclosure.

(d) Rights and Duties of Mortgagee. In no event shall any Mortgagee be obliged to perform or observe any of the covenants, terms or conditions of this Agreement on the part of Developer and/or ABDEB to be performed or observed, or be in any way obligated to complete the improvements to be constructed in accordance with this Agreement, nor shall it guarantee the completion of improvements as hereinbefore required of Developer, whether as a result of (i) its having become a Mortgagee, (ii) the exercise of any of its rights under the instrument or instruments whereby it became a Mortgagee (including without limitation, foreclosure or the exercise of any rights in lieu of foreclosure), (iii) the performance of any of the covenants, terms or conditions on the part of Developer and/or ABDEB to be performed or observed under this Agreement, or (iii) otherwise, unless such Mortgagee shall either make the election set forth in Section 12(c)(ii)(A) of this Agreement or shall specifically elect under this Section 12(d) to assume the obligations of Developer and/or ABDEB by written notice to the City and ACCDC whereupon such Mortgagee, upon making such election as aforesaid, shall then and thereafter for all purposes of this Agreement be deemed to have assumed all of the obligations of Developer and/or ABDEB, as applicable, hereunder.

(e) Mortgagee's Rights Agreements. ACCDC and the City, acting by and through the City Representative, shall, at the request of Developer made from time to time and at any time, enter into a lender's rights agreement with any Mortgagee (or potential Mortgagee) identified by Developer, which lender's rights agreement shall be consistent with the terms and provisions contained in this Section 12 that apply to Mortgagees and Mortgages. Within twenty (20) days of Developer's request for a lender's rights agreement pursuant to the provisions of this Section 12(e), time being of the essence, ACCDC and City, acting through the City Representative, shall execute and deliver to Developer such a lender's rights agreement benefiting the identified Mortgagee (or potential Mortgagee) and such Mortgagee's Mortgage (or potential Mortgagee's potential Mortgage), which executed lender's rights agreement shall be in a form and substance that are reasonably acceptable to such Mortgagee (or potential Mortgagee) and that is consistent with, and at the option of such Mortgagee (or potential Mortgagee) incorporates, the terms and provisions of this Section 12 that apply to Mortgagees and Mortgages.

13. **General Provisions.**

(a) **Representations and Warranties.** Developer and ABDEB each represents and warrants to the City and ACCDC that it has the requisite authority to enter into this Agreement. Developer and ABDEB each represents and warrants to the City and ACCDC that it will not violate any federal, state or local laws in operating the Entertainment Complex Project, that all proposed improvements of the Entertainment Complex Project (exclusive of Third Party Tenant Improvements) shall conform to the applicable building codes, zoning ordinances and all other ordinances and regulations. Nothing in this Section 13(a) or any other part of this Agreement, however, shall be construed to (i) limit or prevent Developer from challenging at law or in equity the applicability of any applicable law and/or pursuing its rights in furtherance thereof through appropriate judicial proceedings or (ii) constitute a waiver of due process. Notwithstanding anything to the contrary contained in this Agreement, no provision of this Agreement shall be construed to require Developer, the Project Tenant and/or ABDEB to comply with any applicable law during the period that Developer, the Project Tenant and/or ABDEB may be pursuing a bona fide challenge of the applicability, lawfulness, and/or enforceability of such applicable law (unless such law requires compliance during any such challenge). If Developer's, the Project Tenant's and/or ABDEB's challenge is successful, Developer, the Project Tenant and ABDEB shall not be required by the provisions of this Agreement to comply with such applicable law.

(b) **Section or Other Headings.** Section or other headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

(c) **Attorneys' Fees.** In the event any legal action or process is commenced to enforce or interpret provisions of this Agreement, the prevailing party in any such legal action shall be entitled to recover its necessary and reasonable attorneys' fees and expenses incurred by reason of such action, in accordance with Section 271.153 of Texas Local Government Code.

Notwithstanding the above, Developer shall have the right to terminate this Agreement in the event that it determines that the obligation of the City to timely pay ABDEB or Developer the Grants in accordance with the terms of this Agreement has been declared invalid or unenforceable. In the event any provision of this Agreement is illegal, invalid or unenforceable under present or future laws, each Party reserves the right to pursue any and all remedies available to them at law or equity (including arbitration proceedings). In the event that any of the provisions of this Agreement concerning the Grants are challenged by any other Person as "illegal, invalid, or unenforceable under present or future laws", the parties shall reasonably cooperate with each other to defend the validity and enforceability of such provisions. The provisions of this Section 13(j) shall survive the termination of this Agreement.

(k) **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be considered an original, but all of which shall constitute one instrument.

(l) **Dispute Resolution.** In the event any dispute, controversy or claim between or among the parties hereto arises under this Agreement (a "**Dispute or Controversy**"), including a claim that a Party is in default of this Agreement, the parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement. In the event a Dispute or Controversy arises, any Party shall have the right to notify the other Party hereto that the notifying Party has elected to implement the procedures set forth in this Section 13(l). Within fifteen (15) days after delivery of any such notice by one Party to the other Party regarding a Dispute or Controversy, a representative of each of the parties shall meet at a mutually agreed time and place to attempt, with diligence and good faith, to resolve and settle such Dispute or Controversy. Should a mutual resolution and settlement not be obtained within fifteen (15) days after the meeting of the parties representatives for such purpose, or such longer period as the parties may agree upon, then either Party may by notice to the other Party (the "**Arbitration Notice**") submit the Dispute or Controversy to arbitration in accordance with the provisions of this Section 13(l) and **Exhibit "H"** attached hereto (the "**Arbitration Procedures**"). The Arbitration Notice must comply with the Arbitration Procedures. Upon receipt of the Arbitration Notice, all parties shall be compelled to arbitrate the Dispute or Controversy in accordance with the terms of this Section 13(l) and **Exhibit "H"** without regard to the justifiable character or executor nature of such Dispute or Controversy. Each Party hereto agrees that any Dispute or Controversy which is not resolved

pursuant to this Section shall be submitted to binding arbitration hereunder and shall be resolved exclusively and finally through such binding arbitration in accordance with the Arbitration Procedures (the "**Arbitration**"). This Section 13(l) and **Exhibit "H"** hereto are and hereby constitute a written agreement by the parties hereto to submit to arbitration any such Dispute or Controversy arising after the Execution Date of this Agreement within the meaning of Section 171.001 of the Texas Civil Practice and Remedies Code. Notwithstanding any provision of this Agreement to the contrary, any Party may seek injunctive relief or other form of ancillary relief at any time from any court of competent jurisdiction in Tarrant County, Texas. In the event that a Dispute or Controversy requires emergency relief before the matter may be resolved under the Arbitration Procedures, notwithstanding that any court of competent jurisdiction may enter an order providing for injunctive or other form of ancillary relief, the parties hereto expressly agree that the Arbitration Procedures will still govern the ultimate resolution of that portion of the Dispute or Controversy not resolved pursuant to said court order.

(m) **Force Majeure.** If either Party (for purposes of this provision, Developer and ABDEB shall be collectively deemed a "Party") shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, lock-outs, inability to procure materials, failure of power, governmental moratorium or other governmental action or inaction (including, failure, refusal or delay in issuing permits, approvals or authorizations), injunction or court order, terrorist attacks, riots, insurrection, war, fire, earthquake, flood or other natural disaster, a default hereunder by the other Party or other reason of a like nature not the fault of the Party delaying in performing work or doing acts required under the terms of this Agreement (but excluding delays due to financial inability), then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay.

(n) **Independent Parties.** Nothing herein shall be construed as creating a partnership or joint enterprise between the City, ACCDC and Developer. Furthermore, the Parties acknowledge and agree that the doctrine of respondeat superior shall not apply between the City, ACCDC and Developer, nor between the City, ACCDC and any officer, director, member, agent, employee, contractor, subcontractor, licensee, or invitee of Developer.

(o) **No Rights Conferred on Others.** Nothing in this Agreement shall confer any right upon any Person other than the City, ACCDC and Developer and no other Person is considered a third party beneficiary to this Agreement.

(p) **Approval Not Guaranteed.** Nothing contained in this Agreement shall be construed as obligating the City to approve any application required for development of the Entertainment Lot that is not in conformity with the City's

adopted development regulations, except as expressly otherwise contemplated herein.

(q) **Entire Agreement.** This Agreement contains the entire agreement between the Parties with respect to the transaction contemplated herein and amends, restates and replaces the Prior Development Agreement in its entirety. The Prior Development Agreement has no further force or effect.

(r) **Waiver.** No term or condition of this Agreement shall be deemed to have been waived, nor will there be any estoppel to enforce any provision of this Agreement, except by written instrument of the Party charged with such waiver or estoppel.

(s) **Approval by City of Arlington, Texas.** The Prior Development Agreement was approved by the City Council of the City of Arlington, Texas at its meeting on December 15, 2015. Pursuant to Section 13(z) of the Prior Development Agreement, the City Representative is authorized to execute this Agreement on behalf of the City and ACCDC.

(t) **City Representative.** From and after the date hereof, the City shall designate a representative (a "City Representative") who shall be authorized to give all directions, consents, approvals, waivers or other acknowledgements under this Agreement on the part of the City and to receive any and all submissions from Developer under this Agreement. Developer shall be entitled to rely on, and Developer and the City agree to be bound by, any direction, consent, approval, waiver or other acknowledgement given by the City Representative, unless prior to the time such direction, consent, approval, waiver or other acknowledgement is given, the City Manager (or his designee) gives written notice to Developer that the City Representative has been changed. For the purpose of this Agreement, Developer shall not be required to rely on and may refuse to accept directions, consents, approvals, waivers or other acknowledgements from any other Person, even if such Person has apparent or actual authority for the City. The City Manager, and only the City Manager, shall be entitled to change the City Representative at any time upon five (5) days written notice to Developer, provided that the City Manager shall appoint a replacement City Representative upon such removal of the prior City Representative or promptly in the event of death or disability of such City Representative. The initial City Representative shall be the City Manager.

(u) **Representatives Not Individually Liable.** No member, official, representative, or employee of the City or ACCDC shall be personally liable to Developer or ABDEB or any successor in interest of either of them in the event of any default or breach by the City or ACCDC for any amount which may become due to Developer, ABDEB or successor of either of them or on any obligations under the terms of the Agreement. No partner, member, representative, or employee of Developer, ABDEB or any of their respective members shall be personally liable to the City or ACCDC in the event any default or breach by

Developer and/or ABDEB for any amount which may become due to the City or ACCDC or on any obligations under the terms of this Agreement.

(v) **Confidentiality.** The City acknowledges and agrees that any information provided by Developer or ABDEB to the City concerning the cost of developing the Entertainment Complex Project, the terms of any financing of the Entertainment Complex Project, the identity of any potential Tenant, the terms of any lease of a Tenant, the actual sales of any Tenant and the cash flow, profit and loss of the Entertainment Complex Project is considered by Developer to be "confidential financial information" and may contain "trade secrets" and "confidential information".

The City shall notify Developer within five (5) Business Days after receiving any Public Information Act request that seeks disclosure of information provided by or concerning Developer, and the parties shall reasonably cooperate to determine whether or to what extent the requested information may be released without objection and without seeking a written opinion of the Texas Attorney General. If Developer takes the positions that responsive information provided by or concerning Developer is information not subject to release to the public pursuant to section 552.110 of Texas Government Code, or other applicable law, then the City shall seek a written opinion from the Texas Attorney General; however, Developer must submit written comments to the Attorney General to establish reasons why the information should be withheld. The burden of establishing the applicability of exceptions to disclosure for such information resides with Developer. Should the Texas Attorney General issue an opinion that the requested information, or any part thereof, should be released, the City may release said information without penalty or liability. This Section shall survive termination of this Agreement for any reason whatsoever.

(w) **City Representations and Warranties.** The City represents and warrants to Developer and ABDEB that the City (i) is a constitutionally chartered city validly existing under the laws of the State of Texas; (ii) has lawful power and authority to enter into, execute and deliver this Agreement and to carry out its obligations hereunder; (iii) by all necessary action has been duly authorized to execute and deliver this Agreement, acting by and through its duly authorized officers.

(x) **Estoppel Certificates.** The City and Developer, at any time and from time to time, upon not less than thirty (30) days prior written notice from a Party hereto, or to a Person designated by such Party, such as a Tenant or a Mortgagee, shall execute, acknowledge, and deliver to the Party requesting such statement, a statement in reasonably acceptable form to the requested Party certifying, among other matters, (i) that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (ii) stating whether or not, to the best knowledge of the signer of such certificate, the City or Developer is in breach and/or default in performance of any covenant, agreement, or condition

contained in this Agreement and, if so, specifying each such breach and/or default of which the signer may have knowledge, and (iii) any other factual matters reasonably requested in such estoppel certificate concerning this Agreement, it being intended that any such statement delivered hereunder may be relied upon by the Party requesting such statement and/or any Person not a Party to this Agreement (if such other Person is identified at the time such certificate was requested). The City Representative is hereby authorized to execute, acknowledge, and deliver such certificates on behalf of the City. For purpose of this Section 13(x) the term "Developer" shall be deemed to include ABDEB.

(y) **Waiver of Immunity.** The City hereby waives its governmental immunity from suit and immunity from liability as to any arbitration proceeding and/or legal action brought by Developer or ABDEB resulting from an uncured default by the City. To effectuate such waiver, the Parties hereby agree, for purposes of this Agreement only, that this Agreement is a contract subject to Subchapter I, Chapter 271, Texas Local Government Code, as amended.

## ARTICLE I

## ARTICLE II

### THE OPTION

#### Section 2.1. Grant of Option.

(a) As contemplated by the Economic Development Incentive Agreement, and in furtherance of the TIRZ Project and Financing Plan, an Option is hereby granted to ABDEB under and subject to the terms, conditions and provisions of this Article II.

(b) Under the Option, ABDEB, for the period of **ninety (90) days**, commencing on the day following the last home game played by the Texas Rangers Major League Baseball Club (or its Affiliates) in a Ballpark in the TIRZ, shall have the right to acquire ownership of all or portions of the Premises for the purpose of constructing public and private improvements thereon, and the City agrees to convey and transfer fee simple title to all or a portion of the Premises to ABDEB upon satisfaction of the conditions and subject to the requirements set forth in Section 2.2 and, if applicable, Section 2.3.

#### Section 2.2. Transfer of Land Pursuant to the Option.

(a) So long as the Option is in effect, the City agrees, from time to time, to transfer title to all or a portion of the Premises to ABDEB for the payment of one dollar (\$1.00) and upon its receipt of a request for title thereto (each, a "Title Request"), but only if each of the following conditions is satisfied (or expressly waived in writing by the City):

(i) Each Title Request must contain the following items:

(A) A general conceptual layout showing the locations of proposed structures on, and a general description of any public infrastructure expected to serve, the parcel to be transferred (the "Transfer Parcel").

(B) A general description of the intended uses of the Transfer Parcel.

(C) A metes and bounds description and drawing of the parcel to be transferred, if not a legally platted lot.

(D) At ABDEB's option, a title commitment issued by a title company selected by ABDEB, and a survey showing the then-current status of the title to the Transfer Parcel.

(ii) ABDEB is not in default, beyond last day for cure, of the Economic Development Incentive Agreement.

(iii) The tenant under the Ballpark Lease has not theretofore exercised its option to acquire the Transfer Parcel nor has Ballpark Parking Partners, LLC exercised its option to acquire the Transfer Parcel under the Development Option Agreement. It is specifically acknowledged that the right of ABDEB hereunder is subordinate to the existing right of Ballpark Parking Partners, LLC (as such rights may be transferred or assigned to any Affiliate) under the Development Option Agreement, and Ballpark Parking Partners, LLC, and its Affiliates, retain the right, in their sole discretion, to amend, extend or otherwise modify the terms of the Development Option Agreement with the City without the prior consent or approval of ABDEB.

(b) The City shall not have the right to disapprove any Title Request that contains the information and certification required by subsection (a) of this Section, and, if the Title Request satisfies such requirements, the City shall convey title to the land described in the Title Request, and the City and ABDEB shall mutually arrange for a satisfactory closing of the transfer of such property occurring within 10 days after the City's receipt of the Title Request therefor. It is intended that the items described in Subsections 2.2(a)(i)(A) and (B) above will be provided for informational purposes only. If the Transfer Parcel is not a legally platted lot, the closing shall occur within 10 days after a conveyance plat or, at ABDEB's option, a final plat in conformance with the City's subdivision regulations, for such parcel has been approved by the City. The City shall not unreasonably withhold, condition or delay approval of the application for such plat.

(c) Nothing in this Section shall in any way limit the City in its governmental capacity to enforce the then applicable zoning ordinance to the maximum and full extent permitted by applicable law with respect to the development or use of a Transfer Parcel.

(d) Each such transfer of property shall be by special warranty deed to the Transfer Parcel in substantially the form and substance attached hereto as Exhibit 1, and such transfer shall be subject to any encumbrances created by prior owners of such land and appearing of record.

(e) Upon receipt of reasonable requests by ABDEB, the City shall reasonably cooperate with ABDEB to cure any defects or irregularities in title to a Transfer Parcel before the transfer, but the City, under no circumstances warrants that such defects will be cured. The parties agree to extend the 10-day period for transfer as may be reasonably

necessary to attempt to cure such defects. The City agrees to provide such traditional certifications, documents and other instruments as may be reasonably requested by the title company issuing title insurance in connection with such transfer based upon receipt from a seller of land by delivery of a special warranty deed, and without other warranty of any nature or kind.

(f) ABDEB shall pay on demand all reasonable out-of-pocket expenses incurred by itself, by the City, and by the City in connection with the transfer(s) of title to Transfer Parcels in accordance with this Article, including but not limited to, reasonable legal expenses, and title insurance premiums and survey costs.

Section 2.3. Termination of Agreement.

(a) If the Economic Development Incentive Agreement is terminated by the City as a result of breach thereof by ABDEB then this Agreement shall terminate on the same date.

Section 2.4. Reservation of Mineral Rights.

Conveyances of Transfer Parcels pursuant to Section 2.2 shall reserve to the City, and shall save and except from the conveyances, 100% of any and all interests in oil, gas, water and other minerals in, under, produced from or constituting part of the Transfer Parcels so acquired (whether such minerals are considered part of the surface estate or mineral estate).

Section 2.5 Assignments of Option.

This Agreement may not be assigned by ABDEB unless such assignment is to an Affiliate of ABDEB.

### ARTICLE III

**7.1 Obligation to Reconstruct.** In the event of damage or destruction to the Improvements during the fifteen (15) year period that commences on the date the Entertainment Complex Project initially opens for business to the public, Lessee shall cause the full repair or restoration of the Improvements (exclusive of Third Party Tenant Improvements (as that term is defined in the Economic Development Incentive Agreement), as the same existed at the time of such damage or destruction (as the same may be modified by Lessee at the time of such repair or restoration, provided that such modification is of equal or greater value), whether done by application of insurance proceeds or other financial means. On or after the expiration of such fifteen (15) year period, in the event the Improvements are damaged by fire or other casualty, Lessee shall have the right to determine whether, and to what extent the Improvements should be restored or replaced. Notwithstanding the above, a Mortgagee and any person or entity that acquires title to the Improvements as a result of a foreclosure sale, deed in lieu of foreclosure or other similar transaction, and their respective successors and assigns, shall not be obligated to comply with the provisions of this Section 7.

**8. Condemnation.**

**8.1 General.** If, at any time during the Term, the Leased Premises, the Improvements or any part thereof shall be condemned and taken by the United States of America, the State or any other authority or Person having the power of eminent domain, then the provisions of this Section 8 shall apply to such condemnation proceedings and the distribution of any awards pertaining thereto.

**8.2 Entire Leased Premises Taken by Eminent Domain/Partial Taking Resulting in Termination.** If the fee simple title in, or permanent possession of, all of the Leased Premises is taken by a governmental or other authority under the power of eminent domain, then this Lease shall terminate as of the taking date, and any Rent shall be prorated and paid by Lessee to the date of such taking. In the event that less than all of the Leased Premises is taken by a governmental or the authority under the power of eminent domain and if reconstruction of the Entertainment Complex Project is not feasible, or if the Entertainment Complex Project remaining after such taking is no longer economically viable, in each case as determined by Lessee in its sole and absolute discretion within one year after the date of the taking, then this Lease, at the election of Lessee, shall terminate as to the Leased Premises not so taken as of the date of such taking. The condemnation award shall be promptly paid as follows, in the following order of priorities:

(a) There shall be paid all expenses, if any, including reasonable attorney's fees, incurred by Lessor and Lessee in such condemnation suit or conveyance (except that nothing contained in this Section shall require payment to Lessor of costs and expenses it may incur in the event that Lessor is the condemning authority); and

(b) The balance, if any, remaining shall be applied and distributed to the payment of any indebtedness secured by the Fee Mortgage or any Leasehold Mortgages, to the extent that the Fee Mortgage or any Leasehold Mortgages require such payments; and

(c) The balance, if any, shall be applied and distributed to pay each Subtenant any amount of which such Subtenant is entitled for its leasehold improvements, and the value of such Subtenant's leasehold interest, but only to the extent required in such Subtenant's lease; and

(d) The balance, if any, shall be applied and distributed to Lessee up to the amount of the value of the Improvements, as reasonably determined by Lessee; and

(e) The balance, if any, shall be divided and paid fifty percent (50%) to Lessee and fifty percent (50%) to Lessor, provided, however, if the condemning authority is Lessor, the entire balance shall be paid to Lessee.

**8.3 Partial Taking of Leased Premises by Condemnation.** In the event that less than all of the Leased Premises (or only an interest therein) is taken for any public use or purpose by the exercise of the power of eminent domain, or shall be conveyed by the Parties acting jointly to avoid proceedings of such taking, then, subject to the exceptions expressly set forth in Section 8.2 above: (i) this Lease and all the covenants, conditions, and provisions hereunder shall be and remain in full force and effect as to all of the Leased Premises not so taken or conveyed, and (ii) Lessee shall remodel, repair, and restore the Improvements to such condition as Lessee determines in its sole and absolute discretion to be appropriate, taking into consideration the fact of the condemnation.

