

ARLINGTON PD'S HOMICIDE UNIT RECEIVES THE 2026 STATE OF LAW ENFORCEMENT ACHIEVEMENT AWARD

On June 26, the Arlington Police Department's Homicide Unit received the 2026 State of Texas Law Enforcement Achievement Award for Public Service. This prestigious statewide honor recognizes the unit's exceptional commitment to justice and service. In 2025, our Homicide Unit achieved a 100% clearance rate on all 14 homicide cases while also solving 12 cold cases, including a murder that had remained unsolved since 1991.

Their success was strengthened by an innovative partnership with the University of Texas at Arlington's Department of Criminology and Criminal Justice, where collaboration with students helped generate new investigative leads.

We are incredibly proud of now Lt. Blake Ritchie and Detectives Allison Allen, Devon Coffey, Tracey Dixon, Julie Evans, Krystallyne Robinson, Anthony Stafford, and Andrew Van Treeck for this well-deserved recognition. Their dedication, professionalism, and relentless pursuit of justice continue to make Arlington a safer community.

Please join us in congratulating them on this outstanding achievement!
