## APD Community Outreach Resource Guidebook

The Arlington Police Department takes pride in working with both residents and visitors to the city to ensure they have access to the many resources available in our region. As public servants, we stand ready to provide education, answers, and assistance to as many individuals and families as we can. We do this through partnering with many helpful and beneficial organizations that assist those in need. The Community Engagement Division has created a Community Outreach Resource Guidebook provides overviews and contact information for over 60 valuable non-profit and government programs.

Our Community Outreach Resource Guidebook is now available on APD's website to assist anyone in the community who is potentially facing homelessness, needs resources, or needs assistance from the police department.

## Police Academy Class 60 Graduates

On Friday, February 18, the Arlington Police Department held a graduation ceremony for the 29 men and women of Academy Class 60. APD's newest officers successfully completed 32 weeks of the academy and now move into field training, where they'll partner with veteran officers to learn the ropes out in the field.

They definitely lived up to their motto: Strive as One, Triumph as One. Thank you to the class mentor, and numerous instructors, volunteers, coordinators, friends, and family who made this possible and came to support our newest officers. Congratulations Academy Class 60!

## ACPAAA Elects New Board Members

The members were sworn in by Officer Tim Hayden and they will serve a 1-year term working together to carry out the mission of the ACPAAA, which is to enhance relations between the police department and the community.