The condemnation award shall be promptly paid as follows, in the following order of priorities:

(a) There shall be paid all expenses, if any, including reasonable attorneys' fees, incurred by each Party in such condemnation suit or conveyance (except that nothing contained in this Section shall require payment of Lessor of costs and expenses it may incur in the event that Lessor is the condemning authority); and

(b) The balance, if any, remaining shall be applied and distributed to the payment of any indebtedness secured by the Fee Mortgage or any Leasehold Mortgages, to the extent that the Fee Mortgage or any Leasehold Mortgages require such payments; and

(c) The balance, if any, remaining shall be applied and distributed to pay each Subtenant whose space is taken any amount to which such Subtenant is entitled for its leasehold improvements and the value of such Subtenant's leasehold interest, but only to the extent required in such Subtenant's lease; and

(d) There shall be paid to Lessee out of the balance, if any, remaining, the amount required to enable Lessee to remodel, repair, and restore any Improvements to

such condition as Lessee determines in its sole and absolute discretion to be appropriate, taking into consideration the fact of the condemnation; and

(e) The balance, if any, shall be applied and distributed to Lessee up to the amount of the value of the Improvements taken, as reasonably determined by Lessee; and

(f) The balance, if any, shall be divided and paid over fifty percent (50%) to Lessee and fifty percent (50%) to Lessor, provided, however, if the condemning authority is Lessor, the entire balance shall be paid to Lessee.

**8.4 Temporary Taking.** Notwithstanding the terms of Sections 8.2 and 8.3, if the whole or any part of the Leased Premises or the Improvements or of Lessee's interest in this Lease shall be taken in condemnation proceedings or by any right of eminent domain for a temporary use or occupancy, the Term shall not be reduced or affected in any way and Lessee shall continue to pay in full the Rent without reduction or abatement in the manner and at the times herein specified. Except only to the extent that Lessee is prevented from so doing pursuant to the terms of any order of the condemning authority, Lessee shall continue to perform and observe all of the other covenants, agreements, terms and provisions of this Lease as though such taking had not occurred.

**8.5 Condemnation Proceedings.** Lessee, Lessor, Fee Mortgagee and Leasehold Mortgagee shall each have the right, as its own expense, to appear in any condemnation proceeding and to participate in any and all hearings, trials and appeals therein.

**8.6 Notice of Condemnation.** In the event Lessor or Lessee shall receive notification of any proposed or pending condemnation proceeding affecting the Leased Premises or the Improvements, the Party receiving such notification shall promptly notify, by Notice, the other Party. Notwithstanding anything to the contrary contained in this Lease in the event that this Lease is terminated as a result of all or part of the Leased Premises being condemned, Lessee shall either restore and rebuild the Improvements, or secure and raze the Leased Premises to ground level, at Lessor's election.

## **9. Assignments**

### **9.1 Disposition Prior to Third Anniversary of Substantial Completion of the Entertainment Complex Project.**

Lessee represents and agrees for itself and any successor in interest that except for Dispositions to Affiliates of Lessee (which does not require the consent of Lessor), Lessee will not, prior to the third (3rd) anniversary of the Substantial Completion (as defined in the Economic Development Incentive Agreement) of the Entertainment Complex Project, make or create, or suffer to be made or created, any Disposition, without the prior written approval of Lessor, acting by and through the City Representative (as defined in the Economic Development Incentive Agreement), which approval shall not be unreasonably withheld. In the event that, pursuant to the provisions of Section 9.1 of this Lease, the approval of Lessor is required for a Disposition and a request for Lessor approval of a Disposition is made, Lessor, acting by and through the City Representative, shall, by notice to Lessee, approve or deny such request for approval within thirty (30) Business Days of Lessor's receipt of such request, time being of the

essence. In the event of a Disposition to an Affiliate of Lessee, promptly after such Disposition, Lessee shall provide Lessor with notice thereof and the transferee thereof shall deliver to Lessor a written instrument, benefiting Lessor and executed by the transferee, assuming Lessee's obligations under this Lease.

## **9.2 Disposition On or After Third Anniversary of Substantial Completion.**

On or any time after the third (3rd) anniversary of the Substantial Completion of the Entertainment Complex Project, Lessee may, without the need to request or obtain the consent of Lessor, make or create, or suffer to be made or created, any Disposition, provided that the counterparty to such Disposition (and/or a direct or indirect affiliate) is an Alternative Developer. In the event such counterparty (and/or a direct or indirect affiliate) does not satisfy any of the above, such Disposition shall require the prior written approval of Lessor, acting by and through the City Representative, which approval shall not be unreasonably withheld and which approval shall be granted or withheld within thirty (30) Business Days of Lessor's receipt of such request, time being of the essence. Notwithstanding the above, on or any time after the fifteenth (15th) anniversary of the date Substantial Completion of the Entertainment Complex Project is achieved Lessee may, without the need to request or obtain the consent of Lessor, make or create, or suffer to be made or created, a Disposition. On or after the completion of any Disposition pursuant to this Section 9.2, the transferee shall deliver to Lessor a written instrument, benefiting Lessor and executed by Lessee and the transferee, whereby Lessee's rights and obligations under this Lease are assigned to and assumed by such transferee.

**9.3 Permitted Disposition to Subtenants.** Notwithstanding anything in Sections 9.1, 9.2 or other sections of this Lease to the contrary, Lessee may enter into Subleases or other contractual agreements with Subtenants for all or any part of the Entertainment Complex Project, at any time and from time to time from and after the Commencement Date and during the Term, with such Subtenants and upon such terms and conditions as Lessee shall, in its sole discretion, deem fit and proper consistent with the other provisions of this Lease.

**9.4 Liability.** In the event of a Disposition of all of the interest of Lessee concerning the Entertainment Complex Project pursuant to and in compliance with the provisions of Section 9.1 or 9.2 hereof, Lessee shall be relieved of all further liability arising hereunder with respect to the Entertainment Complex Project except for defaults of Lessee under this Lease that arose before such Disposition which remain uncured.

**9.5 Obligations of Subtenants of Lessor.** Subtenants or other permitted occupants are not successors or assignees of Lessee's obligations to Lessor merely by being a Subtenant or an occupant of the Entertainment Complex Project.

## **10. Subleases.**

**10.1 Right to enter into Subleases.** Throughout the Term, Lessee shall have the right, without the need to request or obtain the consent of Lessor, to sublet or sublease portions of the Entertainment Complex Project at any time and from time to time. Each Sublease shall be subject and subordinate to this Lease.

## **10.2 Non-disturbance and Attornment.**

(a) Lessor covenants and agrees with Lessee for the benefit of each and every Subtenant from time to time occupying any part of the Entertainment Complex Project or having rights granted to it by Lessee with regard to the Entertainment Complex Project, which Subtenants shall be third party beneficiaries of this Section 10.2 as it may apply to each of them respectively, that in the event of a termination of this Lease, each such Subtenant may continue to occupy its premises under its pre-existing Sublease and enjoy the rights granted to such Subtenant in such Sublease; provided such Subtenant shall then attorn to Lessor (to the extent that such Subtenant occupies any part of the Entertainment Complex Project) and, if such Subtenant's Sublease does not provide for such attornment (and such Subtenant occupies any part of the Entertainment Complex Project), such Subtenant, promptly after the termination of this Lease, provides Lessor with a written statement of such Subtenant whereby such Subtenant attorns to Lessor.

(b) In addition to the provisions of Section 10.2 (a) hereof, Lessor covenants and agrees with Lessee that Lessor will, at the request of Lessee made from time to time enter into a non-disturbance and attornment agreement with any Subtenant identified by Lessee, which non-disturbance and attornment agreement shall provide for all terms set forth in Section 10.2 (a) hereof and be in commercially reasonable form. Lessor shall execute and deliver to Lessee such a non-disturbance and attornment agreement or specify in writing its objections thereto within ten (10) Business Days after receipt of the form thereof from Lessee, time being of the essence.

## **11. Leasehold Mortgage Financing.**

### **11.1 Rights to Leasehold Mortgage.**

(a) Notwithstanding any other provision of this Lease, Lessee shall at all times have the right to enter into or grant one or more Leasehold Mortgages. Lessee may encumber, pledge, grant, or convey its rights, title and interest under this Lease by way of a Leasehold Mortgage (or assignment) to secure payment of any loan or loans obtained by Lessee. Such Leasehold Mortgage may also encumber Lessee's right to purchase the Leased Premises.

(b) Lessee, and any Subtenant (to the extent permitted by Lessee), may grant security interests in or place liens upon any equipment or personal property (so long as such equipment or property is not a fixture integrated into the real property, which equipment or property could not be removed without permanent damage to the Leased Premises), without such interest or liens constituting a Disposition. Such equipment and personal property shall not be deemed to be "Improvements" under this Lease. During the Term, at the request of Lessee, Lessor will, within thirty (30) days of such a request, execute and deliver a landlord's waivers of liens (including customary terms such as restoration of the premises) to facilitate such security interests and liens upon such equipment and personal property, which landlord's waivers of liens shall be in a form and substance reasonably satisfactory to Lessee.

(c) Each Subtenant (to the extent permitted by Lessee), shall have the right at any time to encumber its sub-leasehold estate by a mortgage or other encumbrance or lien

without the necessity of obtaining the consent of Lessor (so long as the deed of trust, mortgage or other primary security instrument creating such Subtenant's mortgage refers to this Section 11 by reference). At the request of Lessee (given by notice), Lessor shall treat a mortgagee of a Subtenant's sub-leasehold estate in the same manner that it treats a Leasehold Mortgagee as to notice rights and shall enter into a non-disturbance agreement with such Subtenant's mortgagee, which agreement shall be in a form and substance that is reasonably acceptable to such Subtenant's mortgagee.

#### **11.2 Rights of Leasehold Mortgagee.**

(a) **Lessee's Acceptance.** Lessor agrees to accept performance and compliance by any Leasehold Mortgagee of and with any term, covenant, agreement, provision, or limitation on Lessee's part to be kept, observed, or performed by Lessee hereunder.

(b) **Cure of Default.** Following an Event of Default by Lessee, Lessor will take no action to terminate this Lease and/or the Term of this Lease, nor to re-enter and take possession of the Leased Premises (which Lessor, pursuant to the provisions of Section 12 does not have the right or power to seek), unless it shall first give Leasehold Mortgagee notice after the occurrence of any such Event of Default and stating the intention of Lessor, on a date specified in such notice, to re-enter and take possession of the Leased Premises. Notwithstanding such notice, this Lease and the Term shall not be terminated nor shall Lessor re-enter and take possession of the Leased Premises, if:

(i) such Event of Default can be cured by the payment of a fixed monetary amount and Leasehold Mortgagee shall make such payment within ninety (90) days after the date such notice was given; or

(ii) such Event of Default can be cured with the exercise of reasonable diligence by Leasehold Mortgagee after obtaining possession of the Leased Premises, and Leasehold Mortgagee or Leasehold Mortgagee's designee, within one hundred eighty (180) days after the date of such notice, obtains the interest of Lessee in this Lease or Leasehold Mortgagee commences such proceedings (including, but not limited to, the filing of a petition for the appointment of a receiver) as it may deem necessary to obtain such possession (except that if Leasehold Mortgagee is precluded, notwithstanding the filing of a petition to the bankruptcy court for a waiver, from instituting or proceeding with such foreclosure by reason of a bankruptcy or insolvency proceeding filed by or against Lessee, said one hundred eighty (180) day period shall be extended by a period of time equal to the period during which leasehold Mortgagee is so precluded from instituting or proceeding with such foreclosure) and thereafter diligently prosecutes such action and promptly upon obtaining such possession (or promptly upon its designee obtaining such possession) thereupon promptly commences (or its designee commence); and thereafter diligently pursues, the curing of such Event of Default; or

(iii) such Event of Default is not capable of being cured by Leasehold Mortgagee, even if possession of the Leased Premises were obtained by Leasehold Mortgagee or its designee, and Leasehold Mortgagee, within one hundred eighty (180) days after the date such notice is given, either obtains title to all of Lessee's right, title and interest in and to this Lease (or Leasehold Mortgagee's designee obtains such interest) or publishes any required notice of foreclosure or institutes foreclosure proceedings, as the case maybe be, and thereafter proceeds with diligence to acquire (or have its designee acquire) the interest of Lessee in the Lease (except that if Leasehold Mortgagee is precluded from instituting or proceeding with such foreclosure by reason of a bankruptcy or insolvency proceeding filed by or against Lessee, said one hundred eighty (180) day period shall be extended by a period of time equal to the period during which Leasehold Mortgagee is so precluded from instituting or proceeding with such foreclosure), and such Event of Default, to the extent that the same shall have occurred prior to such acquisition of the interest of Lessee in this Lease by Leasehold Mortgagee or its designee, shall thereupon be deemed to have been waived.

**(c) Lease Termination; New Lease:**

(i) Lessor does not have the right to terminate this Lease in the event of an Event of Default by Lessee. However, if, for some reason, this Lease is terminated by Lessor prior to its stated expiration date, Lessor shall give Leasehold Mortgagee notice of such termination and shall enter into a new lease for the Leased Premises that is encumbered by such Leasehold Mortgagee's Leasehold Mortgage or, at the request of Leasehold Mortgagee, with an assignee, designee, or nominee of Leasehold Mortgagee for the remainder of the Term of this Lease effective as of the date of such termination, at the rate and upon the same covenants, terms, provisions and limitations as are herein contained, provided that:

(A) Leasehold Mortgagee makes written request upon Lessor for such new lease within one hundred eighty (180) days after the giving of such notice of termination and such written request is accompanied by payment to Lessor of all amounts then due to Lessor in connection with the Leased Premises that is encumbered by such Leasehold Mortgagee's Leasehold Mortgage of which Lessor shall have given Leasehold Mortgagee notice; and

(B) Leasehold Mortgagee pays or causes to be paid to Lessor at the time of the execution and delivery of such new lease any and all additional sums which would at the time of the execution and delivery thereof due under this Lease but for such termination and pays or causes to be paid any and all expenses, including reasonable attorneys' fees, court costs, and disbursements, incurred by Lessor concerning the Leased Premises in connection with any such termination or in connection with

the execution and delivery of such new lease and any conveyance of title to the Leased Premises; and

(C) Leasehold Mortgagee agrees to cure, within sixty (60) days after the execution and delivery of such new lease, all uncured Events of Default of which Lessor shall have given Leasehold Mortgagee notice (except any Event of Default which is not capable of being cured by Leasehold Mortgagee, even if possession of the Leased Premises, to the extent that same shall have occurred prior to the execution and delivery of such new lease, shall be deemed to have been waived), or if any such Event of Default cannot be cured within such period, Leasehold Mortgagee agrees to commence, within such period, to cure such Event of Default and thereafter pursues the same with due diligence.

(ii) Any new lease made pursuant to this subsection 11.2 (c) shall (i) have the same relative priority in time and in right as this Lease, and (ii) have the benefit of all of the right, title, powers and privileges of Lessee hereunder in and to the Leased Premises. At Lessee's request, Lessor will enter into an agreement with Leasehold Mortgagee granting to Leasehold Mortgagee the rights set forth in this Section 11.2.

(d) **Notice to Lessor and Leasehold Mortgagee.** If Lessee shall furnish Lessor with a written notice setting forth the name and address of a Leasehold Mortgagee, Lessor shall thereafter send to such Leasehold Mortgagee a copy of any notice given to Lessee under this Lease, and no such notice shall be deemed to have been properly given unless and until a copy thereof shall have been sent to Leasehold Mortgagee at the address specified in such notice.

(e) **Performance by Leasehold Mortgagee.** No Leasehold Mortgagee shall have any liability for the performance of any of the covenants, conditions or obligations of Lessee under this Lease unless and until such time as Leasehold Mortgagee acquires title to the leasehold estate created by this Lease.

**11.3 Non-subordination.** Nothing contained in this Section 11, or in any other Section of this Lease shall be deemed to allow a subordination of Lessor's reversionary estate in any part or portion of the Leased Premises leased to Lessee. In no event will such subordination be made. Lessee and each Subtenant may mortgage only its leased or sub-leasehold interest in the Leased Premises. Further, nothing contained in this Section 11, or in any other Section of this Lease shall be deemed to allow a subordination of Fee Mortgagee's interests in the Leased Premises pursuant to the Fee Mortgage.

**11.4 Leasehold Mortgagee's Rights Agreements.** Lessor covenants and agrees with Lessee that Lessor will, at the request of Lessee made from time to time and at any time, enter into a lender's rights agreement with any Leasehold Mortgagee (or potential Leasehold Mortgagee) identified by Lessee, which lenders' rights agreement shall be consistent with the terms and provisions contained in this Section 11 that apply to Leasehold Mortgagees and Leasehold Mortgages. Within twenty (20) Business Days of Lessee's request for a Leasehold

Mortgagee's rights agreement pursuant to the provisions of this Section 11.4, Lessor shall execute and deliver to Lessee such a lender's rights agreement benefiting the identified Leasehold Mortgagee (or potential Leasehold Mortgagee) and such Leasehold Mortgagee's Leasehold Mortgage (or potential Leasehold Mortgagee's potential Leasehold Mortgage), which executed Leasehold Mortgagee's rights agreement shall be commercially reasonable and in a form and substance that are reasonably acceptable to such Leasehold Mortgagee (or potential Leasehold Mortgagee) and that is consistent with, and at the option of such Leasehold Mortgagee (or potential Leasehold Mortgagee) incorporates, the terms and provisions of this Section 11 that apply to Leasehold Mortgagees and Leasehold Mortgages (such as the Leasehold Mortgagee notice provisions and the Leasehold Mortgagee cure rights provisions of this Section 11).

## **12. Defaults/Arbitration.**

**12.1 Events of Default by Lessee.** Each of the following shall constitute an Event of Default by Lessee:

(a) The filing by Lessee of a voluntary proceeding or the consent by Lessee to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights.

(b) The entering of an order for relief against Lessee or the appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Lessee in any involuntary proceeding, and the continuation of such order, judgment or decree unstayed for any period of ninety (90) consecutive days.

(c) The failure of Lessee to perform or to observe any material covenant, obligation or requirement of Lessee arising under this Lease not specifically named as an Event of Default in this Section 12.1, and the continuation of such failure for thirty (30) days after receipt of written notice from Lessor specifying the nature and extent of such failure, or if such failure cannot reasonably be cured within such thirty (30) day period, the failure of Lessee to commence to cure such failure within such thirty (30) day period and to diligently pursue same to completion.

**12.2 Events of Default by Lessor.** Each of the following shall constitute an Event of Default by Lessor:

(a) The filing by Lessor of a voluntary proceeding or the consent by Lessor to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights.

(b) The entering of an order for relief against Lessor or appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Lessor in any involuntary proceeding, and the continuation of such order, judgment or decree unstayed for any period of ninety (90) consecutive days.

(c) The failure of Lessor to perform or to observe any material nonmonetary covenant, obligation or requirement of this Lease not specifically named as an Event of Default by Lessor in this Section 12.2, and the continuation of such failure for thirty (30)

days after receipt of written notice from Lessee specifying the nature and extent of any such default, or if such default cannot reasonably be cured within such thirty (30) day period, the failure or Lessor to commence to cure such default within such thirty (30) day period and to diligently continue to pursue such effort to cure to completion.

(d) The failure of Lessor to execute and deliver any document, agreement or instrument (such as a non-disturbance, attornment and subordination agreement with a Subtenant, any estoppel certificate, any permit application, any subdivision plan, any agreement with any Leasehold Mortgagee or Subtenant, any deed, lease or lease amendment) requested by Lessee and required to be given by Lessor in accordance with the provisions of this Lease and the continuation of such failure for twenty (20) days after written notice from Lessee specifying the nature and extent of such failure.

**12.3 Remedies.** Should an Event of Default by Lessee occur hereunder, Lessor may, by written notice to Lessee, initiate the procedures contained in Section 12.6. Should an Event of Default by Lessor occur hereunder, Lessee may, by written notice to Lessor, initiate the procedures contained in Section 12.6. This Lease may not be terminated by Lessee or Lessor as a result of the occurrence of an Event of Default by the other Party hereunder. Lessor shall not have the right to terminate this Lease and/or the Term of this Lease, nor to re-enter and take possession of the Leased Premises as a result of an Event of Default by Lessee. All remedies under this Lease shall be cumulative and not restrictive of other remedies (but not the right of termination), including without limitation, specific performance. The initiation of any remedy by Lessor or Lessee shall not constitute or be deemed an election of remedies by it and such Party may invoke two or more remedies hereunder concurrently or consecutively. No Party may seek or obtain an award of consequential or punitive damages against the other Party.

**12.4 Waiver.** Failure of Lessor or Lessee to exercise any right or remedy hereunder shall not impair any of its rights nor be deemed a waiver thereof and no waiver of any of its rights shall be deemed to apply to any other such rights, nor shall it be effective unless in writing and signed by the waiving Party.

**12.5 Attorney's Fees.** If either Lessor or Lessee brings suit or other legal proceedings or arbitration proceeding to enforce the provisions of this Lease against the other, then each Party in such suit or proceeding shall bear its own attorneys' fees and litigation and/or arbitration costs and expenses incurred by it in connection with such suit or proceeding.

**12.6 Arbitration.** In the event any dispute, controversy or claim between or among the Parties hereto arises under this Lease (a "**Dispute or Controversy**"), including a claim that an Event of Default has occurred, the Parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement. In the event a Dispute or Controversy arises, any Party hereto shall have the right to notify the other Party hereto that the notifying Party has elected to implement the procedures set forth in this Section 12.6. Within fifteen (15) days after delivery of any such notice by one Party to the other Party regarding a Dispute or Controversy, a representative of each of the Parties shall meet at a mutually agreed time and place to attempt, with diligence and good faith, to resolve and settle such Dispute or Controversy. Should a mutual resolution and settlement not be obtained within fifteen (15) days after the meeting of the Parties representatives for such purpose, or such longer period as the Parties may agree upon,

then either Party may by notice to the other Party (the "**Arbitration Notice**") submit the Dispute or Controversy to arbitration in accordance with the provisions of this Section 12.6 and **Exhibit "B"** attached hereto (the "**Arbitration Procedures**"). The Arbitration Notice must comply with the Arbitration Procedures. Upon receipt of the Arbitration Notice, all Parties shall be compelled to arbitrate the Dispute or Controversy in accordance with the terms of this Section 12.6 and **Exhibit "B"** without regard to the justiciable character or nature of such Dispute or Controversy. Each Party hereto agrees that any Dispute or Controversy which is not resolved pursuant to this Section shall be submitted to binding arbitration hereunder and shall be resolved exclusively and finally through such binding arbitration in accordance with the Arbitration Procedures (the "**Arbitration**"). This Section 12.6 and **Exhibit "B"** hereto are and hereby constitute a written agreement by the Parties hereto to submit to arbitration any such Dispute or Controversy arising after the Commencement Date within the meaning of Section 171.001 of the Texas Civil Practice and Remedies Code. Notwithstanding any provision of this Lease to the contrary, any Party hereto may seek injunctive relief or other form of ancillary relief at any time from any court of competent jurisdiction in Tarrant County, Texas. In the event that a Dispute or Controversy requires emergency relief before the matter may be resolved under the Arbitration Procedures, notwithstanding that any court of competent jurisdiction may enter an order providing for injunctive or other form of ancillary relief, the Parties hereto expressly agree that the Arbitration Procedures will still govern the ultimate resolution of that portion of the Dispute or Controversy not resolved pursuant to said court order.

However, if the policy is canceled for nonpayment of premium, only ten (10) days advance written notice to Lessor is required. Lessee shall also notify Lessor within twenty-four (24) hours after receipt of any notices of expiration, cancellation, nonrenewal or any material change in coverage it receives from its insurer(s).

#### **14.3 Miscellaneous Insurance Provisions.**

(a) For purposes of this Section 14, the term "Lessor" shall include all authorities, boards, bureaus, commissions, divisions, departments and offices of Lessor and the individual members, employees and agents thereof in their official capacities, and/or while acting on behalf of Lessor.

(b) The policy phrase "Other Insurance" shall not apply to Lessor where Lessor is an additional insured on the policy.

(c) All provisions of this Lease concerning liability, duty and standards of care together with the indemnification provision shall be underwritten by contractual liability coverage sufficient to include such obligations within applicable policies.

(d) All insurance prescribed by this Section 14 shall (i) be procured from financially sound and reputable insurers licensed to do business in the State of Texas and have an A.M. Best rating of not less than A VII or, if not rated with A.M. Best, the equivalent of A.M. (c) Approval, disapproval or failure to act by Lessor regarding any insurance supplied by Lessee (or any subcontractors) shall not relieve Lessee of full responsibility or liability for damages and accidents as set forth in the lease documents. Neither shall the insolvency or denial of liability by the insurance company exonerate Lessee from liability.

## **15. Miscellaneous Provisions.**

**15.1 Force Majeure.** For the purpose of any of the provisions of this Lease, neither Lessor, nor Lessee, as the case may be, nor any successor in interest, shall be considered in breach of or default in any of its obligations, in the event of forced delay in the performance of such obligations due to Force Majeure. For purposes of this Lease, Force Majeure shall mean acts of God (including storms, floods or other casualty), war, invasion, insurrection, taking by eminent domain laws, the lack of labor or supplies due to an act of God, strike or labor disputes or delays beyond the control of the affected Party, or order of government authorities. In the event of the occurrence of any such forced delays, the time or times for the performance of the covenants, provisions, and agreements of this Lease shall be extended for the period of the forced delay (including any time reasonably required to recommence performance due to such forced delay). The affected Party shall use reasonable efforts to remedy with all reasonable

dispatch the cause or causes preventing it from carrying out its agreements and provided further, that the settlement of strikes, lockouts, and other industrial disturbances shall be entirely within the discretion of the affected Party, and the affected Party shall not be required to make settlement of strikes, lockouts, and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the affected Party, unfavorable to the affected Party. Notwithstanding the above (a) Lessee may not rely on its own acts or omissions as grounds for delay in its performance and (b) the absence of immediately available funds shall not be grounds for delay.

**15.2 Estoppel Certificates.** Lessor and Lessee, at any time and from time to time, upon not less than twenty (20) Business Days prior written notice from a Party hereto to the other Party hereto, or to a person designated by such Party, such as a tenant or a mortgagee or lender of Lessee, shall execute, acknowledge, and deliver to the Party requesting such statement, a statement in reasonably acceptable form to the requesting Party certifying, among other matters, (a) that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) stating whether or not, to the best of knowledge of the signer of such certificate, Lessor and Lessee are in breach and/or default in performance of any covenant, agreement, or condition contained in this Lease and, if so, other factual matters reasonably requested in such estoppel certificate concerning this Lease, the Leased Premises, the Improvements and/or the Economic Development Incentive Agreement, it being intended that any such statement delivered hereunder may be relied upon by the Party requesting such statement and/or any person not a party to this Lease (if such other person is identified at the time such certificate was requested).

**15.3 Lessor's Rights of Access.** Lessee agrees that Lessor and Lessor's duly authorized agents shall have the right at all reasonable times during normal business hours and following reasonable prior notice to enter upon the Leased Premises and to examine and inspect the same, provided, however, (i) Lessor and Lessor's duly authorized agents shall not have the right to enter or inspect portions of the Leased Premises deemed off limits by Lessee, unless accompanied by a representative of Lessee, and (ii) Lessor and Lessor's duly authorized agents shall use good faith efforts to minimize any interference in Lessee's use of the Leased Premises during any entry upon or inspection of the Leased Premises.

**Arbitration Procedures**

B.1 In the event a Party, pursuant to the provisions of Section 12.6, has elected to provide the other Party with an Arbitration Notice, such Arbitration Notice shall include such Party's determinations of the applicable issues of the Dispute and Controversy subject to such Arbitration. In the event that the Arbitration Notice has been sent in accordance with the provisions hereof and the Lease, the Parties shall mutually agree, within fifteen (15) Business Days of the deemed delivery date of the Arbitration Notice to the appointment of a single arbitrator (the "Arbitrator") to handle the Arbitration. If the Parties are unable to mutually agree upon the Arbitrator within the fifteen (15) Business Days described above, any Party may request the American Arbitration Association to independently select, within thirty (30) Business Days after such Arbitration Notice, an Arbitrator who has the qualifications to serve as the single Arbitrator to resolve this Arbitration. The Arbitration must take place in Tarrant County and be conducted by an Arbitrator that has no conflict of interest.

B.2 Within fifteen (15) Business Days after the appointment of the Arbitrator, each Party shall supply the Arbitrator with such documents, materials or other evidence or written arguments as it or the Arbitrator desires, including such Party's proposed determinations of the applicable issues subject to such Arbitration. Each Party shall thereafter have an additional period of ten (10) Business Days to supply any rebuttal or other information it desires. The Arbitrator, in his/her sole discretion, may also request in writing, specific information and/or a hearing and shall alone otherwise determine the conduct of the Arbitration. Any information delivered or communicated during Arbitration by a Party shall be simultaneously delivered or communicated to (i) the other Party and (ii) the Arbitrator. The Arbitration shall be confidential, and the Parties shall maintain the confidential nature of the arbitration proceeding, arbitration hearing and award, except to the extent disclosure is required to regulators, to insurers, pursuant to an enforcement proceeding, or as otherwise required by applicable law.

B.3 The Arbitrator shall determine all matters necessary to resolve the dispute, including matters beyond the expertise of the Arbitrator. The Arbitrator shall be permitted to employ other professional advisors or experts as the Arbitrator deems reasonably necessary, at the expense of the Parties.

B.4 All costs and expenses of the Arbitrator or of any professional advisors or experts engaged by the Arbitrator in connection with an Arbitration shall be borne equally by the Parties, subject to reimbursement as set forth herein. Within forty-five (45) Business Days after the selection of an Arbitrator, the Arbitrator shall select one of the proposed determinations submitted by one of the Parties (and the Arbitrator shall not have the power to add to, modify, or change any of proposed determinations of the Parties). For purposes of this provision, the Party whose position is adopted by the Arbitrator will be deemed the prevailing Party. While each Party shall advance ½ of the costs and expenses of the Arbitrator or of any professional advisors or experts engaged by the Arbitrator in connection with the Arbitration, the prevailing Party will be reimbursed by the non-prevailing party the ½ of the costs and expenses referenced herein within 30 days of the Arbitrator's final decision. All other costs and expenses incurred by the Parties shall be borne by the Party incurring same.

B.5 The Parties agree to act in good faith with respect to any communication with the Arbitrator and the Arbitration process.

B.6 Time shall be of the essence with respect to these Arbitration Procedures, and the Parties shall take all reasonable actions necessary to cause any necessary Arbitration hearing to occur promptly, and the Arbitrator shall be directed to arbitrate the dispute and issue its decision as soon as reasonably practicable, but in no event later than forty-five (45) Business Days after the appointment of the Arbitrator.

B.7 The Arbitration shall not relieve any Party from any of its respective obligations under this Lease during the term of any such Arbitration (other than in respect of the subject matter of the dispute that is being arbitrated).

B.8 In the event of a dispute between one or more of the Parties concerning this Lease and the Economic Development Incentive Agreement, and one or more of the Parties have elected to resolve such dispute pursuant to the Arbitration Procedures contained herein or in the Economic Development Incentive Agreement, there shall only be one Arbitration proceeding concerning such dispute (and not separate proceedings under this Lease and the Economic Development Incentive Agreement or under any of the other leases executed pursuant to the terms of the Economic Development Incentive Agreement). If more than one Arbitration proceeding has been initiated, such proceedings shall be consolidated.

In consideration of the City entering into this Agreement providing for the payment of funds constituting Hotel Grants to Developer under the terms and conditions set forth in Section 6 herein, Developer agrees to:

(a) Design and construct or cause to be designed and constructed the Hotel Project (exclusive of Third Party Tenant Improvements) and cause Substantial Completion of the Hotel Project to occur, Developer intends to initially develop the Hotel Project in a manner that is generally consistent with the concept plans that are attached hereto as **Exhibit "C"**. Developer reserves the right to modify such concept plans, provided that the Hotel Project meets the definition of "Hotel Project" contained in this Agreement. Developer, if requested, shall provide the City with the opportunity to provide Developer with input on the schematic plans for the Hotel Project. Subject to delays caused by Force Majeure and the City complying with its obligations hereunder concerning the Hotel Grants, Developer shall apply for the necessary permits and approvals to commence construction of the Hotel Project within eighteen (18) months of the date that Developer has elected to proceed with the development of the Hotel Project. Developer may "fast track" the construction of the Hotel Project by obtaining permits and approvals for discrete portions of the Hotel Project, such as a permit for the grading of the Hotel Project, the construction of the foundation of the Hotel Project and a building permit for the Hotel Project (exclusive of Tenant Improvements). If Developer so elects to "fast track" the permitting of the Hotel Project, Developer shall diligently pursue the issuance of all necessary permits and approvals for the construction of the Hotel Project. Subject to delays caused by Force Majeure, issuance of necessary governmental permits and approvals, the City complying with its material obligations hereunder and the timely disbursement of the Hotel Grants in accordance with the terms hereof, Developer shall achieve Substantial Completion of the Hotel Project within thirty-six (36) months after the issuance of a final building permit (as opposed to the grading permit or foundation permit) for the construction of the Hotel Project. Subject to the provisions of this Agreement, the date by which Developer must cause Substantial Completion of the Hotel Project to occur, may, at the request of Developer, be extended in writing by the City Representative, in the reasonable discretion of the City Representative, upon good and sufficient cause therefor being shown by Developer, for such period of time as Developer reasonably requests. After the Substantial Completion of the Hotel Project, Developer shall use due diligence to cause punch list items and landscaping that constitute a part of the construction of the Hotel Project to be completed within a reasonable time.

(b) During the Term of this Agreement Developer shall not allow the ad valorem taxes owed to the City on the Hotel Unit or CCA Unit, or on any improvements located within the Hotel Unit, or on any other portion of the Hotel Project, to become delinquent beyond the date when due, as such date may be extended to allow for any protest of valuation or appeal. Nor shall Developer fail

to render for taxation any personal property owned by Developer and located at the Hotel Project.

(c) During the Term of this Agreement Developer agrees to participate with the City on all bids for Major Special Events, including providing all or portions of the Hotel Project to a Major Special Event host at the then current market rate for such facilities.

(d) In the event of damage to or destruction of the Hotel Project during the Term, Developer shall cause the full repair or restoration of the Hotel Project as same existed at the time of such damage or destruction (as same may be modified by Developer at the time of such repair or restoration, provided that such modification is of equal or greater value), whether done by application of insurance proceeds or other financial means. On or after the expiration of the Term, in the event of damage to or destruction of the Hotel Project, Developer shall have the right to determine whether, and to what extent the Hotel Project should be restored or replaced. Developer shall provide updated and supplemental documentation as necessary to allow the City to claim refunds of State Sales Tax and State HOT for all periods during the Term for which Developer is entitled to receive State Refund Grants.

(h) During the Construction of the Work, Developer agrees to use diligent efforts to purchase all goods and services from Arlington businesses whenever such goods and services are comparable in availability, terms, quality and price. Developer will require its contractors to provide a "Contractor's Certificate of Target Arlington Compliance," attached hereto as **Exhibit "D"**.

At the election of Developer, the Hotel Project and the Entertainment Complex Project will be treated as one project for purposes of satisfying the provisions of this Section 5 (h).

In accordance with Section 2264.052 of the Texas Government Code, if Developer is convicted of a violation under 8 U.S.C. Section 1324a(f), Developer shall repay to the City the full amount of the Hotel Grant made under Section 6 of this Agreement, plus ten percent (10%) interest per annum from the date the Hotel Grant was made. Repayment shall be paid within one hundred twenty (120) days after the date Developer receives notice of violation from the City, which notice shall not be given by the City until after such conviction has become final and non-appealable.

(j) The Developer shall comply with the provisions of the Convention Center Annex Lease and the Hotel Ground Lease.

(k) Developer agrees that it will implement the following Developer's Community Benefits Plan to provide meaningful community benefits and appropriate opportunities for local residents, minorities and women in all aspects of its operations; including contracting, consulting and supply of goods and services. 8. **Deferral of Certain City Hotel Grant Payments.** Section 6(a) and (b) of this Agreement require the City to make or cause to be made Hotel Grant payments to Developer and/or its designee after the City's receipt of State HOT, City Sales Tax, City Mixed Beverage Tax, and City HOT with respect to specified periods for computation of the Hotel Grant amounts (a "**Hotel Grant Computation Period**"). If for a Hotel Grant Computation Period the City does not receive actual payment of a net positive amount of a tax type that exceeds the City's computation of a Hotel Grant payment obligation to Developer and/or its designee with respect to that tax type for that Hotel Grant Computation Period, the City shall not be required to pay immediately to Developer and/or its designee the portion of the Hotel Grant amount equal to the excess of the Hotel Grant amount otherwise due over the net positive amount of that tax type received by the City, but instead the City shall defer and pay such portion of the Hotel Grant amount after the first subsequent Hotel Grant

Computation Period or Periods for which the City receives actual payment of a net positive amount of that tax type at least equal to the Hotel Grant payment currently due for that tax type plus Hotel Grant payments for prior periods deferred as a result of the application of this Section. Notwithstanding, for the City Sales/Beverage Tax Appropriated Grant and City Property Tax Appropriated Grant such amounts shall not be paid to Developer and its designee until the City Council has taken action to appropriate such payments as set forth above. The provisions of this Section shall survive the termination of this Agreement and the Term.

(c) The City will work with Developer to establish a procedure by which the City can expedite all City development approvals, including permits and inspections for the Hotel Project. At a minimum, the City agrees to act on an administratively complete building permit application within forty five (45) days after the application is filed with the City, and the City agrees to issue a certificate of occupancy within ten (10) days after receipt of a request for a final inspection if the Hotel Project complies with applicable requirements of the issuance of a certificate of occupancy. Delays resulting from the City's wrongful act or failure to act will extend the schedule for Developer's performance obligation under Section 5(a) by a like amount of days. In addition, the City will provide a dedicated staff member to assist with real time plan review and inspection.

(d) The City agrees to provide space, where available, on existing City owned way-finding signs to direct visitors to the Hotel Project. At Developer's request, the City's police department and Developer will meet periodically to discuss security and police protection in the areas surrounding the Hotel Project. If Developer and City determine a police substation in the Hotel Project is desired both parties will use reasonable efforts to work together to address staffing such substation.

(f) In connection with the development and construction of the Hotel Project (and any reconstruction, remodeling or renovation of same), if requested by Developer, the City shall grant Developer an easement or license, at no cost or expense, to stage construction on the public rights of ways located adjacent to the Hotel Unit.

(g) The City agrees that in connection with the operation of the Hotel Project, Developer and its designees shall have the right, at no cost or expense, to utilize the sidewalks and plazas located adjacent to the Hotel Project that are part of the public right of way for café seating and other purposes; notwithstanding the foregoing any ordinances controlling the location of improvements in sidewalks or on public right of way shall still apply to assure that the public right of way is not unreasonably obstructed.

(i) The ACCDC shall accept title to the Hotel Lot (as determined by Developer) pursuant to a deed or deeds prepared by Developer that are substantially in the form attached hereto as **Exhibit "I"** and will immediately lease such property to Arlington Stadium Hotel, LLC, pursuant to the Hotel Ground Lease. The City shall accept title to the CCA Unit (as determined by Developer) pursuant to a deed prepared by Developer that is substantially in the form attached hereto as **Exhibit "I"** and will immediately lease such property to Arlington Stadium Hotel, LLC, pursuant to the Convention Center Annex Lease. Developer shall have the right to determine the description of the property that is the subject of each such lease. Developer shall have the right to make reasonable modifications to the form of each such lease prior to execution of same, such as modifications: (i) to reflect that the property demised under such lease consists of one or more condominium units and granting the tenant under such lease the exclusive right and power to exercise all of the rights and privileges of the "owner" of the unit or units that comprise the demised premises under such lease; or (ii) to reflect that the such property is subject to covenants, conditions and restrictions and granting the tenant under such lease the exclusive right and power to exercise all of the rights and privileges of the "owner" under such covenants, conditions and restrictions as if it were the owner of the property demised under the applicable lease. The President of the ACCDC Board of Directors, on behalf of the ACCDC, is hereby authorized to accept title to the Hotel Lot and to execute and deliver the Hotel Ground Lease as well as any other documents or agreements, such as a lease recognition agreement that a Mortgagee may require. The City Manager, on behalf of the City, is hereby authorized to accept title to the CCA Unit and to execute and deliver the Convention Center Annex Lease as well as any other documents or agreements, such as a lease recognition agreement that a Mortgagee may require. The ACCDC shall comply with the provisions of the Hotel Ground Lease and the City shall comply with the provisions of the Convention Center Annex Lease.

**7. Developer's Election to Proceed with the Hotel Project.**

Developer hereby notifies the City of Developer's election to proceed with development of the Hotel Project. The City hereby acknowledges that a grading permit has been issued to an affiliate of Developer to enable construction of the Hotel Project to commence, and that, therefore, the requirement set forth in Section 5(a) above that Developer apply for the necessary permits and approvals to commence construction of the Hotel Project within eighteen (18) months of the date that Developer has elected to proceed with the development of the Hotel Project, has been fully satisfied.

**8. Indemnification.**

DEVELOPER IN PERFORMING ITS OBLIGATIONS UNDER THIS AGREEMENT IS ACTING INDEPENDENTLY, AND THE CITY AND ACCDC ASSUMES NO RESPONSIBILITIES OR LIABILITIES TO THIRD PARTIES IN CONNECTION WITH THE HOTEL PROJECT. DEVELOPER AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS THE ACCDC, CITY, THEIR OFFICERS, AGENTS, EMPLOYEES, AND VOLUNTEERS IN BOTH THEIR PUBLIC AND PRIVATE CAPACITIES, FROM AND AGAINST CLAIMS, SUITS, DEMANDS, LOSSES, DAMAGES, CAUSES OF ACTION, AND LIABILITY OF EVERY KIND, INCLUDING, BUT NOT LIMITED TO, EXPENSES OF LITIGATION OR SETTLEMENT, COURT COSTS, AND REASONABLE ATTORNEYS' FEES WHICH MAY ARISE DUE TO ANY DEATH OR INJURY TO A PERSON OR THE LOSS OF, LOSS OF USE, OR DAMAGE TO THE HOTEL PROJECT, ARISING OUT OF OR OCCURRING AS A CONSEQUENCE OF THE PERFORMANCE OF THIS AGREEMENT, EXCLUDING ANY ERRORS OR OMISSIONS, OR NEGLIGENT ACT OR OMISSION OF THE CITY, ITS OFFICERS, AGENTS OR EMPLOYEES.

**9. Termination and Default.**

Developer is considered to be in default under this Agreement if Developer fails to fulfill its obligations under Section 5. The City is considered to be in default under this Agreement if the City fails to fulfill its obligations under Section 6. The ACCDC is considered in default under this Agreement if the ACCDC fails to fulfill its obligations under Section 6. If Developer, ACCDC or the City defaults (a "**Default**"), the defaulting Party shall cure such Default within forty-five (45) days after the delivery of written notice of such Default from the other Party, or if such failure cannot be cured within such forty-five (45) day period in the exercise of all due diligence, then if the defaulting Party commences an attempt to cure within such forty-five (45) day period, such longer period as the Party thereafter continues diligently to prosecute the cure of such Default.

If Developer does not cure a Default of Section 5(a) in the time period allowed by this Agreement, the City and ACCDC may terminate this Agreement as it relates to the Hotel Project and the City may seek repayment by Developer of the Hotel Grants paid. Repayment of Hotel Grants paid shall become due sixty (60) days following receipt of such demand. In the event that this Agreement has not been terminated prior to Substantial Completion of the Hotel Project, the

City and ACCDC shall no longer have the right to terminate this Agreement as it relates to the Hotel Project pursuant to this paragraph.

The failure of Entertainment Complex Developer and its successors and assigns to fulfill their obligations under the Entertainment Complex Development Agreement shall not constitute a default by Developer under this Agreement.

The City's ability to seek repayment and Developer's obligation to repay shall survive the termination of this Agreement.

10. **Restriction against Dispositions.**

(a) **Dispositions of the Hotel Project.** Until the third (3rd) anniversary of Initial Occupancy, Developer shall not make or create, or suffer to be made or created, any Disposition of the Hotel Project, without the prior written approval of the City Representative, which approval shall not be unreasonably withheld and which consent shall be granted in the event the counterparty to such Disposition is an Alternative Hotel Developer. Any such approval or disapproval shall be made within thirty (30) Business Days of the City's receipt of such request, time being of the essence. Thereafter, Developer may, without the need to request or obtain the consent of the City, make or create, or suffer to be made or created, a Disposition of the Hotel Project during the Term of this Agreement, provided that the counterparty to such Disposition (and/or a direct or indirect affiliate) is an Alternative Hotel Developer. In the event such counterparty (and/or a direct or indirect affiliate) does not satisfy any of the above, such Disposition shall require the prior written approval of the City, acting by and through the City Representative, which approval shall not be unreasonably withheld and which approval shall be granted or withheld within thirty (30) Business Days of the City's receipt of such request, time being of the essence. Notwithstanding the above, on or any time after the first day of the fifteenth (15th) anniversary of the date Substantial Completion of the Hotel is achieved Developer may, without the need to request or obtain the consent of the City, make or create, or suffer to be made or created, a Disposition of the Hotel Project.

(b) **Assumption Agreement.** In connection with a Disposition made during the Term of this Agreement, the counterparty to such Disposition shall assume all obligations of Developer under this Agreement accruing from and after the Execution Date of such Disposition by a written agreement (the "**Assumption Agreement**") to which the City is either a party or in which the City is specified to be a beneficiary, a copy of which Assumption Agreement shall be promptly provided to the City following the Disposition to evidence the assignment and assumption in question. The provisions of this Section 10(b) shall not apply to Operation Agreements, Leases or Mortgages.

(c) **Permitted Dispositions to Tenants.** Notwithstanding anything in this Section 10 or other Sections of this Agreement to the contrary, Developer may enter into Leases or other contractual agreements with Tenants for parts (but

less than all) of Developer's interest in the Hotel Project, at any time and from time to time from and after the Execution Date, with such Tenants and upon such terms and conditions as Developer shall, in its sole discretion, deem fit and proper. Notwithstanding anything in this Section 10(c) to the contrary, a Lease or Leases may not be used as a way to circumvent the assignment limitations or other provisions of Section 10, provided, however, Developer shall have the right, from time to time, to lease all or any part of the Hotel Project to one or more Tenants, that may or may not be an affiliate of Developer, that operate one or more businesses in the Hotel Project, such as a bar or restaurant. Such a Tenant shall have the right to sublease or license portions of its leased premises to third parties for the operation of businesses.

(d) Liability. In the event of a Disposition of all of the interest of Developer concerning the Hotel Project, upon Developer's delivery of an Assumption Agreement pursuant to Section 10(b) hereof, Developer shall be relieved of all further liability arising hereunder except for monetary obligations of Developer under this Agreement that accrued before such Disposition which remain unpaid.

(e) Obligations of Tenants. Any Tenant is not a successor or assignee of Developer's obligations to the City merely by being a Tenant.

(f) Project Financing and Mortgages. The provisions of this Section 10 are not intended to modify or supersede any of the rights granted Developer, any Mortgagee and any Tenant under Sections 11 and 12 hereof. In the event that the provisions of this Section 10 conflict with or are inconsistent with the any of the other provisions of Sections 11 and/or 12 hereof, the provisions of Sections 11 and 12 hereof shall control and the provisions of this Section 10 shall be construed and interpreted accordingly.

11. Leases. From and after the Execution Date, Developer shall have the right, without the need to request or obtain the consent of the City or ACCDC to Lease all or any part of the Hotel Project at any time and from time to time to Tenants. The City and ACCDC acknowledges and agrees that Developer may enter into Leases with affiliated companies to Developer and acknowledge that part of Developer's strength is this ability. Notwithstanding anything in this Section to the contrary, a Lease or Leases may not be used as a way to circumvent the assignment limitations of this Agreement.

12. **Mortgagee Rights.**

(a) Right to Mortgage. Notwithstanding any other provisions of this Agreement, Developer shall at all times have the right to encumber, pledge, grant, or convey its rights, title and interest in and to the Hotel Project, or any portions thereof, or the Hotel Unit or CCA Unit, or any portion or portions thereof, and/or to this Agreement by way of a mortgage, pledge, assignment or other security agreement (a "**Mortgage**") to secure the payment of any loan or loans obtained by Developer to finance or refinance any portion or portions of the Hotel Project.

The beneficiary of or mortgagee under any such Mortgage is hereby referred to herein as a "**Mortgagee**". The City and ACCDC recognize and acknowledge that the Hotel Project and Entertainment Complex Project may be separately financed by Developer (or its affiliate) and may be encumbered by separate Mortgages. The Mortgagee of the Hotel Project and the Mortgagee of the Entertainment Complex Project shall have the benefit of the provisions of this Section 12 with regard to its Mortgage and the property and project its Mortgage encumbers.

(b) Notice of Breaches to Mortgagees. In the event the City and/or ACCDC gives notice to Developer of a breach of its obligations under this Agreement, the City and/or ACCDC shall forthwith furnish a copy of the notice to the Mortgagees that have been identified to the City and/or ACCDC by Developer. To facilitate the operation of this Section 12(b), Developer shall at all times keep the City and ACCDC provided with an up-to-date list of Mortgages.

(c) Mortgagee May Cure Breach of Developer.

(i) In the event that Developer receives notice from the City and/or ACCDC of a breach by Developer of any of its obligations under this Agreement and such breach is not cured by Developer pursuant to the provisions of this Agreement, the City and/or ACCDC shall, in addition to the notice provided in Section 9 hereof, give notice of the failure to cure on the part of Developer to the Mortgagees at the expiration of the period within which Developer may cure as set forth in this Agreement. Any one of the Mortgagees may elect to cure such default by giving the City and/or ACCDC written notice of its intention so to cure within thirty (30) days after the receipt of the additional notice herein set forth. In the event that any Mortgagee elects to proceed to cure any such default, such Mortgagee shall do so within the applicable cure period contained in this Agreement; provided, however, that the commencement of the cure period for the Mortgagee shall commence on the date the Mortgagee notifies the City and/or ACCDC of the Mortgagee's election to cure such default and each applicable cure period shall be deemed doubled in length for Mortgagee.

(ii) In the event any Mortgagee elects to exercise its rights of foreclosure under a Mortgage (or appoint a receiver or accept a deed and/or assignment-in-lieu of foreclosure), after foreclosure of Developer's interest in and to the Hotel Project or any portion thereof (or after the appointment of a receiver or the obtaining of Developer's interest in and to the Hotel Project or any portion thereof, via deed and/or assignment-in-lieu of foreclosure), such Mortgagee may at its option:

(A) elect to assume the position of Developer hereunder in which case, in the event the City and/or ACCDC has terminated this Agreement or suspended the distribution of any funds, including the Hotel Grants that the City are obligated to provide to

Developer pursuant to this Agreement, the City and ACCDC agrees that this Agreement shall be deemed reinstated and the City shall commence the distribution of such funds, including the Hotel Grants, in accordance with the provisions of this Agreement and, in which case, such Mortgagee shall cure any default by Developer hereunder that the Mortgagee had received notice of in accordance with the provisions of Section 12(b) hereof within the timeframes contained in this Agreement and shall cause Substantial Completion of the Hotel Project to occur; or

(B) elect not to assume the provisions of this Agreement.

The Mortgagee shall have the right so to elect (A) above of this Section 12(c)(ii) only if it shall exercise such right within six (6) months after the receipt of the additional notice herein set forth. For purposes of this Section 12(c), the term "Mortgagee" shall include not only the "Mortgagee", as that term is defined in this Section 12 hereof, but shall also include any Person that obtains Developer's interest in and to all or any portion of the Hotel Unit or CCA Unit, or the common elements, as a result of a Mortgagee's exercise of its foreclosure rights or the transfer of Developer's interest in and to all or any part of the Hotel Project or of the Hotel Unit or CCA Unit, or the common elements, at the direction of the Mortgagee by Developer to a Person by deed and/or assignment-in-lieu of foreclosure.

(d) Rights and Duties of Mortgagee. In no event shall any Mortgagee be obliged to perform or observe any of the covenants, terms or conditions of this Agreement on the part of Developer to be performed or observed, or be in any way obligated to complete the improvements to be constructed in accordance with this Agreement, nor shall it guarantee the completion of improvements as hereinbefore required of Developer, whether as a result of (i) its having become a Mortgagee, (ii) the exercise of any of its rights under the instrument or instruments whereby it became a Mortgagee (including without limitation, foreclosure or the exercise of any rights in lieu of foreclosure), (iii) the performance of any of the covenants, terms or conditions on the part of Developer to be performed or observed under this Agreement, or (iii) otherwise, unless such Mortgagee shall either make the election set forth in Section 12(c)(ii)(A) of this Agreement or shall specifically elect under this Section 12(d) to assume the obligations of Developer by written notice to the City and ACCDC whereupon such Mortgagee, upon making such election as aforesaid, shall then and thereafter for all purposes of this Agreement be deemed to have assumed all of the obligations of Developer hereunder.

(e) Mortgagee's Rights Agreements. The ACCDC and the City, acting by and through the City Representative, shall, at the request of Developer made

from time to time and at any time, enter into a lender's rights agreement with any Mortgagee (or potential Mortgagee) identified by Developer, which lender's rights agreement shall be consistent with the terms and provisions contained in this Section 12 that apply to Mortgagees and Mortgages. Within twenty (20) days of Developer's request for a lender's rights agreement pursuant to the provisions of this Section 12(e), time being of the essence, the ACCDC and City, acting through the City Representative, shall execute and deliver to Developer such a lender's rights agreement benefiting the identified Mortgagee (or potential Mortgagee) and such Mortgagee's Mortgage (or potential Mortgagee's potential Mortgage), which executed lender's rights agreement shall be in a form and substance that are reasonably acceptable to such Mortgagee (or potential Mortgagee) and that is consistent with, and at the option of such Mortgagee (or potential Mortgagee) incorporates, the terms and provisions of this Section 12 that apply to Mortgagees and Mortgages.

13. **General Provisions.**

(a) **Representations and Warranties.** Developer represents and warrants to the City and ACCDC that it has the requisite authority to enter into this Agreement. Developer represents and warrants to the City and ACCDC that it will not violate any federal, state or local laws in operating the Hotel Project, that all proposed improvements of the Hotel Project (exclusive of Third Party Tenant Improvements) shall conform to the applicable building codes, zoning ordinances and all other ordinances and regulations. Nothing in this Section 13(a) or any other part of this Agreement, however, shall be construed to (i) limit or prevent Developer from challenging at law or in equity the applicability of any applicable law and/or pursuing its rights in furtherance thereof through appropriate judicial proceedings or (ii) constitute a waiver of due process. Notwithstanding anything to the contrary contained in this Agreement, no provision of this Agreement shall be construed to require Developer to comply with any applicable law during the period that Developer may be pursuing a bona fide challenge of the applicability, lawfulness, and/or enforceability of such applicable law (unless such law requires compliance during any such challenge). If Developer's challenge is successful, Developer shall not be required by the provisions of this Agreement to comply with such applicable law.

(b) **Section or Other Headings.** Section or other headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

(c) **Attorneys' Fees.** In the event any legal action or process is commenced to enforce or interpret provisions of this Agreement, the prevailing party in any such legal action shall be entitled to recover its necessary and reasonable attorneys' fees and expenses incurred by reason of such action, in accordance with Section 271.153 of Texas Local Government Code.

(d) **Amendment.** This Agreement may only be amended, altered, or revoked by written instrument signed by Developer, the ACCDC and the City and approved by the City through its City Council.

(e) **Assignment by the City or ACCDC.** This Agreement may not be assigned by the City or ACCDC until such time as Developer and its lenders are provided with assurances that all Hotel Grants will be timely paid and that the City is not being released from its obligations under Section 6 to cause such Hotel Grants to be timely paid.

(f) **Binding Agreements; Successor Tenant.** This Agreement shall be binding on and inure to the benefit of the parties hereto, their respective permitted successors and assigns.

(g) **Notice.** All notices or statements given pursuant to or concerning this Agreement shall be in writing and sent either by certified mail, return receipt requested, personal messenger or overnight delivery via a reputable overnight service. Any notice sent by (a) certified mail, return receipt requested shall be deemed delivered two (2) days after deposited in the United States mail; (b) personal messenger shall be deemed delivered when actually received; and (c) an overnight delivery service shall be deemed delivered on the Business Day following the date the notice is deposited with the overnight delivery service addressed as specified below:

Such addresses may be changed by giving the other Party ten (10) days' notice in writing. In addition, Developer may add additional notice addressees.

(h) **Interpretation.** Regardless of the actual drafter of this Agreement, this Agreement shall, in the event of any dispute over its meaning or application, be interpreted fairly and reasonably, and neither more strongly for or against any Party.

(i) **Applicable Law.** This Agreement is made, and shall be construed and interpreted under the laws of the State of Texas without regard to any conflict of law rules, and, subject to the provisions of Section 13(l) hereof, venue shall lie in Tarrant County, Texas.

(j) **Severability.** In the event any provision of this Agreement is illegal, invalid, or unenforceable under present or future laws, then, and in that event, it is the intention of the parties hereto that the remainder of this Agreement shall not be affected thereby, and it is also the intention of the parties to this Agreement that in lieu of each clause or provision that is found to be illegal, invalid, or unenforceable a provision be added to this Agreement which is legal, valid and enforceable and is as similar in terms as possible to the provision found to be illegal, invalid or unenforceable. Notwithstanding the above, Developer shall have the right to terminate this Agreement in the event that it determines that the obligation of the City to timely pay Developer the Hotel Grants in accordance with the terms of this Agreement has been declared invalid or unenforceable. In the event any provision of this Agreement is illegal, invalid or unenforceable under present or future laws, each Party reserves the right to pursue any and all remedies available to them at law or equity (including arbitration proceedings). In the event that any of the provisions of this Agreement concerning the Hotel Grants are challenged by any other Person as "illegal, invalid, or unenforceable under present or future laws", the parties shall reasonably cooperate with each other to defend the validity and enforceability of such provisions. The provisions of this Section 13(j) shall survive the termination of this Agreement.

(k) **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be considered an original, but all of which shall constitute one instrument.

(l) **Dispute Resolution.** In the event any dispute, controversy or claim between or among the parties hereto arises under this Agreement (a "**Dispute or Controversy**"), including a claim that a Party is in default of this Agreement, the parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement. In the event a Dispute or Controversy arises, any Party shall have the right to notify the other Party hereto that the notifying Party has elected to implement the procedures set forth in this Section 13(l). Within fifteen (15) days after delivery of any such notice by one Party to the other Party regarding a Dispute or Controversy, a representative of each of the parties shall meet at a mutually agreed time and place to attempt, with diligence and good faith, to resolve and settle such Dispute or Controversy. Should a mutual resolution and settlement not be obtained within fifteen (15) days after the meeting of the parties representatives for such purpose, or such longer period as the parties may agree upon, then either Party may by notice to the other Party (the "**Arbitration Notice**") submit the Dispute or Controversy to arbitration in accordance with the provisions of this Section 13(l) and **Exhibit "H"** attached hereto (the "**Arbitration Procedures**"). The Arbitration Notice must comply with the Arbitration Procedures. Upon receipt of the Arbitration Notice, all parties shall be compelled to arbitrate the Dispute or Controversy in accordance with the terms of this Section 13(l) and **Exhibit "H"** without regard to the justifiable character or executor nature of such Dispute or Controversy. Each Party hereto agrees that any Dispute or Controversy which is not resolved pursuant to this Section shall be submitted to binding arbitration hereunder and shall be resolved exclusively and finally through such binding arbitration in accordance with the Arbitration Procedures (the "**Arbitration**"). This Section 13(l) and **Exhibit "H"** hereto are and hereby constitute a written agreement by the parties hereto to submit to arbitration any such Dispute or Controversy arising after the Execution Date of this Agreement within the meaning of Section 171.001 of the Texas Civil Practice and Remedies Code. Notwithstanding any provision of this Agreement to the contrary, any Party may seek injunctive relief or other form of ancillary relief at any time from any court of competent jurisdiction in Tarrant County, Texas. In the event that a Dispute or Controversy requires emergency relief before the matter may be resolved under the Arbitration Procedures, notwithstanding that any court of competent jurisdiction may enter an order providing for injunctive or other form of ancillary relief, the parties hereto expressly agree that the Arbitration Procedures will still govern the ultimate resolution of that portion of the Dispute or Controversy not resolved pursuant to said court order.

(m) **Force Majeure.** If either Party shall be delayed or hindered in or prevented from the performance of any act required hereunder by reason of strikes, lock-outs, inability to procure materials, failure of power, governmental moratorium or other governmental action or inaction (including, failure, refusal or

delay in issuing permits, approvals or authorizations), injunction or court order, terrorist attacks, riots, insurrection, war, fire, earthquake, flood or other natural disaster, a default hereunder by the other Party or other reason of a like nature not the fault of the Party delaying in performing work or doing acts required under the terms of this Agreement (but excluding delays due to financial inability), then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay.

(n) **Independent Parties.** Nothing herein shall be construed as creating a partnership or joint enterprise between the City, ACCDC and Developer. Furthermore, the Parties acknowledge and agree that the doctrine of respondeat superior shall not apply between the City, ACCDC and Developer, nor between the City, ACCDC and any officer, director, member, agent, employee, contractor, subcontractor, licensee, or invitee of Developer.

(o) **No Rights Conferred on Others.** Nothing in this Agreement shall confer any right upon any Person other than the City, ACCDC and Developer and no other Person is considered a third party beneficiary to this Agreement.

(p) **Approval Not Guaranteed.** Nothing contained in this Agreement shall be construed as obligating the City to approve any application required for development of the land within the Hotel Unit or CCA Unit that is not in conformity with the City's adopted development regulations, except as expressly otherwise contemplated herein.

(q) **Entire Agreement.** This Agreement contains the entire agreement between the Parties with respect to the transaction contemplated herein and replaces the Prior Development Agreement. The Prior Development Agreement has no further force or effect.

(r) **Waiver.** No term or condition of this Agreement shall be deemed to have been waived, nor will there be any estoppel to enforce any provision of this Agreement, except by written instrument of the Party charged with such waiver or estoppel.

(s) **Approval by City of Arlington, Texas.** The Prior Development Agreement was approved by the City Council of the City of Arlington, Texas at its meeting on December 15, 2015. Pursuant to Section 13 (z) of the Prior Development Agreement, the City Representative is authorized to execute this Agreement on behalf of the City and ACCDC.

(t) **City Representative.** From and after the date hereof, the City shall designate a representative (a "City Representative") who shall be authorized to give all directions, consents, approvals, waivers or other acknowledgements under this Agreement on the part of the City and to receive

any and all submissions from Developer under this Agreement. Developer shall be entitled to rely on, and Developer and City agree to be bound by, any direction, consent, approval, waiver or other acknowledgement given by the City Representative, unless prior to the time such direction, consent, approval, waiver or other acknowledgement is given, the City Manager (or his designee) gives written notice to Developer that the City Representative has been changed. For the purpose of this Agreement, Developer shall not be required to rely on and may refuse to accept directions, consents, approvals, waivers or other acknowledgements from any other Person, even if such Person has apparent or actual authority for the City. The City Manager, and only the City Manager, shall be entitled to change the City Representative at any time upon five (5) days written notice to Developer, provided that the City Manager shall appoint a replacement City Representative upon such removal of the prior City Representative or promptly in the event of death or disability of such City Representative. The initial City Representative shall be the City Manager.

(u) **Representatives Not Individually Liable.** No member, official, representative, or employee of the City or ACCDC shall be personally liable to Developer or any successor in interest of either of them in the event of any default or breach by the City or ACCDC for any amount which may become due to Developer or successor of either of them or on any obligations under the terms of the Agreement. No partner, member, representative, or employee of Developer or any of their respective members shall be personally liable to the City or ACCDC in the event any default or breach by Developer for any amount which may become due to the City or ACCDC or on any obligations under the terms of this Agreement.

(v) **Confidentiality.** The City acknowledges and agrees that any information provided by Developer to the City concerning the cost of developing the Hotel Project, the terms of any financing of the Hotel Project, the identity of any potential Tenant, the terms of any lease of a Tenant, the actual sales of any Tenant and the cash flow, profit and loss of the Hotel Project is considered by Developer to be "confidential financial information" and may contain "trade secrets" and "confidential information".

The City shall notify Developer within five (5) Business Days after receiving any Public Information Act request that seeks disclosure of information provided by or concerning Developer, and the parties shall reasonably cooperate to determine whether or to what extent the requested information may be released without objection and without seeking a written opinion of the Texas Attorney General. If Developer takes the positions that responsive information provided by or concerning Developer is information not subject to release to the public pursuant to section 552.110 of Texas Government Code, or other applicable law, then the City shall seek a written opinion from the Texas Attorney General; however, Developer must submit written comments to the Attorney General to establish reasons why the information should be withheld. The burden of

establishing the applicability of exceptions to disclosure for such information resides with Developer. Should the Texas Attorney General issue an opinion that the requested information, or any part thereof, should be released, the City may release said information without penalty or liability. This Section shall survive termination of this Agreement for any reason whatsoever.

(w) **City Representations and Warranties.** The City represents and warrants to Developer that the City (i) is a constitutionally chartered city validly existing under the laws of the State of Texas; (ii) has lawful power and authority to enter into, execute and deliver this Agreement and to carry out its obligations hereunder; (iii) by all necessary action has been duly authorized to execute and deliver this Agreement, acting by and through its duly authorized officers.

(x) **Estoppel Certificates.** The City and Developer, at any time and from time to time, upon not less than thirty (30) days prior written notice from a Party hereto, or to a Person designated by such Party, such as a Tenant or a Mortgagee, shall execute, acknowledge, and deliver to the Party requesting such statement, a statement in reasonably acceptable form to the requested Party certifying, among other matters, (i) that this Agreement is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (ii) stating whether or not, to the best knowledge of the signer of such certificate, the City or Developer is in breach and/or default in performance of any covenant, agreement, or condition contained in this Agreement and, if so, specifying each such breach and/or default of which the signer may have knowledge, and (iii) any other factual matters reasonably requested in such estoppel certificate concerning this Agreement, it being intended that any such statement delivered hereunder may be relied upon by the Party requesting such statement and/or any Person not a Party to this Agreement (if such other Person is identified at the time such certificate was requested). The City Representative is hereby authorized to execute, acknowledge, and deliver such certificates on behalf of the City.

(y) **Waiver of Immunity.** The City hereby waives its governmental immunity from suit and immunity from liability as to any arbitration proceeding and/or legal action brought by Developer resulting from an uncured default by the City. To effectuate such waiver, the Parties hereby agree, for purposes of this Agreement only, that this Agreement is a contract subject to Subchapter I, Chapter 271, Texas Local Government Code, as amended.

A Lessee Power of Attorney may be transferred, pledged or collaterally assigned by Lessee as a part of a loan transaction.

## **2.8 Lessee Proxy under the CC&Rs.**

(a) Lessor, its successors and assigns hereby grant Lessee a proxy to (i) cast all of Lessor's votes as Lot Owner at any meetings of CC&R Owners, and (ii) exercise, as Lessor's agent and attorney in fact, Lessor's right to give or withhold Lessor's approval or consent in connection with (1) any decision to be taken by the Owners or without the holding of a meeting, or (2) any other consent or action to be given, withheld or taken by Lessor or in its capacity as Lot Owner. The Lessee Proxy (i) shall collectively constitute a proxy for purposes of the CC&Rs, (ii) shall conclusively be deemed to be coupled with an interest, and (iii) except as otherwise expressly provided in this Lease or in a separate document signed by Lessor and Lessee, shall be (1) irrevocable and (2) perpetual until the Expiration or earlier termination of this Lease. Notwithstanding anything to the contrary, the Lessee Proxy shall conclusively be deemed to be effective for the entire Term of this Lease, except that the Lessee Proxy shall automatically terminate upon the Expiration of such Term or any earlier termination of this Lease, including, but not limited to, termination as a result of Lessor's transfer of its rights, title and interest in the Leased Premises to Lessee. While Lessee holds the Lessee Proxy, the CC&R Owners shall deal exclusively with Lessee on matters concerning the casting of votes or the giving of consent by the CC&R Owners under the terms Section 4 of the CC&Rs.

(b) Lessee may permit the Lessee Proxy to be exercised on its behalf by its officers, directors, employees or agents. A Lessee Proxy may be transferred, pledged or collaterally assigned by Lessee as a part of a loan transaction.

(c) Nothing in this Section 2.8 shall affect Lessor's right to convey the title to or any interest in the Leased Premises, but no such conveyance shall affect the legal effect of the Lessee Proxy granted by Lessor, and except as Lessee may otherwise have agreed, expressly and in writing, the Lessee Proxy shall remain in full force and effect notwithstanding such conveyance, and shall bind the heirs, personal representatives, successors and assigns of Lessor. Notwithstanding the immediately preceding sentence, such heirs, personal representatives, successors and assigns shall, promptly upon notice from Lessee requesting such action, provide such further written assurances of the continued effect of the Lessee Proxy as Lessee may reasonably request in such notice.

**2.9 Quiet Enjoyment.** Lessor covenants and agrees that Lessee, while paying the Rent and other sums payable under this Lease and performing its other covenants and agreements herein set forth, shall peaceably and quietly have, hold and enjoy the Leased Premises for the full Term without hindrance or molestation from Lessor or any other Person claiming by, through or under Lessor, subject to the terms, conditions and provisions of this Lease, and to the Encumbrances. Lessor shall not, without the prior approval of Lessee, which approval Lessee may withhold in its sole and subjective discretion, encumber the Leased Premises with any easements, mortgages, liens or other encumbrances. Lessor agrees, at Lessee's sole cost and expense, to cooperate reasonably with Lessee in connection with any renewal, extension, amendment, modification, supplement or refinancing of the Fee Mortgage that Lessee may propose to undertake in the future. Such cooperation shall include the execution and delivery of such documents and instruments and the taking of such actions as Lessee or Fee Mortgagee may reasonably request; provided in no event shall Lessor be obligated to assume, or agree to perform, any obligations under the Fee Mortgage or in respect of the indebtedness secured thereby (other than non-recourse obligations relating solely to the Hotel Lot, or Lessor's ownership thereof, for which Lessor would have no personal liability), and **Lessee shall defend, indemnify and hold Lessor harmless from and against any and all claims and demands of Fee Mortgagee with respect to the Leased Premises, the Fee Mortgage and the indebtedness secured thereby, including any costs Lessor may incur as a result of being named a defendant in any legal action Fee Mortgagee undertake to enforce its rights and remedies relating to the Fee Mortgage.**

**2.10 Recordation.** Lessee shall have the right to record this Lease, and/or a memorandum of same prepared by Lessee (which Lessor covenants to execute and deliver in recordable form within ten (10) days of Lessee's request therefor) among the Land Records.

**2.11 Licenses and Permits.** Whenever requested by Lessee, Lessor, at no cost to Lessor, shall execute and deliver to Lessee, in its capacity as fee owner of the Leased Premises, and not, under this Section 2.11, in its capacity as the City, within ten (10) Business Days of Lessee's request therefore, subdivision plats, permit applications, building permit applications, liquor license applications, zoning and use related applications and any other type of application, for or concerning the Leased Premises and/or the development, construction, reconstruction and/or operation of the Project.

**2.12 Bonds.** If applicable, Lessee shall require the general contractor awarded the contract for the construction of the Convention Center Annex to be in compliance with the Texas Government Code Section 2253 with regard to such contract.

3. **Rent.** Commencing on the Commencement Date and continuing thereafter throughout the remainder of the Term, Lessee shall pay to Lessor annually the sum of Ten and 00/100 Dollars (the "Rent") payable on or before the ninetieth (90th) day following the each anniversary of the Commencement Date.

4. **Impositions.**

4.1 **Impositions.** From and after the Commencement Date, Lessee shall pay all Impositions that accrue and are payable for any part of the period that commences on the Commencement Date and ends on the Expiration or earlier termination of this Lease before same are past due. Lessee shall provide Lessor with reasonable evidence of each such payment. Lessor shall promptly provide Lessee with a copy of all bills for Impositions that it receives. Lessee may collect from a Subtenant any of the Impositions as part of the rent under a Sublease or may have any Subtenant pay directly any of the Impositions; provided, however, Lessee remains primarily liable for the timely payment of the Impositions.

4.2 **Contests.** Lessee may, at its expense, contest any of the Impositions. Lessee shall hold Lessor harmless from all costs, expenses, claims, losses or damages by reason of, in connection with, on account of, arising or growing out of or resulting from any such contest. Such hold harmless agreement shall expressly survive the Expiration or earlier termination of the Lease. Upon request by Lessee, Lessor shall execute in its capacity as fee owner and promptly deliver to Lessee any documents or pleadings associated with such contest that Lessee may reasonably request.

4.3 **Assessed Valuation.** Lessee shall have the right, at any time, and from time to time, to attempt to obtain a lowering of the assessed valuation of the Leased Premises and the Improvements, or either of them, for any year for the purpose of reducing Impositions thereon. In such event, Lessor, upon request of any Lessee, Lessor shall execute in its capacity as fee owner, and not, under this Section 4.3, in its capacity as the City, and promptly deliver to Lessee any documents or pleadings associated with Lessee's attempt to the extent Lessee reasonably determines such participation by Lessor is necessary in order to pursue a lowering of the assessed valuation. Lessee shall be authorized to collect any Impositions from any period prior to the Commencement Date payable as a result of any proceeding Lessee may institute for that purpose and any such refund shall be deemed revenue of Lessee in the year in which it is received.

5. **Improvements.**

5.1 (a) **Improvements.** Lessee shall cause the initial Improvements to be constructed and maintained in accordance with the terms of the Economic Development Incentive Agreement. Subject to the next sentence, Lessee shall thereafter have the right, from time to time and at any time, to construct, renovate, alter, modify, expand, reduce and demolish Improvements and to permit Subtenants to also construct, renovate, alter, modify, expand, reduce and demolish Subtenant Improvements. During the first thirty (30) years of the Term, any construction, alteration, modification, expansion, reduction or demolition of the Improvements by Lessee will not result in a material reduction of the value of the Improvements as the same existed prior to such construction, alteration, modification, expansion, reduction or demolition.

Notwithstanding the above, a Leasehold Mortgagee or Fee Mortgagee and any person or entity that acquires title to Lessee's interest in the Leased Premises as a result of a foreclosure sale, deed in lieu of foreclosure or other similar transaction, and their respective successors and assigns, shall not be obligated to comply with the provisions of the immediately preceding sentence.

(b) No Substitute for Permitting Processes or other Governmental Functions. Nothing in this Lease, including, without limitation, the review for compliance, approval or consent by Lessor of or to any matter submitted to Lessor pursuant to this Lease shall constitute a replacement or substitute for, or otherwise excuse Lessee from, (a) all permitting processes of Governmental Authorities applicable to the Improvements, or (b) any Governmental Functions of the City. Nothing in this Lease shall be deemed to be a waiver, assignment or an abdication by the City of its Governmental Functions, in whole or in part.

5.2 **Tax Benefits.** Lessor acknowledges that Lessee may claim any income tax benefit and burden that may be available to it under the Internal Revenue Code of 1986, as amended, as a result of its participation in the Project, including all depreciation for all Improvements located on the Leased Premises.

5.3 **Termination or Expiration of Lease.** Upon the Expiration or earlier termination of this Lease, whether by lapse of time or otherwise, Lessee shall vacate and surrender the Leased Premises together with any permanently affixed improvements then existing on the Leased Premises.

5.4 **No Lessor's Lien.** Lessor hereby waives any landlord's lien Lessor has or ever may have.

## 6. **Acceptance and Use.**

6.1 **Acceptance.** Lessee has leased the Leased Premises from Lessor in an "as-is" condition.

6.2 **Use.** Lessee shall have the right to use the Leased Premises for any lawful use. Lessee shall have the exclusive right to operate the Convention Center Annex. It is the intent of Lessee to book and market the Convention Center Annex in coordination with the Arlington Convention and Visitors Bureau and to cooperate with Lessor in booking civic events at the Convention Center Annex consistent with Lessee's business plan (as the same may evolve) for a period of thirty (30) years, commencing on the date of Initial Occupancy.

## 7. **Damage or Destruction.**

7.1 **Obligation to Reconstruct.** In the event of damage or destruction to the Improvements during the thirty (30) year period that commences on the date the Hotel Project initially opens for business to the public, Lessee shall cause the full repair or restoration of the Improvements (exclusive of Third Party Tenant Improvements (as that term is defined in the Economic Development Incentive Agreement), as the same existed at the time of such damage or destruction (as the same may be modified by Lessee at the time of such repair or restoration, provided that such modification is of equal or greater value), whether done by application of

insurance proceeds or other financial means. On or after the expiration of such thirty (30) year period, in the event the Improvements are damaged by fire or other casualty, Lessee shall have the right to determine whether, and to what extent the Improvements should be restored or replaced. Notwithstanding the above, a Mortgagee and any person or entity that acquires title to the Improvements as a result of a foreclosure sale, deed in lieu of foreclosure or other similar transaction, and their respective successors and assigns, shall not be obligated to comply with the provisions of this Section 7.

## **8. Condemnation.**

**8.1 General.** If, at any time during the Term, the Leased Premises, the Improvements or any part thereof shall be condemned and taken by the United States of America, the State or any other authority or Person having the power of eminent domain, then the provisions of this Section 8 shall apply to such condemnation proceedings and the distribution of any awards pertaining thereto.

**8.2 Entire Leased Premises Taken by Eminent Domain/Partial Taking Resulting in Termination.** If the fee simple title in, or permanent possession of, all of the Leased Premises is taken by a governmental or other authority under the power of eminent domain, then this Lease shall terminate as of the taking date, and any Rent shall be prorated and paid by Lessee to the date of such taking. In the event that less than all of the Leased Premises is taken by a governmental or the authority under the power of eminent domain and if reconstruction is not feasible, or if the Improvements remaining after such taking are no longer economically viable, in each case as determined by Lessee in its sole and absolute discretion within one year after the date of the taking, then this Lease, at the election of Lessee, shall terminate as to the Leased Premises not so taken as of the date of such taking. The condemnation award shall be promptly paid as follows, in the following order of priorities:

(a) There shall be paid all expenses, if any, including reasonable attorney's fees, incurred by Lessor and Lessee in such condemnation suit or conveyance (except that nothing contained in this Section shall require payment to Lessor of costs and expenses it may incur in the event that Lessor is the condemning authority); and

(b) The balance, if any, remaining shall be applied and distributed to the payment of any indebtedness secured by the Fee Mortgage or any Leasehold Mortgages, to the extent that the Fee Mortgage or any Leasehold Mortgages require such payments; and

(c) The balance, if any, shall be applied and distributed to pay each Subtenant any amount of which such Subtenant is entitled for its leasehold improvements, and the value of such Subtenant's leasehold interest, but only to the extent required in such Subtenant's lease; and

(d) The balance, if any, shall be applied and distributed to Lessee up to the amount of the value of the Improvements, as reasonably determined by Lessee; and

(e) The balance, if any, shall be divided and paid fifty percent (50%) to Lessee and fifty percent (50%) to Lessor, provided, however, if the condemning authority is Lessor, the entire balance shall be paid to Lessee.

**8.3 Partial Taking of Leased Premises by Condemnation.** In the event that less than all of the Leased Premises (or only an interest therein) is taken for any public use or purpose by the exercise of the power of eminent domain, or shall be conveyed by the Parties acting jointly to avoid proceedings of such taking, then, subject to the exceptions expressly set forth in Section 8.2 above: (i) this Lease and all the covenants, conditions, and provisions hereunder shall be and remain in full force and effect as to all of the Leased Premises not so taken or conveyed, and (ii) Lessee shall remodel, repair, and restore the Improvements to such condition as Lessee determines in its sole and absolute discretion to be appropriate, taking into consideration the fact of the condemnation.

The condemnation award shall be promptly paid as follows, in the following order of priorities:

(a) There shall be paid all expenses, if any, including reasonable attorneys' fees, incurred by each Party in such condemnation suit or conveyance (except that nothing contained in this Section shall require payment of Lessor of costs and expenses it may incur in the event that Lessor is the condemning authority); and

(b) The balance, if any, remaining shall be applied and distributed to the payment of any indebtedness secured by the Fee Mortgage or any Leasehold Mortgages, to the extent that the Fee Mortgage or any Leasehold Mortgages require such payments; and

(c) The balance, if any, remaining shall be applied and distributed to pay each Subtenant whose space is taken any amount to which such Subtenant is entitled for its leasehold improvements and the value of such Subtenant's leasehold interest, but only to the extent required in such Subtenant's lease; and

(d) There shall be paid to Lessee out of the balance, if any, remaining, the amount required to enable Lessee to remodel, repair, and restore any Improvements to such condition as Lessee determines in its sole and absolute discretion to be appropriate, taking into consideration the fact of the condemnation; and

(e) The balance, if any, shall be applied and distributed to Lessee up to the amount of the value of the Improvements taken, as reasonably determined by Lessee; and

(f) The balance, if any, shall be divided and paid over fifty percent (50%) to Lessee and fifty percent (50%) to Lessor, provided, however, if the condemning authority is Lessor, the entire balance shall be paid to Lessee.

**8.4 Temporary Taking.** Notwithstanding the terms of Sections 8.2 and 8.3, if the whole or any part of the Leased Premises or the Improvements or of Lessee's interest in this Lease shall be taken in condemnation proceedings or by any right of eminent domain for a temporary use or occupancy, the Term shall not be reduced or affected in any way and Lessee

shall continue to pay in full the Rent without reduction or abatement in the manner and at the times herein specified. Except only to the extent that Lessee is prevented from so doing pursuant to the terms of any order of the condemning authority, Lessee shall continue to perform and observe all of the other covenants, agreements, terms and provisions of this Lease as though such taking had not occurred.

**8.5 Condemnation Proceedings.** Lessee, Lessor, Fee Mortgagee and Leasehold Mortgagee shall each have the right, as its own expense, to appear in any condemnation proceeding and to participate in any and all hearings, trials and appeals therein.

**8.6 Notice of Condemnation.** In the event Lessor or Lessee shall receive notification of any proposed or pending condemnation proceeding affecting the Leased Premises or the Improvements, the Party receiving such notification shall promptly notify, by Notice, the other Party. Notwithstanding anything to the contrary contained in this Lease in the event that this Lease is terminated as a result of all or part of the Leased Premises being condemned, Lessee shall either restore and rebuild the Improvements, or secure and raze the Leased Premises to ground level, at Lessor's election.

## **9. Assignments.**

**9.1 Disposition Prior to Third Anniversary of Initial Occupancy.** Lessee represents and agrees for itself and any successor in interest that, except for Dispositions to an Alternative Hotel Developer (which does not require the consent of Lessor), Lessee will not, prior to the third (3rd) anniversary of the Initial Occupancy, make or create, or suffer to be made or created, any Disposition, without the prior written approval of Lessor, acting by and through the City Representative (as that term is defined in the Economic Development Incentive Agreement), which approval shall not be unreasonably withheld. In the event that, pursuant to the provisions of Section 9.1 of this Lease, the approval of Lessor is required for a Disposition and a request for Lessor approval of a Disposition is made, Lessor, acting by and through the City Representative, shall, by notice to Lessee, approve or deny such request for approval within thirty (30) Business Days of Lessor's receipt of such request, time being of the essence. In the event of a Disposition to an Alternative Hotel Developer, promptly after such Disposition, Lessee shall provide Lessor with notice thereof and the transferee thereof shall deliver to Lessor a written instrument, benefiting Lessor and executed by the transferee, assuming Lessee's obligations under this Lease.

**9.2 Disposition On or After Third Anniversary of Initial Occupancy.** On or any time after the third (3rd) anniversary of the Initial Occupancy, Lessee may, without the need to request or obtain the consent of Lessor, make or create, or suffer to be made or created, any Disposition, provided that the counterparty to such Disposition (and/or a direct or indirect affiliate) is an Alternative Hotel Developer. In the event such counterparty (and/or a direct or indirect affiliate) does not satisfy any of the above, such Disposition shall require the prior written approval of Lessor, acting by and through the City Representative, which approval shall not be unreasonably withheld and which approval shall be granted or withheld within thirty (30) Business Days of Lessor's receipt of such request, time being of the essence. Notwithstanding the above, on or any time after the fifteenth (15th) anniversary of the date Substantial Completion of the Hotel Project is achieved Lessee may, without the need to request or obtain

the consent of Lessor, make or create, or suffer to be made or created, a Disposition. On or after the completion of any Disposition pursuant to this Section 9.2, the transferee shall deliver to Lessor a written instrument, benefiting Lessor and executed by Lessee and the transferee, whereby Lessee's rights and obligations under this Lease are assigned to and assumed by such transferee.

**9.3 Permitted Disposition to Subtenants.** Notwithstanding anything in Sections 9.1, 9.2 or other sections of this Lease to the contrary, Lessee may enter into Subleases or other contractual agreements with Subtenants for all or any part of the Project, at any time and from time to time from and after the Commencement Date and during the Term, with such Subtenants and upon such terms and conditions as Lessee shall, in its sole discretion, deem fit and proper consistent with the other provisions of this Lease.

**9.4 Liability.** In the event of a Disposition of all of the interest of Lessee concerning the Project pursuant to and in compliance with the provisions of Section 9.1 or 9.2 hereof, Lessee shall be relieved of all further liability arising hereunder with respect to the Project except for defaults of Lessee under this Lease that arose before such Disposition which remain uncured.

**9.5 Obligations of Subtenants of Lessor.** Subtenants or other permitted occupants are not successors or assignees of Lessee's obligations to Lessor merely by being a Subtenant or an occupant of the Project.

## **10. Subleases.**

**10.1 Right to enter into Subleases.** Throughout the Term, Lessee shall have the right, without the need to request or obtain the consent of Lessor, to sublet or sublease portions of the Project at any time and from time to time. Each Sublease shall be subject and subordinate to this Lease.

## **10.2 Non-disturbance and Attornment.**

(a) Lessor covenants and agrees with Lessee for the benefit of each and every Subtenant from time to time occupying any part of the Project or having rights granted to it by Lessee with regard to the Project, which Subtenants shall be third party beneficiaries of this Section 10.2 as it may apply to each of them respectively, that in the event of a termination of this Lease, each such Subtenant may continue to occupy its premises under its pre-existing Sublease and enjoy the rights granted to such Subtenant in such Sublease; provided such Subtenant shall then attorn to Lessor (to the extent that such Subtenant occupies any part of the Project) and, if such Subtenant's Sublease does not provide for such attornment (and such Subtenant occupies any part of the Project), such Subtenant, promptly after the termination of this Lease, provides Lessor with a written statement of such Subtenant whereby such Subtenant attorns to Lessor.

(b) In addition to the provisions of Section 10.2 (a) hereof, Lessor covenants and agrees with Lessee that Lessor will, at the request of Lessee made from time to time enter into a non-disturbance and attornment agreement with any Subtenant identified by Lessee, which non-disturbance and attornment agreement shall provide for all terms set forth in Section 10.2 (a) hereof and be in commercially reasonable form. Lessor shall

execute and deliver to Lessee such a non-disturbance and attornment agreement or specify in writing its objections thereto within ten (10) Business Days after receipt of the form thereof from Lessee, time being of the essence.

## **11. Leasehold Mortgage Financing.**

### **11.1 Rights to Leasehold Mortgage.**

(a) Notwithstanding any other provision of this Lease, Lessee shall at all times have the right to enter into or grant one or more Leasehold Mortgages. Lessee may encumber, pledge, grant, or convey its rights, title and interest under this Lease by way of a Leasehold Mortgage (or assignment) to secure payment of any loan or loans obtained by Lessee. Such Leasehold Mortgage may also encumber Lessee's right to purchase the Leased Premises and Lessee's interests in the Convention Center Annex.

(b) Lessee, and any Subtenant (to the extent permitted by Lessee), may grant security interests in or place liens upon any equipment or personal property (so long as such equipment or property is not a fixture integrated into the real property, which equipment or property could not be removed without permanent damage to the Leased Premises), without such interest or liens constituting a Disposition. Such equipment and personal property shall not be deemed to be "Improvements" under this Lease. During the Term, at the request of Lessee, Lessor will, within thirty (30) days of such a request, execute and deliver a landlord's waivers of liens (including customary terms such as restoration of the premises) to facilitate such security interests and liens upon such equipment and personal property, which landlord's waivers of liens shall be in a form and substance reasonably satisfactory to Lessee.

(c) Each Subtenant (to the extent permitted by Lessee), shall have the right at any time to encumber its sub-leasehold estate by a mortgage or other encumbrance or lien without the necessity of obtaining the consent of Lessor (so long as the deed of trust, mortgage or other primary security instrument creating such Subtenant's mortgage refers to this Section 11 by reference). At the request of Lessee (given by notice), Lessor shall treat a mortgagee of a Subtenant's sub-leasehold estate in the same manner that it treats a Leasehold Mortgagee as to notice rights and shall enter into a non-disturbance agreement with such Subtenant's mortgagee, which agreement shall be in a form and substance that is reasonably acceptable to such Subtenant's mortgagee.

### **11.2 Rights of Leasehold Mortgagee.**

(a) **Lessee's Acceptance.** Lessor agrees to accept performance and compliance by any Leasehold Mortgagee of and with any term, covenant, agreement, provision, or limitation on Lessee's part to be kept, observed, or performed by Lessee hereunder.

(b) **Cure of Default.** Following an Event of Default by Lessee, Lessor will take no action to terminate this Lease and/or the Term of this Lease, nor to re-enter and take possession of the Leased Premises or the Improvements therein (which Lessor, pursuant to the provisions of Section 12 does not have the right or power to seek), unless

it shall first give Leasehold Mortgagee notice after the occurrence of any such Event of Default and stating the intention of Lessor, on a date specified in such notice, to re-enter and take possession of the Leased Premises and the Improvements therein. Notwithstanding such notice, this Lease and the Term shall not be terminated nor shall Lessor re-enter and take possession of the Leased Premises or the Improvements therein, if:

(i) such Event of Default can be cured by the payment of a fixed monetary amount and Leasehold Mortgagee shall make such payment within ninety (90) days after the date such notice was given: or

(ii) such Event of Default can be cured with the exercise of reasonable diligence by Leasehold Mortgagee after obtaining possession of the Leased Premises and the Improvements, and Leasehold Mortgagee or Leasehold Mortgagee's designee, within one hundred eighty (180) days after the date of such notice, obtains the interest of Lessee in this Lease or Leasehold Mortgagee commences such proceedings (including, but not limited to, the filing of a petition for the appointment of a receiver) as it may deem necessary to obtain such possession (except that if Leasehold Mortgagee is precluded, notwithstanding the filing of a petition to the bankruptcy court for a waiver, from instituting or proceeding with such foreclosure by reason of a bankruptcy or insolvency proceeding filed by or against Lessee, said one hundred eighty (180) day period shall be extended by a period of time equal to the period during which leasehold Mortgagee is so precluded from instituting or proceeding with such foreclosure) and thereafter diligently prosecutes such action and promptly upon obtaining such possession (or promptly upon its designee obtaining such possession) thereupon promptly commences (or its designee commence); and thereafter diligently pursues, the curing of such Event of Default; or

(iii) such Event of Default is not capable of being cured by Leasehold Mortgagee, even if possession of the Leased Premises and the Improvements were obtained by Leasehold Mortgagee or its designee, and Leasehold Mortgagee, within one hundred eighty (180) days after the date such notice is given, either obtains title to all of Lessee's right, title and interest in and to this Lease (or Leasehold Mortgagee's designee obtains such interest) or publishes any required notice of foreclosure or institutes foreclosure proceedings, as the case maybe be, and thereafter proceeds with diligence to acquire (or have its designee acquire) the interest of Lessee in the Lease (except that if Leasehold Mortgagee is precluded from instituting or proceeding with such foreclosure by reason of a bankruptcy or insolvency proceeding filed by or against Lessee, said one hundred eighty (180) day period shall be extended by a period of time equal to the period during which Leasehold Mortgagee is so precluded from instituting or proceeding with such foreclosure), and such Event of Default, to the extent that the same shall have occurred prior to such acquisition of the interest of Lessee in this Lease by Leasehold Mortgagee or its designee, shall thereupon be deemed to have been waived.

(c) Lease Termination; New Lease:

(i) Lessor does not have the right to terminate this Lease in the event of an Event of Default by Lessee. However, if, for some reason, this Lease is terminated by Lessor prior to its stated expiration date, Lessor shall give Leasehold Mortgagee notice of such termination and shall enter into a new lease for the Leased Premises that is encumbered by such Leasehold Mortgagee's Leasehold Mortgage or, at the request of Leasehold Mortgagee, with an assignee, designee, or nominee of Leasehold Mortgagee for the remainder of the Term of this Lease effective as of the date of such termination, at the rate and upon the same covenants, terms, provisions and limitations as are herein contained, provided that:

(A) Leasehold Mortgagee makes written request upon Lessor for such new lease within one hundred eighty (180) days after the giving of such notice of termination and such written request is accompanied by payment to Lessor of all amounts then due to Lessor in connection with the Leased Premises and the Improvements that are encumbered by such Leasehold Mortgagee's Leasehold Mortgage of which Lessor shall have given Leasehold Mortgagee notice; and

(B) Leasehold Mortgagee pays or causes to be paid to Lessor at the time of the execution and delivery of such new lease any and all additional sums which would at the time of the execution and delivery thereof due under this Lease but for such termination and pays or causes to be paid any and all expenses, including reasonable attorneys' fees, court costs, and disbursements, incurred by Lessor concerning the Leased Premises and the Improvements in connection with any such termination or in connection with the execution and delivery of such new lease and any conveyance of title to the Leased Premises; and

(C) Leasehold Mortgagee agrees to cure, within sixty (60) days after the execution and delivery of such new lease, all uncured Events of Default of which Lessor shall have given Leasehold Mortgagee notice (except any Event of Default which is not capable of being cured by Leasehold Mortgagee, even if possession of the Leased Premises or the Improvements were obtained, to the extent that same shall have occurred prior to the execution and delivery of such new lease, shall be deemed to have been waived), or if any such Event of Default cannot be cured within such period, Leasehold Mortgagee agrees to commence, within such period, to cure such Event of Default and thereafter pursues the same with due diligence.

(ii) Any new lease made pursuant to this subsection 11.2 (c) shall (i) have the same relative priority in time and in right as this Lease, and (ii) have the benefit of all of the right, title, powers and privileges of Lessee hereunder in and to the Leased Premises and the Improvements. At Lessee's request, Lessor will enter into an agreement with Leasehold Mortgagee granting to Leasehold Mortgagee the rights set forth in this Section 11.2.

(d) Notice to Lessor and Leasehold Mortgagee. If Lessee shall furnish Lessor with a written notice setting forth the name and address of a Leasehold Mortgagee, Lessor shall thereafter send to such Leasehold Mortgagee a copy of any notice given to Lessee under this Lease, and no such notice shall be deemed to have been properly given unless and until a copy thereof shall have been sent to Leasehold Mortgagee at the address specified in such notice.

(e) Performance by Leasehold Mortgagee. No Leasehold Mortgagee shall have any liability for the performance of any of the covenants, conditions or obligations of Lessee under this Lease unless and until such time as Leasehold Mortgagee acquires title to the leasehold estate created by this Lease.

**11.3 Non-subordination.** Nothing contained in this Section 11, or in any other Section of this Lease shall be deemed to allow a subordination of Lessor's reversionary estate in any part or portion of the Leased Premises leased to Lessee. In no event will such subordination be made. Lessee and each Subtenant may mortgage only its leased or sub-leasehold interest in the Leased Premises. Further, nothing contained in this Section 11, or in any other Section of this Lease shall be deemed to allow a subordination of Fee Mortgagee's interests in the Leased Premises pursuant to the Fee Mortgage.

**11.4 Leasehold Mortgagee's Rights Agreements.** Lessor covenants and agrees with Lessee that Lessor, acting by and through the City Manager, will, at the request of Lessee made from time to time and at any time, enter into a lender's rights agreement with any Leasehold Mortgagee (or potential Leasehold Mortgagee) identified by Lessee, which lenders' rights agreement shall be consistent with the terms and provisions contained in this Section 11 that apply to Leasehold Mortgagees and Leasehold Mortgages. Within twenty (20) Business Days of Lessee's request for a Leasehold Mortgagee's rights agreement pursuant to the provisions of this Section 11.4, Lessor shall execute and deliver to Lessee such a lender's rights agreement benefiting the identified Leasehold Mortgagee (or potential Leasehold Mortgagee) and such Leasehold Mortgagee's Leasehold Mortgage (or potential Leasehold Mortgagee's potential Leasehold Mortgage), which executed Leasehold Mortgagee's rights agreement shall be commercially reasonable and in a form and substance that are reasonably acceptable to such Leasehold Mortgagee (or potential Leasehold Mortgagee) and that is consistent with, and at the option of such Leasehold Mortgagee (or potential Leasehold Mortgagee) incorporates, the terms and provisions of this Section 11 that apply to Leasehold Mortgagees and Leasehold Mortgages (such as the Leasehold Mortgagee notice provisions and the Leasehold Mortgagee cure rights provisions of this Section 11).

## **12. Defaults/Arbitration.**

**12.1 Events of Default by Lessee.** Each of the following shall constitute an Event of Default by Lessee:

(a) The filing by Lessee of a voluntary proceeding or the consent by Lessee to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights.

(b) The entering of an order for relief against Lessee or the appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Lessee in any involuntary proceeding, and the continuation of such order, judgment or decree unstayed for any period of ninety (90) consecutive days.

**12.2 Events of Default by Lessor.** Each of the following shall constitute an Event of Default by Lessor:

(a) The filing by Lessor of a voluntary proceeding or the consent by Lessor to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights.

(b) The entering of an order for relief against Lessor or appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Lessor in any involuntary proceeding, and the continuation of such order, judgment or decree unstayed for any period of ninety (90) consecutive days.

(c) The failure of Lessor to perform or to observe any material nonmonetary covenant, obligation or requirement of this Lease not specifically named as an Event of Default by Lessor in this Section 12.2, and the continuation of such failure for thirty (30) days after receipt of written notice from Lessee specifying the nature and extent of any such default, or if such default cannot reasonably be cured within such thirty (30) day period, the failure of Lessor to commence to cure such default within such thirty (30) day period and to diligently continue to pursue such effort to cure to completion.

Lessor shall not have the right to terminate this Lease and/or the Term of this Lease, nor to re-enter and take possession of the Leased Premises or the Improvements as a result of an Event of Default by Lessee. All remedies under this Lease shall be cumulative and not restrictive of other remedies (but not the right of termination), including without limitation, specific performance. The initiation of any remedy by Lessor or Lessee shall not constitute or be deemed an election of remedies by it and such Party may invoke two or more remedies hereunder concurrently or consecutively. No Party may seek or obtain an award of consequential or punitive damages against the other Party.

**12.4 Waiver.** Failure of Lessor or Lessee to exercise any right or remedy hereunder shall not impair any of its rights nor be deemed a waiver thereof and no waiver of any of its rights shall be deemed to apply to any other such rights, nor shall it be effective unless in writing and signed by the waiving Party.

**12.5 Attorney's Fees.** If either Lessor or Lessee brings suit or other legal proceedings or arbitration proceeding to enforce the provisions of this Lease against the other, then each Party in such suit or proceeding shall bear its own attorneys' fees and litigation and/or arbitration costs and expenses incurred by it in connection with such suit or proceeding.

**12.6 Arbitration.** In the event any dispute, controversy or claim between or among the Parties hereto arises under this Lease (a "**Dispute or Controversy**"), including a claim that an Event of Default has occurred, the Parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement. In the event a Dispute or Controversy arises, any Party hereto shall have the right to notify the other Party hereto that the notifying Party has elected to implement the procedures set forth in this Section 12.6. Within fifteen (15) days after delivery of any such notice by one Party to the other Party regarding a Dispute or Controversy, a representative of each of the Parties shall meet at a mutually agreed time and place to attempt, with diligence and good faith, to resolve and settle such Dispute or Controversy. Should a mutual resolution and settlement not be obtained within fifteen (15) days after the meeting of the Parties representatives for such purpose, or such longer period as the Parties may agree upon, then either Party may by notice to the other Party (the "**Arbitration Notice**") submit the Dispute or Controversy to arbitration in accordance with the provisions of this Section 12.6 and **Exhibit "B"** attached hereto (the "**Arbitration Procedures**"). The Arbitration Notice must comply with the Arbitration Procedures. Upon receipt of the Arbitration Notice, all Parties shall be compelled to arbitrate the Dispute or Controversy in accordance with the terms of this Section 12.6 and **Exhibit "B"** without regard to the justiciable character or nature of such Dispute or Controversy. Each Party hereto agrees that any Dispute or Controversy which is not resolved

pursuant to this Section shall be submitted to binding arbitration hereunder and shall be resolved exclusively and finally through such binding arbitration in accordance with the Arbitration Procedures (the "**Arbitration**"). acts or omissions as grounds for delay in its performance and (b) the absence of immediately available funds shall not be grounds for delay.

**15.2 Estoppel Certificates.** Lessor and Lessee, at any time and from time to time, upon not less than twenty (20) Business Days prior written notice from a Party hereto to the other Party hereto, or to a person designated by such Party, such as a tenant or a mortgagee or lender of Lessee, shall execute, acknowledge, and deliver to the Party requesting such statement, a statement in reasonably acceptable form to the requesting Party certifying, among other matters, (a) that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) stating whether or not, to the best of knowledge of the signer of such certificate, Lessor and Lessee are in breach and/or default in performance of any covenant, agreement, or condition contained in this Lease and, if so, other factual matters reasonably requested in such estoppel certificate concerning this Lease, the Leased Premises, the Improvements and/or the Economic Development Incentive Agreement, it being intended that any such statement delivered hereunder may be relied upon by the Party requesting such statement and/or any person not a party to this Lease (if such other person is identified at the time such certificate was requested).

**Arbitration Procedures**

B.1 In the event a Party, pursuant to the provisions of Section 12.6, has elected to provide the other Party with an Arbitration Notice, such Arbitration Notice shall include such Party's determinations of the applicable issues of the Dispute and Controversy subject to such Arbitration. In the event that the Arbitration Notice has been sent in accordance with the provisions hereof and the Lease, the Parties shall mutually agree, within fifteen (15) Business Days of the deemed delivery date of the Arbitration Notice to the appointment of a single arbitrator (the "Arbitrator") to handle the Arbitration. If the Parties are unable to mutually agree upon the Arbitrator within the fifteen (15) Business Days described above, any Party may request the American Arbitration Association to independently select, within thirty (30) Business Days after such Arbitration Notice, an Arbitrator who has the qualifications to serve as the single Arbitrator to resolve this Arbitration. The Arbitration must take place in Tarrant County and be conducted by an Arbitrator that has no conflict of interest.

B.2 Within fifteen (15) Business Days after the appointment of the Arbitrator, each Party shall supply the Arbitrator with such documents, materials or other evidence or written arguments as it or the Arbitrator desires, including such Party's proposed determinations of the applicable issues subject to such Arbitration. Each Party shall thereafter have an additional period of ten (10) Business Days to supply any rebuttal or other information it desires. The Arbitrator, in his/her sole discretion, may also request in writing, specific information and/or a hearing and shall alone otherwise determine the conduct of the Arbitration. Any information delivered or communicated during Arbitration by a Party shall be simultaneously delivered or communicated to (i) the other Party and (ii) the Arbitrator. The Arbitration shall be confidential, and the Parties shall maintain the confidential nature of the arbitration proceeding, arbitration hearing and award, except to the extent disclosure is required to regulators, to insurers, pursuant to an enforcement proceeding, or as otherwise required by applicable law.

B.3 The Arbitrator shall determine all matters necessary to resolve the dispute, including matters beyond the expertise of the Arbitrator. The Arbitrator shall be permitted to employ other professional advisors or experts as the Arbitrator deems reasonably necessary, at the expense of the Parties.

B.4 All costs and expenses of the Arbitrator or of any professional advisors or experts engaged by the Arbitrator in connection with an Arbitration shall be borne equally by the Parties, subject to reimbursement as set forth herein. Within forty-five (45) Business Days after the selection of an Arbitrator, the Arbitrator shall select one of the proposed determinations submitted by one of the Parties (and the Arbitrator shall not have the power to add to, modify, or change any of proposed determinations of the Parties). For purposes of this provision, the Party whose position is adopted by the Arbitrator will be deemed the prevailing Party. While each Party shall advance ½ of the costs and expenses of the Arbitrator or of any professional advisors or experts engaged by the Arbitrator in connection with the Arbitration, the prevailing Party will be reimbursed by the non-prevailing party the ½ of the costs and expenses referenced herein within 30 days of the Arbitrator's final decision. All other costs and expenses incurred by the Parties shall be borne by the Party incurring same.

B.5 The Parties agree to act in good faith with respect to any communication with the Arbitrator and the Arbitration process.

B.6 Time shall be of the essence with respect to these Arbitration Procedures, and the Parties shall take all reasonable actions necessary to cause any necessary Arbitration hearing to occur promptly, and the Arbitrator shall be directed to arbitrate the dispute and issue its decision as soon as reasonably practicable, but in no event later than forty-five (45) Business Days after the appointment of the Arbitrator.

B.7 The Arbitration shall not relieve any Party from any of its respective obligations under this Lease during the term of any such Arbitration (other than in respect of the subject matter of the dispute that is being arbitrated).

B.8 In the event of a dispute between one or more of the Parties concerning this Lease and the Economic Development Incentive Agreement, and one or more of the Parties have elected to resolve such dispute pursuant to the Arbitration Procedures contained herein or in the Economic Development Incentive Agreement, there shall only be one Arbitration proceeding concerning such dispute (and not separate proceedings under this Lease and the Economic Development Incentive Agreement or under any of the other leases executed pursuant to the terms of the Economic Development Incentive Agreement). If more than one Arbitration proceeding has been initiated, such proceedings shall be consolidated.

(b) The following apply to Lessee's Power of Attorney:

(i) Effect. The grant of any Lessee Power of Attorney shall, except to the extent of any limitations on the extent or exercise of the Lessee Power of Attorney expressly set forth in this Lease or other document by which such Lessee Power of Attorney is granted, conclusively constitute the designation of Lessee as the exclusive agent and attorney in fact of Lessor as REA Lot Owner, and the grant to Lessee of an exclusive power of attorney.

(ii) Irrevocable and perpetual. The Lessee Power of Attorney (A) shall conclusively be deemed to be coupled with an interest, and (B) except as otherwise expressly provided in (iii) below, shall be (x) irrevocable and (y) perpetual.

(iii) Termination. Any Lessee Power of Attorney shall conclusively be deemed to be effective for the entire Term of this Lease, except that any Lessee Power of Attorney shall automatically terminate upon the Expiration of such Term or any earlier termination of this Lease, including, but not limited to, termination as a result of Lessor's transfer of its rights, title and interest in the Leased Premises to Lessee.

(c) No Effect on Power to Convey a Unit or Amend Governing Documents. Except as may otherwise expressly provided in the terms of the REAs or an amendment thereto, a Lessee Power of Attorney:

(i) shall not include the power to sell, lease, convey, mortgage or otherwise encumber the fee simple reversion in and to the Leased Premises under this Lease, or the power to join in or consent to, on Lessor's behalf as REA Lot Owner under the REAs, any amendment to the REAs; and

(ii) shall not affect Lessor's right to convey the title to or any interest in the Leased Premises, or grant a mortgage thereon, but no such conveyance or mortgage shall alter the legal effect of any Lessee Power of Attorney granted pursuant to this Section 2.6 or any other Lessee Power of Attorney granted to Lessee by Lessor, and except as Lessee may otherwise agree, expressly and in writing, any Lessee Power of Attorney shall remain in full force and effect on its own terms notwithstanding such conveyance, and shall bind Lessor's heirs, personal representatives, successors, and assigns. Notwithstanding the immediately preceding sentence, such heirs, personal representatives, successors and assigns shall, promptly upon notice from Lessee requesting such action, provide such further written assurances of the continued effect of the Lessee Power of Attorney as Lessee may reasonably request in such notice.

(d) Persons Exercising. Lessee, as holder of a Lessee Power of Attorney, may permit its rights, powers and duties thereunder to be exercised and performed on its behalf by its officers, directors, employees and agents. A Lessee Power of Attorney may be transferred, pledged or collaterally assigned by Lessee as a part of a loan transaction.

## **2.7 Lessee Proxy under the CC&Rs.**

(a) Lessor, its successors and assigns hereby grant Lessee a proxy to (i) cast all of Lessor's votes as CC&R Lot Owner at any meetings of CC&R Owners, and (ii) exercise, as Lessor's agent and attorney in fact, Lessor's right to give or withhold Lessor's approval or consent in connection with (1) any decision to be taken by the Owners or without the holding of a meeting, or (2) any other consent or action to be given, withheld or taken by Lessor or in its capacity as CC&R Lot Owner. The Lessee Proxy (i) shall collectively constitute a proxy for purposes of the CC&Rs, (ii) shall conclusively be deemed to be coupled with an interest, and (iii) except as otherwise expressly provided in this Lease or in a separate document signed by Lessor and Lessee, shall be (1) irrevocable and (2) perpetual until the Expiration or earlier termination of this Lease. Notwithstanding anything to the contrary, the Lessee Proxy shall conclusively be deemed to be effective for the entire Term of this Lease, except that the Lessee Proxy shall automatically terminate upon the Expiration of such Term or any earlier termination of this Lease, including, but not limited to, termination as a result of Lessor's transfer of its rights, title and interest in the Leased Premises to Lessee. While Lessee holds the Lessee Proxy, the CC&R Owners shall deal exclusively with Lessee on matters concerning the casting of votes or the giving of consent by the CC&R Owners under the terms Section 4 of the CC&Rs.

(b) Lessee may permit the Lessee Proxy to be exercised on its behalf by its officers, directors, employees or agents. A Lessee Proxy may be transferred, pledged or collaterally assigned by Lessee as a part of a loan transaction.

(c) Nothing in this Section 2.7 shall affect Lessor's right to convey the title to or any interest in the Leased Premises, but no such conveyance shall affect the legal effect of the Lessee Proxy granted by Lessor, and except as Lessee may otherwise have agreed, expressly and in writing, the Lessee Proxy shall remain in full force and effect notwithstanding such conveyance, and shall bind the heirs, personal representatives, successors and assigns of Lessor. Notwithstanding the immediately preceding sentence, such heirs, personal representatives, successors and assigns shall, promptly upon notice from Lessee requesting such action, provide such further written assurances of the continued effect of the Lessee Proxy as Lessee may reasonably request in such notice.

**2.8 Quiet Enjoyment.** Lessor covenants and agrees that Lessee, while paying the Rent and other sums payable under this Lease and performing its other covenants and agreements herein set forth, shall peaceably and quietly have, hold and enjoy the Leased Premises for the full Term without hindrance or molestation from Lessor or any other Person claiming by, through or under Lessor, subject to the terms, conditions and provisions of this Lease, and to the Encumbrances. Lessor shall not, without the prior approval of Lessee, which approval Lessee may withhold in its sole and subjective discretion, encumber the Leased Premises with any easements, mortgages, liens or other encumbrances. Lessor agrees, at Lessee's sole cost and expense, to cooperate reasonably with Lessee in connection with any renewal, extension, amendment, modification, supplement or refinancing of the Fee Mortgage that Lessee may propose to undertake in the future. Such cooperation shall include the execution and delivery of such documents and instruments and the taking of such actions as Lessee or Fee Mortgagee may reasonably request; provided in no event shall Lessor be obligated to assume, or agree to perform, any obligations under the Fee Mortgage or in respect of the indebtedness secured thereby (other than non-recourse obligations relating solely to the Hotel Lot, or Lessor's ownership thereof, for which Lessor would have no personal liability), and **Lessee shall defend, indemnify and hold Lessor harmless from and against any and all claims and demands of Fee Mortgagee with respect to the Leased Premises, the Fee Mortgage and the indebtedness secured thereby, including any costs Lessor may incur as a result of being named a defendant in any legal action Fee Mortgagee undertakes to enforce its rights and remedies relating to the Fee Mortgage.**

**2.9 Recordation.** Lessee shall have the right to record this Lease, and/or a memorandum of same prepared by Lessee (which Lessor covenants to execute and deliver in recordable form within ten (10) days of Lessee's request therefor) among the Land Records.

**2.10 Licenses and Permits.** Whenever requested by Lessee, Lessor, at no cost to Lessor, shall execute and deliver to Lessee, in its capacity as fee owner of the Leased Premises, within ten (10) Business Days of Lessee's request therefore, subdivision plats, permit applications, building permit applications, liquor license applications, zoning and use related applications and any other type of application, for or concerning the Leased Premises and/or the development, construction, reconstruction and/or operation of the Hotel Project.

3. **Rent.** Commencing on the Commencement Date and continuing thereafter throughout the remainder of the Term, Lessee shall pay to Lessor annually the sum of Ten and 00/100 Dollars (the "**Rent**") payable on or before the ninetieth (90th) day following the each anniversary of the Commencement Date.

4. **Impositions.**

4.1 From and after the Commencement Date, Lessee shall pay all Impositions that accrue and are payable for any part of the period that commences on the Commencement Date and ends on the Expiration or earlier termination of this Lease before same are past due. Lessee shall provide Lessor with reasonable evidence of each such payment. Lessor shall promptly provide Lessee with a copy of all bills for Impositions that it receives.

4.2 **Contests.** Lessee may, at its expense, contest any of the Impositions. Lessee shall hold Lessor harmless from all costs, expenses, claims, losses or damages by reason of, in connection with, on account of, arising or growing out of or resulting from any such contest. Such hold harmless agreement shall expressly survive the Expiration or earlier termination of the Lease. Upon request by Lessee, Lessor shall execute in its capacity as fee owner and promptly deliver to Lessee any documents or pleadings associated with such contest that Lessee may reasonably request.

4.3 **Assessed Valuation.** Lessee shall have the right, at any time, and from time to time, to attempt to obtain a lowering of the assessed valuation of the Leased Premises, for any year for the purpose of reducing Impositions thereon. In such event, Lessor, upon request of any Lessee, Lessor shall execute in its capacity as fee owner and promptly deliver to Lessee any documents or pleadings associated with Lessee's attempt to the extent Lessee reasonably determines such participation by Lessor is necessary in order to pursue a lowering of the assessed valuation. Lessee shall be authorized to collect any Impositions from any period prior to the Commencement Date payable as a result of any proceeding Lessee may institute for that purpose and any such refund shall be deemed revenue of Lessee in the year in which it is received.

5. **Improvements.**

5.1 (a) Improvements. Lessee (in its capacity Owner of the Hotel Unit) shall have the right, from time to time and at any time, to construct, renovate, alter, modify, expand, reduce and demolish Improvements, so long as Lessee does not take or fail to take any action that could reasonably be expected to have a material adverse effect on the structural integrity of any public facilities now located within the Leased Premises, and Lessee does not violate, in its capacity as a user, the requirements of any easement use agreement to which the City is a party that may be applicable to any portion of the Leased Premises (so long as such easement use agreement is in effect). During the first thirty (30) years of the Term any construction, alteration, modification, expansion, reduction or demolition of the Improvements by Lessee will not result in a material reduction of the value of the Hotel Project as the same existed prior to such construction, alteration, modification, expansion, reduction or demolition. Notwithstanding the above, a Leasehold Mortgagee or Lienholder and any person or entity that acquires title to

Lessee's interest in the Leased Premises as a result of a foreclosure sale, deed in lieu of foreclosure or other similar transaction, and their respective successors and assigns, shall not be obligated to comply with the provisions of the immediately preceding sentence. The Improvements are not owned by Lessor, but rather are owned by Lessee in its capacity as Owner of the Hotel Unit or by the Association under the Condominium Declaration.

(b) **No Substitute for Permitting Processes or other Governmental Functions.** Nothing in this Lease, including, without limitation, the review for compliance, approval or consent by Lessor of or to any matter submitted to Lessor pursuant to this Lease shall constitute a replacement or substitute for, or otherwise excuse Lessee from, (a) all permitting processes of Governmental Authorities applicable to the Improvements, or (b) any Governmental Functions of the City. Nothing in this Lease shall be deemed to be a waiver, assignment or an abdication by the City of its Governmental Functions, in whole or in part.

5.2 **Tax Benefits.** Lessor acknowledges that Lessee may claim any income tax benefit and burden that may be available to it under the Internal Revenue Code of 1986, as amended, as a result of its participation in the Hotel Project, including all depreciation for all Improvements located within the Leased Premises.

5.3 **Termination or Expiration of Lease.** Upon the Expiration or earlier termination of this Lease, whether by lapse of time or otherwise, Lessee shall vacate and surrender the Leased Premises together with any permanently affixed improvements then existing on the Leased Premises.

5.4 **No Lessor's Lien.** Lessor hereby waives any landlord's lien Lessor has or ever may have.

## 6. **Acceptance and Use.**

6.1 **Acceptance.** Lessee has leased the Leased Premises from Lessor in an "as-is" condition.

6.2 **Use.** Lessee shall have the right to use the Leased Premises for any lawful use. It is the intent of Lessee to operate and maintain the Leased Premises as a full service hotel, comparable to the manner that at least one hotel is operated and maintained under one of the hotel trade names listed on the "Upper Upscale" category of the then current STR Chain Scales published by STR, Inc. for a period of thirty (30) years, commencing on the date of Initial Occupancy (as that term is defined in the Economic Development Incentive Agreement). If STR, Inc. ceases to publish an "Upper Upscale" category list or ceases to publish the STR Chain Scales, the last such published STR Chain Scales that contains an "Upper Upscale" category list shall be deemed the "then current STR Chain Scales".

## 7. **Damage or Destruction.**

7.1 **Obligation to Reconstruct.** In the event of damage or destruction to the Improvements during the thirty (30) year period that commences on the date the Hotel Project

initially opens for business to the public, Lessee shall cause the full repair or restoration of the Improvements (exclusive of Third Party Tenant Improvements (as that term is defined in the Economic Development Incentive Agreement), as the same existed at the time of such damage or destruction (as the same may be modified by Lessee at the time of such repair or restoration, provided that such modification is of equal or greater value), whether done by application of insurance proceeds or other financial means. On or after the expiration of such thirty (30) year period, in the event the Improvements are damaged by fire or other casualty, Lessee shall have the right to determine whether, and to what extent the Improvements should be restored or replaced. Notwithstanding the above, a Mortgagee and any person or entity that acquires title to the Improvements as a result of a foreclosure sale, deed in lieu of foreclosure or other similar transaction, and their respective successors and assigns, shall not be obligated to comply with the provisions of this Section 7.

## **8. Condemnation.**

**8.1 General.** If, at any time during the Term, the Leased Premises, the Improvements or any part thereof shall be condemned and taken by the United States of America, the State or any other authority or Person having the power of eminent domain, then the provisions of this Section 8 shall apply to such condemnation proceedings and the distribution of any awards pertaining thereto.

**8.2 Entire Leased Premises Taken by Eminent Domain/Partial Taking Resulting in Termination.** If the fee simple title in, or permanent possession of, all of the Leased Premises is taken by a governmental or other authority under the power of eminent domain, then this Lease shall terminate as of the taking date, and any Rent shall be prorated and paid by Lessee to the date of such taking. In the event that less than all of the Leased Premises is taken by a governmental or the authority under the power of eminent domain and if reconstruction of the Hotel Project is not feasible, or if the Hotel Project remaining after such taking is no longer economically viable, in each case as determined by Lessee in its sole and absolute discretion within one year after the date of the taking, then this Lease, at the election of Lessee, shall terminate as to the Leased Premises not so taken as of the date of such taking. The condemnation award shall be promptly paid as follows, in the following order of priorities:

(a) There shall be paid all expenses, if any, including reasonable attorney's fees, incurred by Lessor and Lessee in such condemnation suit or conveyance (except that nothing contained in this Section shall require payment to Lessor of costs and expenses it may incur in the event that Lessor is the condemning authority); and

(b) The balance, if any, remaining shall be applied and distributed to the payment of any indebtedness secured by the Fee Mortgage or any Leasehold Mortgages, to the extent that the Fee Mortgage or any Leasehold Mortgages require such payments; and

(c) The balance, if any, shall be applied and distributed to pay each Subtenant any amount of which such Subtenant is entitled for its leasehold improvements, and the value of such Subtenant's leasehold interest, but only to the extent required in such Subtenant's lease; and

(d) The balance, if any, shall be applied and distributed to Lessee up to the amount of the value of the Improvements, as reasonably determined by Lessee; and

(e) The balance, if any, shall be divided and paid fifty percent (50%) to Lessee and fifty percent (50%) to Lessor, provided, however, if the condemning authority is Lessor, the entire balance shall be paid to Lessee.

**8.3 Partial Taking of Leased Premises by Condemnation.** In the event that less than all of the Leased Premises (or only an interest therein) is taken for any public use or purpose by the exercise of the power of eminent domain, or shall be conveyed by the Parties acting jointly to avoid proceedings of such taking, then, subject to the exceptions expressly set forth in Section 8.2 above: (i) this Lease and all the covenants, conditions, and provisions hereunder shall be and remain in full force and effect as to all of the Leased Premises not so taken or conveyed, and (ii) Lessee shall remodel, repair, and restore the Improvements to such condition as Lessee determines in its sole and absolute discretion to be appropriate, taking into consideration the fact of the condemnation.

The condemnation award shall be promptly paid as follows, in the following order of priorities:

(a) There shall be paid all expenses, if any, including reasonable attorneys' fees, incurred by each Party in such condemnation suit or conveyance (except that nothing contained in this Section shall require payment of Lessor of costs and expenses it may incur in the event that Lessor is the condemning authority); and

(b) The balance, if any, remaining shall be applied and distributed to the payment of any indebtedness secured by the Fee Mortgage or any Leasehold Mortgages, to the extent that the Fee Mortgage or any Leasehold Mortgages require such payments; and

(c) The balance, if any, remaining shall be applied and distributed to pay each Subtenant whose space is taken any amount to which such Subtenant is entitled for its leasehold improvements and the value of such Subtenant's leasehold interest, but only to the extent required in such Subtenant's lease; and

(d) There shall be paid to Lessee out of the balance, if any, remaining, the amount required to enable Lessee to remodel, repair, and restore any Improvements to such condition as Lessee determines in its sole and absolute discretion to be appropriate, taking into consideration the fact of the condemnation; and

(e) The balance, if any, shall be applied and distributed to Lessee up to the amount of the value of the Improvements taken, as reasonably determined by Lessee; and

(f) The balance, if any, shall be divided and paid over fifty percent (50%) to Lessee and fifty percent (50%) to Lessor, provided, however, if the condemning authority is Lessor, the entire balance shall be paid to Lessee.

**8.4 Temporary Taking.** Notwithstanding the terms of Sections 8.2 and 8.3, if the whole or any part of the Leased Premises or the Improvements or of Lessee's interest in this Lease shall be taken in condemnation proceedings or by any right of eminent domain for a temporary use or occupancy, the Term shall not be reduced or affected in any way and Lessee shall continue to pay in full the Rent without reduction or abatement in the manner and at the times herein specified. Except only to the extent that Lessee is prevented from so doing pursuant to the terms of any order of the condemning authority, Lessee shall continue to perform and observe all of the other covenants, agreements, terms and provisions of this Lease as though such taking had not occurred.

**8.5 Condemnation Proceedings.** Lessee, Lessor, Fee Mortgagee and Leasehold Mortgagee shall each have the right, as its own expense, to appear in any condemnation proceeding and to participate in any and all hearings, trials and appeals therein.

**8.6 Notice of Condemnation.** In the event Lessor or Lessee shall receive notification of any proposed or pending condemnation proceeding affecting the Leased Premises or the Improvements, the Party receiving such notification shall promptly notify, by Notice, the other Party. Notwithstanding anything to the contrary contained in this Lease in the event that this Lease is terminated as a result of all or part of the Leased Premises being condemned, Lessee shall either restore and rebuild the Improvements, or secure and raze the Leased Premises to ground level, at Lessor's election.

## **9. Assignments.**

**9.1 Disposition Prior to Third Anniversary of Initial Occupancy.** Lessee represents and agrees for itself and any successor in interest that, except for Dispositions to an Alternative Hotel Developer (which does not require the consent of Lessor), Lessee will not, prior to the third (3rd) anniversary of the Initial Occupancy, make or create, or suffer to be made or created, any Disposition, without the prior written approval of Lessor, acting by and through the City Representative (as that term is defined in the Economic Development Incentive Agreement), which approval shall not be unreasonably withheld. In the event that, pursuant to the provisions of Section 9.1 of this Lease, the approval of Lessor is required for a Disposition and a request for Lessor approval of a Disposition is made, Lessor, acting by and through the City Representative, shall, by notice to Lessee, approve or deny such request for approval within thirty (30) Business Days of Lessor's receipt of such request, time being of the essence. In the event of a Disposition to an Alternative Hotel Developer, promptly after such Disposition, Lessee shall provide Lessor with notice thereof and the transferee thereof shall deliver to Lessor a written instrument, benefiting Lessor and executed by the transferee, assuming Lessee's obligations under this Lease.

**9.2 Disposition On or After Third Anniversary of Initial Occupancy.** On or any time after the third (3rd) anniversary of the Initial Occupancy, Lessee may, without the need to request or obtain the consent of Lessor, make or create, or suffer to be made or created, any Disposition, provided that the counterparty to such Disposition (and/or a direct or indirect affiliate) is an Alternative Hotel Developer. In the event such counterparty (and/or a direct or indirect affiliate) does not satisfy any of the above, such Disposition shall require the prior written approval of Lessor, acting by and through the City Representative, which approval shall

not be unreasonably withheld and which approval shall be granted or withheld within thirty (30) Business Days of Lessor's receipt of such request, time being of the essence. Notwithstanding the above, on or any time after the fifteenth (15th) anniversary of the date Substantial Completion of the Hotel Project is achieved Lessee may, without the need to request or obtain the consent of Lessor, make or create, or suffer to be made or created, a Disposition. On or after the completion of any Disposition pursuant to this Section 9.2, the transferee shall deliver to Lessor a written instrument, benefiting Lessor and executed by Lessee and the transferee, whereby Lessee's rights and obligations under this Lease are assigned to and assumed by such transferee.

**9.3 Permitted Disposition to Subtenants.** Notwithstanding anything in Sections 9.1, 9.2 or other sections of this Lease to the contrary, Lessee may enter into Subleases or other contractual agreements with Subtenants for all or any part of the Hotel Project, at any time and from time to time from and after the Commencement Date and during the Term, with such Subtenants and upon such terms and conditions as Lessee shall, in its sole discretion, deem fit and proper consistent with the other provisions of this Lease.

**9.4 Liability.** In the event of a Disposition of all of the interest of Lessee concerning the Hotel Project pursuant to and in compliance with the provisions of Section 9.1 or 9.2 hereof, Lessee shall be relieved of all further liability arising hereunder with respect to the Hotel Project except for defaults of Lessee under this Lease that arose before such Disposition which remain uncured.

**9.5 Obligations of Subtenants of Lessor.** Subtenants or other permitted occupants are not successors or assignees of Lessee's obligations to Lessor merely by being a Subtenant or an occupant of the Hotel Project.

## **10. Subleases.**

**10.1 Right to enter into Subleases.** Throughout the Term, Lessee shall have the right, without the need to request or obtain the consent of Lessor, to sublet or sublease portions of the Leased Premises at any time and from time to time. Each Sublease shall be subject and subordinate to this Lease.

## **10.2 Non-disturbance and Attornment.**

(a) Lessor covenants and agrees with Lessee for the benefit of each and every Subtenant from time to time occupying any part of the Hotel Project or having rights granted to it by Lessee with regard to the Hotel Project, which Subtenants shall be third party beneficiaries of this Section 10.2 as it may apply to each of them respectively, that in the event of a termination of this Lease, each such Subtenant may continue to occupy its premises under its pre-existing Sublease and enjoy the rights granted to such Subtenant in such Sublease; provided such Subtenant shall then attorn to Lessor (to the extent that such Subtenant occupies any part of the Hotel Project) and, if such Subtenant's Sublease does not provide for such attornment (and such Subtenant occupies any part of the Hotel Project), such Subtenant, promptly after the termination of this

Lease, provides Lessor with a written statement of such Subtenant whereby such Subtenant attorns to Lessor.

(b) In addition to the provisions of Section 10.2 (a) hereof, Lessor covenants and agrees with Lessee that Lessor will, at the request of Lessee made from time to time enter into a non-disturbance and attornment agreement with any Subtenant identified by Lessee, which non-disturbance and attornment agreement shall provide for all terms set forth in Section 10.2 (a) hereof and be in commercially reasonable form. Lessor shall execute and deliver to Lessee such a non-disturbance and attornment agreement or specify in writing its objections thereto within ten (10) Business Days after receipt of the form thereof from Lessee, time being of the essence.

## **11. Leasehold Mortgage Financing.**

### **11.1 Rights to Leasehold Mortgage.**

(a) Notwithstanding any other provision of this Lease, Lessee shall at all times have the right to enter into or grant one or more Leasehold Mortgages. Lessee may encumber, pledge, grant, or convey its rights, title and interest under this Lease by way of a Leasehold Mortgage (or assignment) to secure payment of any loan or loans obtained by Lessee. Such Leasehold Mortgage may also encumber Lessee's right to purchase the Leased Premises.

(b) Lessee, and any Subtenant (to the extent permitted by Lessee), may grant security interests in or place liens upon any equipment or personal property (so long as such equipment or property is not a fixture integrated into the real property, which equipment or property could not be removed without permanent damage to the Leased Premises), without such interest or liens constituting a Disposition. Such equipment and personal property shall not be deemed to be "Improvements" under this Lease. During the Term, at the request of Lessee, Lessor will, within thirty (30) days of such a request, execute and deliver a landlord's waivers of liens (including customary terms such as restoration of the premises) to facilitate such security interests and liens upon such equipment and personal property, which landlord's waivers of liens shall be in a form and substance reasonably satisfactory to Lessee.

(c) Each Subtenant (to the extent permitted by Lessee), shall have the right at any time to encumber its sub-leasehold estate by a mortgage or other encumbrance or lien without the necessity of obtaining the consent of Lessor (so long as the deed of trust, mortgage or other primary security instrument creating such Subtenant's mortgage refers to this Section 11 by reference). At the request of Lessee (given by notice), Lessor shall treat a mortgagee of a Subtenant's sub-leasehold estate in the same manner that it treats a Leasehold Mortgagee as to notice rights and shall enter into a non-disturbance agreement with such Subtenant's mortgagee, which agreement shall be in a form and substance that is reasonably acceptable to such Subtenant's mortgagee.

### **11.2 Rights of Leasehold Mortgagee.**

(a) **Lessee's Acceptance.** Lessor agrees to accept performance and compliance by any Leasehold Mortgagee of and with any term, covenant, agreement, provision, or limitation on Lessee's part to be kept, observed, or performed by Lessee hereunder.

(b) **Cure of Default.** Following an Event of Default by Lessee, Lessor will take no action to terminate this Lease and/or the Term of this Lease, nor to re-enter and take possession of the Leased Premises (which Lessor, pursuant to the provisions of Section 12 does not have the right or power to seek), unless it shall first give Leasehold Mortgagee notice after the occurrence of any such Event of Default and stating the intention of Lessor, on a date specified in such notice, to re-enter and take possession of the Leased Premises. Notwithstanding such notice, this Lease and the Term shall not be terminated nor shall Lessor re-enter and take possession of the Leased Premises, if:

(i) such Event of Default can be cured by the payment of a fixed monetary amount and Leasehold Mortgagee shall make such payment within ninety (90) days after the date such notice was given: or

(ii) such Event of Default can be cured with the exercise of reasonable diligence by Leasehold Mortgagee after obtaining possession of the Leased Premises, and Leasehold Mortgagee or Leasehold Mortgagee's designee, within one hundred eighty (180) days after the date of such notice, obtains the interest of Lessee in this Lease or Leasehold Mortgagee commences such proceedings (including, but not limited to, the filing of a petition for the appointment of a receiver) as it may deem necessary to obtain such possession (except that if Leasehold Mortgagee is precluded, notwithstanding the filing of a petition to the bankruptcy court for a waiver, from instituting or proceeding with such foreclosure by reason of a bankruptcy or insolvency proceeding filed by or against Lessee, said one hundred eighty (180) day period shall be extended by a period of time equal to the period during which leasehold Mortgagee is so precluded from instituting or proceeding with such foreclosure) and thereafter diligently prosecutes such action and promptly upon obtaining such possession (or promptly upon its designee obtaining such possession) thereupon promptly commences (or its designee commence); and thereafter diligently pursues, the curing of such Event of Default; or

(iii) such Event of Default is not capable of being cured by Leasehold Mortgagee, even if possession of the Leased Premises were obtained by Leasehold Mortgagee or its designee, and Leasehold Mortgagee, within one hundred eighty (180) days after the date such notice is given, either obtains title to all of Lessee's right, title and interest in and to this Lease (or Leasehold Mortgagee's designee obtains such interest) or publishes any required notice of foreclosure or institutes foreclosure proceedings, as the case maybe be, and thereafter proceeds with diligence to acquire (or have its designee acquire) the interest of Lessee in the Lease (except that if Leasehold Mortgagee is precluded from instituting or proceeding with such foreclosure by reason of a bankruptcy or insolvency proceeding filed by or against Lessee, said one hundred eighty (180)

day period shall be extended by a period of time equal to the period during which Leasehold Mortgagee is so precluded from instituting or proceeding with such foreclosure), and such Event of Default, to the extent that the same shall have occurred prior to such acquisition of the interest of Lessee in this Lease by Leasehold Mortgagee or its designee, shall thereupon be deemed to have been waived.

**(c) Lease Termination; New Lease.**

(i) Lessor does not have the right to terminate this Lease in the event of an Event of Default by Lessee. However, if, for some reason, this Lease is terminated by Lessor prior to its stated expiration date, Lessor shall give Leasehold Mortgagee notice of such termination and shall enter into a new lease for the Leased Premises that is encumbered by such Leasehold Mortgagee's Leasehold Mortgage or, at the request of Leasehold Mortgagee, with an assignee, designee, or nominee of Leasehold Mortgagee for the remainder of the Term of this Lease effective as of the date of such termination, at the rate and upon the same covenants, terms, provisions and limitations as are herein contained, provided that:

(A) Leasehold Mortgagee makes written request upon Lessor for such new lease within one hundred eighty (180) days after the giving of such notice of termination and such written request is accompanied by payment to Lessor of all amounts then due to Lessor in connection with the Leased Premises that is encumbered by such Leasehold Mortgagee's Leasehold Mortgage of which Lessor shall have given Leasehold Mortgagee notice; and

(B) Leasehold Mortgagee pays or causes to be paid to Lessor at the time of the execution and delivery of such new lease any and all additional sums which would at the time of the execution and delivery thereof due under this Lease but for such termination and pays or causes to be paid any and all expenses, including reasonable attorneys' fees, court costs, and disbursements, incurred by Lessor concerning the Leased Premises in connection with any such termination or in connection with the execution and delivery of such new lease and any conveyance of title to the Leased Premises; and

(C) Leasehold Mortgagee agrees to cure, within sixty (60) days after the execution and delivery of such new lease, all uncured Events of Default of which Lessor shall have given Leasehold Mortgagee notice (except any Event of Default which is not capable of being cured by Leasehold Mortgagee, even if possession of the Leased Premises, to the extent that same shall have occurred prior to the execution and delivery of such new lease, shall be deemed to have been waived), or if any such Event of Default cannot be cured within such period, Leasehold

Mortgagee agrees to commence, within such period, to cure such Event of Default and thereafter pursues the same with due diligence.

(ii) Any new lease made pursuant to this subsection 11.2 (c) shall (i) have the same relative priority in time and in right as this Lease, and (ii) have the benefit of all of the right, title, powers and privileges of Lessee hereunder in and to the Leased Premises. At Lessee's request, Lessor will enter into an agreement with Leasehold Mortgagee granting to Leasehold Mortgagee the rights set forth in this Section 11.2.

(d) **Notice to Lessor and Leasehold Mortgagee.** If Lessee shall furnish Lessor with a written notice setting forth the name and address of a Leasehold Mortgagee, Lessor shall thereafter send to such Leasehold Mortgagee a copy of any notice given to Lessee under this Lease, and no such notice shall be deemed to have been properly given unless and until a copy thereof shall have been sent to Leasehold Mortgagee at the address specified in such notice.

(e) **Performance by Leasehold Mortgagee.** No Leasehold Mortgagee shall have any liability for the performance of any of the covenants, conditions or obligations of Lessee under this Lease unless and until such time as Leasehold Mortgagee acquires title to the leasehold estate created by this Lease.

**11.3 Non-subordination.** Nothing contained in this Section 11, or in any other Section of this Lease shall be deemed to allow a subordination of Lessor's reversionary estate in any part or portion of the Leased Premises leased to Lessee. In no event will such subordination be made. Lessee and each Subtenant may mortgage only its leased or sub-leasehold interest in the Leased Premises. Further, nothing contained in this Section 11, or in any other Section of this Lease shall be deemed to allow a subordination of Fee Mortgagee's interests in the Leased Premises pursuant to the Fee Mortgage.

Within twenty (20) Business Days of Lessee's request for a Leasehold Mortgagee's rights agreement pursuant to the provisions of this Section 11.4, Lessor shall execute and deliver to Lessee such a lender's rights agreement benefiting the identified Leasehold Mortgagee (or potential Leasehold Mortgagee) and such Leasehold Mortgagee's Leasehold Mortgage (or potential Leasehold Mortgagee's potential Leasehold Mortgage), which executed Leasehold Mortgagee's rights agreement shall be commercially reasonable and in a form and substance that are reasonably acceptable to such Leasehold Mortgagee (or potential Leasehold Mortgagee) and that is consistent with, and at the option of such Leasehold Mortgagee (or potential Leasehold Mortgagee) incorporates, the terms and provisions of this Section 11 that apply to Leasehold Mortgagees and Leasehold Mortgages (such as the Leasehold Mortgagee notice provisions and the Leasehold Mortgagee cure rights provisions of this Section 11).

## **12. Defaults/Arbitration.**

**12.1 Events of Default by Lessee.** Each of the following shall constitute an Event of Default by Lessee:

(a) The filing by Lessee of a voluntary proceeding or the consent by Lessee to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights.

(b) The entering of an order for relief against Lessee or the appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Lessee in any involuntary proceeding, and the continuation of such order, judgment or decree unstayed for any period of ninety (90) consecutive days.

(c) The failure of Lessee to perform or to observe any material covenant, obligation or requirement of Lessee arising under this Lease not specifically named as an Event of Default in this Section 12.1, and the continuation of such failure for thirty (30) days after receipt of written notice from Lessor specifying the nature and extent of such failure, or if such failure cannot reasonably be cured within such thirty (30) day period, the failure of Lessee to commence to cure such failure within such thirty (30) day period and to diligently pursue same to completion.

**12.2 Events of Default by Lessor.** Each of the following shall constitute an Event of Default by Lessor:

(a) The filing by Lessor of a voluntary proceeding or the consent by Lessor to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights.

(b) The entering of an order for relief against Lessor or appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Lessor in any involuntary proceeding, and the continuation of such order, judgment or decree unstayed for any period of ninety (90) consecutive days.

(c) The failure of Lessor to perform or to observe any material nonmonetary covenant, obligation or requirement of this Lease not specifically named as an Event of Default by Lessor in this Section 12.2, and the continuation of such failure for thirty (30) days after receipt of written notice from Lessee specifying the nature and extent of any such default, or if such default cannot reasonably be cured within such thirty (30) day period, the failure of Lessor to commence to cure such default within such thirty (30) day period and to diligently continue to pursue such effort to cure to completion.

(d) The failure of Lessor to execute and deliver any document, agreement or instrument (such as a non-disturbance, attornment and subordination agreement with a Subtenant, any estoppel certificate, any permit application, any subdivision plan, any agreement with any Leasehold Mortgagee or Subtenant, any deed, lease or lease amendment) requested by Lessee and required to be given by Lessor in accordance with

the provisions of this Lease and the continuation of such failure for twenty (20) days after written notice from Lessee specifying the nature and extent of such failure.

**12.3 Remedies.** Should an Event of Default by Lessee occur hereunder, Lessor may, by written notice to Lessee, initiate the procedures contained in Section 12.6. Should an Event of Default by Lessor occur hereunder, Lessee may, by written notice to Lessor, initiate the procedures contained in Section 12.6. This Lease may not be terminated by Lessee or Lessor as a result of the occurrence of an Event of Default by the other Party hereunder. Lessor shall not have the right to terminate this Lease and/or the Term of this Lease, nor to re-enter and take possession of the Leased Premises as a result of an Event of Default by Lessee. All remedies under this Lease shall be cumulative and not restrictive of other remedies (but not the right of termination), including without limitation, specific performance. The initiation of any remedy by Lessor or Lessee shall not constitute or be deemed an election of remedies by it and such Party may invoke two or more remedies hereunder concurrently or consecutively. No Party may seek or obtain an award of consequential or punitive damages against the other Party.

**12.4 Waiver.** Failure of Lessor or Lessee to exercise any right or remedy hereunder shall not impair any of its rights nor be deemed a waiver thereof and no waiver of any of its rights shall be deemed to apply to any other such rights, nor shall it be effective unless in writing and signed by the waiving Party.

**12.5 Attorney's Fees.** If either Lessor or Lessee brings suit or other legal proceedings or arbitration proceeding to enforce the provisions of this Lease against the other, then each Party in such suit or proceeding shall bear its own attorneys' fees and litigation and/or arbitration costs and expenses incurred by it in connection with such suit or proceeding.

**12.6 Arbitration.** In the event any dispute, controversy or claim between or among the Parties hereto arises under this Lease (a "**Dispute or Controversy**"), including a claim that an Event of Default has occurred, the Parties shall first attempt in good faith to settle and resolve such Dispute or Controversy by mutual agreement. In the event a Dispute or Controversy arises, any Party hereto shall have the right to notify the other Party hereto that the notifying Party has elected to implement the procedures set forth in this Section 12.6. Within fifteen (15) days after delivery of any such notice by one Party to the other Party regarding a Dispute or Controversy, a representative of each of the Parties shall meet at a mutually agreed time and place to attempt, with diligence and good faith, to resolve and settle such Dispute or Controversy. Should a mutual resolution and settlement not be obtained within fifteen (15) days after the meeting of the Parties representatives for such purpose, or such longer period as the Parties may agree upon, then either Party may by notice to the other Party (the "**Arbitration Notice**") submit the Dispute or Controversy to arbitration in accordance with the provisions of this Section 12.6 and **Exhibit "B"** attached hereto (the "**Arbitration Procedures**"). The Arbitration Notice must comply with the Arbitration Procedures. Upon receipt of the Arbitration Notice, all Parties shall be compelled to arbitrate the Dispute or Controversy in accordance with the terms of this Section 12.6 and **Exhibit "B"** without regard to the justiciable character or nature of such Dispute or Controversy. Each Party hereto agrees that any Dispute or Controversy which is not resolved pursuant to this Section shall be submitted to binding arbitration hereunder and shall be resolved exclusively and finally through such binding arbitration in accordance with the Arbitration Procedures (the "**Arbitration**"). This Section 12.6 and **Exhibit "B"** hereto are and hereby

constitute a written agreement by the Parties hereto to submit to arbitration any such Dispute or Controversy arising after the Commencement Date within the meaning of Section 171.001 of the Texas Civil Practice and Remedies Code. Notwithstanding any provision of this Lease to the contrary, any Party hereto may seek injunctive relief or other form of ancillary relief at any time from any court of competent jurisdiction in Tarrant County, Texas. In the event that a Dispute or Controversy requires emergency relief before the matter may be resolved under the Arbitration Procedures, notwithstanding that any court of competent jurisdiction may enter an order providing for injunctive or other form of ancillary relief, the Parties hereto expressly agree that the Arbitration Procedures will still govern the ultimate resolution of that portion of the Dispute or Controversy not resolved pursuant to said court order.

### **14. Insurance.**

**14.1 Insurance.** During the Term, Lessee, at no cost or expense to Lessor, will keep and maintain, or cause the Subtenants to keep and maintain, the insurance set forth below. Lessee shall not commence work on the Improvements until Lessee has obtained or caused to be obtained all the insurance required under this Lease, nor shall Lessee allow any work on the Improvements to commence until all similar insurance of the contractor or subcontractor performing work on the Improvements has been obtained. All insurance policies provided under this Lease will be written on an "occurrence" basis. The insurance requirements shall remain in effect throughout the Term. The insurance required by this Lease consists of the following:

(a) Worker's Compensation Insurance, statutory policy as required by law; Employers Liability Insurance of not less than \$1,000,000.00 for each accident, \$1,000,000.00 disease-each employee, \$1,000,000.00 disease-policy limit.

(b) Commercial General Liability Insurance, including Independent Contractor's Liability, Completed Operations and Contractual Liability, covering but not limited to the indemnification provisions of this Lease, fully insuring Lessor's liability for injury to or death of employees of Lessee and third parties, extended to include personal injury liability coverage and for damage to property of third parties, with a combined bodily injury and property damage limit of \$1,000,000.00 per occurrence and \$2,000,000.00 aggregate.

(c) Commercial Automobile and Truck Liability Insurance, covering owned, hired and non-owned vehicles, with a combined bodily injury and property damage limit of \$1,000,000.00 per occurrence.

(d) Umbrella Insurance: Lessee shall obtain and maintain at all times during the construction of the Improvements umbrella insurance. Limits of liability shall be \$2,000,000.00.

**14.2 Conditions.** Each insurance policy to be furnished by Lessee shall include the following conditions by endorsement to the policy:

(a) Name Lessor, and the City, as additional insureds as to all applicable coverage, except worker's compensation. For General Liability purposes, this requirement extends to premises/operations as well as products/completed operations.

(b) Each policy will require that thirty (30) days prior to the cancellation, non-renewal or any material change in coverage, a notice thereof shall be given to Lessor by certified mail to:

City of Arlington Human Resources  
Post Office Box 90231 MS# 63-0790  
Arlington, Texas 76004-3231

However, if the policy does not require notice of non-renewal or any material change in coverage, Lessee will provide Lessor with thirty (30) days prior written notice thereof. However, if the policy is canceled for nonpayment of premium, only ten (10) days advance written notice to Lessor is required. Lessee shall also notify Lessor within twenty-four (24) hours after receipt of any notices of expiration, cancellation, nonrenewal or any material change in coverage it receives from its insurer(s).

#### **14.3 Miscellaneous Insurance Provisions.**

(a) For purposes of this Section 14, the term "Lessor" shall include all authorities, boards, bureaus, commissions, divisions, departments and offices of Lessor and the individual members, employees and agents thereof in their official capacities, and/or while acting on behalf of Lessor.

(b) The policy phrase "Other Insurance" shall not apply to Lessor where Lessor is an additional insured on the policy.

(c) All provisions of this Lease concerning liability, duty and standards of care together with the indemnification provision shall be underwritten by contractual liability coverage sufficient to include such obligations within applicable policies.

(d) All insurance prescribed by this Section 14 shall (i) be procured from financially sound and reputable insurers licensed to do business in the State of Texas and

have an A.M. Best rating of not less than A VII or, if not rated with A.M. Best, the equivalent of A.M. Best's surplus size of A VII or better, (ii) be in such form and with such provisions as are generally considered standard provisions for the type of insurance involved, and (iii) be evidenced by a certificate of insurance naming Lessor as an additional insured, as its interest may appear.

(e) The General and Automobile liability policies required herein shall be written with an "occurrence" basis coverage trigger.

**14.4 Waiver of Subrogation.** Lessee agrees to the following:

(a) Lessee hereby waives subrogation rights for loss or damage to the extent same are covered by insurance. Insurers shall have no right of recovery or subrogation against Lessor, it being the intention that the insurance policies shall protect all parties to this lease and be primary coverage for all losses covered by the policies; and

(b) Companies issuing the insurance policies and Lessee shall have no recourse against Lessor for payment of any premiums, or assessments for any deductible, as all such premiums are the sole responsibility and risk of Lessee; and

(c) Approval, disapproval or failure to act by Lessor regarding any insurance supplied by Lessee (or any subcontractors) shall not relieve Lessee of full responsibility or liability for damages and accidents as set forth in the lease documents. Neither shall the insolvency or denial of liability by the insurance company exonerate Lessee from liability.

**15. Miscellaneous Provisions.**

**15.1 Force Majeure.** For the purpose of any of the provisions of this Lease, neither Lessor, nor Lessee, as the case may be, nor any successor in interest, shall be considered in breach of or default in any of its obligations, in the event of forced delay in the performance of such obligations due to Force Majeure. For purposes of this Lease, Force Majeure shall mean acts of God (including storms, floods or other casualty), war, invasion, insurrection, taking by eminent domain laws, the lack of labor or supplies due to an act of God, strike or labor disputes or delays beyond the control of the affected Party, or order of government authorities. In the event of the occurrence of any such forced delays, the time or times for the performance of the covenants, provisions, and agreements of this Lease shall be extended for the period of the forced delay (including any time reasonably required to recommence performance due to such forced delay). The affected Party shall use reasonable efforts to remedy with all reasonable dispatch the cause or causes preventing it from carrying out its agreements and provided further, that the settlement of strikes, lockouts, and other industrial disturbances shall be entirely within the discretion of the affected Party, and the affected Party shall not be required to make settlement of strikes, lockouts, and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the affected Party, unfavorable to the affected Party. Notwithstanding the above (a) Lessee may not rely on its own acts or omissions as grounds for delay in its performance and (b) the absence of immediately available funds shall not be grounds for delay.

**15.2 Estoppel Certificates.** Lessor and Lessee, at any time and from time to time, upon not less than twenty (20) Business Days prior written notice from a Party hereto to the other Party hereto, or to a person designated by such Party, such as a tenant or a mortgagee or lender of Lessee, shall execute, acknowledge, and deliver to the Party requesting such statement, a statement in reasonably acceptable form to the requesting Party certifying, among other matters, (a) that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same is in full force and effect as modified and stating the modifications), (b) stating whether or not, to the best of knowledge of the signer of such certificate, Lessor and Lessee are in breach and/or default in performance of any covenant, agreement, or condition contained in this Lease and, if so, other factual matters reasonably requested in such estoppel certificate concerning this Lease, the Leased Premises, the Improvements and/or the Economic Development Incentive Agreement, it being intended that any such statement delivered hereunder may be relied upon by the Party requesting such statement and/or any person not a party to this Lease (if such other person is identified at the time such certificate was requested).

**15.3 Lessor's Rights of Access.** Lessee agrees that Lessor and Lessor's duly authorized agents shall have the right at all reasonable times during normal business hours and following reasonable prior notice to enter upon the Leased Premises and to examine and inspect the same, provided, however, (i) Lessor and Lessor's duly authorized agents shall not have the right to enter or inspect portions of the Leased Premises deemed off limits by Lessee, unless accompanied by a representative of Lessee, and (ii) Lessor and Lessor's duly authorized agents shall use good faith efforts to minimize any interference in Lessee's use of the Leased Premises during any entry upon or inspection of the Leased Premises.

**15.4 Notices.** All notices or statements given pursuant to or concerning this Lease shall be in writing and sent either by certified mail, return receipt requested, personal messenger or overnight delivery via a reputable overnight service. Any notice sent by (a) certified mail, return receipt requested shall be deemed delivered two (2) days after deposited in the United States mail; (b) personal messenger shall be deemed delivered when actually received; and (c) an overnight delivery service shall be deemed delivered on the Business Day following the date the notice is deposited with the overnight delivery service addressed as specified below:

**15.6 No Waiver.** No failure on the part of Lessor or Lessee to enforce any covenant or provision contained in this Lease nor any waiver of any right under this Lease shall discharge or invalidate such covenant or provision or affect the right of the other Party to enforce the same in the event of any subsequent default.

**15.7 Severability.** If any provision of this Lease or the application thereof to any Person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Lease and the application of such provisions to any other Person or circumstance shall not be affected thereby and shall be enforced to the greatest extent permitted by law. In the event any provision of this Lease is illegal, invalid or unenforceable under present or future laws, each Party reserves the right to pursue any and all remedies available to them at law or equity (including arbitration proceedings). **Exhibit "B"**  
**Arbitration Procedures**

B.1 In the event a Party, pursuant to the provisions of Section 12.6, has elected to provide the other Party with an Arbitration Notice, such Arbitration Notice shall include such Party's determinations of the applicable issues of the Dispute and Controversy subject to such Arbitration. In the event that the Arbitration Notice has been sent in accordance with the provisions hereof and the Lease, the Parties shall mutually agree, within fifteen (15) Business Days of the deemed delivery date of the Arbitration Notice to the appointment of a single arbitrator (the "Arbitrator") to handle the Arbitration. If the Parties are unable to mutually agree upon the Arbitrator within the fifteen (15) Business Days described above, any Party may request the American Arbitration Association to independently select, within thirty (30) Business Days after such Arbitration Notice, an Arbitrator who has the qualifications to serve as the single Arbitrator to resolve this Arbitration. The Arbitration must take place in Tarrant County and be conducted by an Arbitrator that has no conflict of interest.

B.2 Within fifteen (15) Business Days after the appointment of the Arbitrator, each Party shall supply the Arbitrator with such documents, materials or other evidence or written arguments as it or the Arbitrator desires, including such Party's proposed determinations of the applicable issues subject to such Arbitration. Each Party shall thereafter have an additional period of ten (10) Business Days to supply any rebuttal or other information it desires. The Arbitrator, in his/her sole discretion, may also request in writing, specific information and/or a hearing and shall alone otherwise determine the conduct of the Arbitration. Any information delivered or communicated during Arbitration by a Party shall be simultaneously delivered or communicated to (i) the other Party and (ii) the Arbitrator. The Arbitration shall be confidential, and the Parties shall maintain the confidential nature of the arbitration proceeding, arbitration hearing and award, except to the extent disclosure is required to regulators, to insurers, pursuant to an enforcement proceeding, or as otherwise required by applicable law.

B.3 The Arbitrator shall determine all matters necessary to resolve the dispute, including matters beyond the expertise of the Arbitrator. The Arbitrator shall be permitted to employ other professional advisors or experts as the Arbitrator deems reasonably necessary, at the expense of the Parties.

B.4 All costs and expenses of the Arbitrator or of any professional advisors or experts engaged by the Arbitrator in connection with an Arbitration shall be borne equally by the Parties, subject to reimbursement as set forth herein. Within forty-five (45) Business Days after the selection of an Arbitrator, the Arbitrator shall select one of the proposed determinations submitted by one of the Parties (and the Arbitrator shall not have the power to add to, modify, or change any of proposed determinations of the Parties). For purposes of this provision, the Party whose position is adopted by the Arbitrator will be deemed the prevailing Party. While each Party shall advance ½ of the costs and expenses of the Arbitrator or of any professional advisors or experts engaged by the Arbitrator in connection with the Arbitration, the prevailing Party will be reimbursed by the non-prevailing party the ½ of the costs and expenses referenced herein within 30 days of the Arbitrator's final decision. All other costs and expenses incurred by the Parties shall be borne by the Party incurring same.

B.5 The Parties agree to act in good faith with respect to any communication with the Arbitrator and the Arbitration process.

B.6 Time shall be of the essence with respect to these Arbitration Procedures, and the Parties shall take all reasonable actions necessary to cause any necessary Arbitration hearing to occur promptly, and the Arbitrator shall be directed to arbitrate the dispute and issue its decision as soon as reasonably practicable, but in no event later than forty-five (45) Business Days after the appointment of the Arbitrator.

B.7 The Arbitration shall not relieve any Party from any of its respective obligations under this Lease during the term of any such Arbitration (other than in respect of the subject matter of the dispute that is being arbitrated).

B.8 In the event of a dispute between one or more of the Parties concerning this Lease and the Economic Development Incentive Agreement, and one or more of the Parties have elected to resolve such dispute pursuant to the Arbitration Procedures contained herein or in the Economic Development Incentive Agreement, there shall only be one Arbitration proceeding concerning such dispute (and not separate proceedings under this Lease and the Economic Development Incentive Agreement or under any of the other leases executed pursuant to the terms of the Economic Development Incentive Agreement). If more than one Arbitration proceeding has been initiated, such proceedings shall be consolidated.
