October	Sealed Bid	Waterway Lift Station Rehabilitation	WATER	Office Of Procurement	\$1.8M	Rehabilitation of the existing Waterway Lift Station, including replacement of the wet well and valve vault, submersible pumps, electrical and SCADA systems, and new force main alignment installed via HDD under Village Creek.	Demolition, concrete, electrical, and sanitary sewer.
October	RFP	Grounds Maintenance for Lake Arlington Dam and Surrounding Areas	WATER	Office Of Procurement	\$ 80,000	All necessary operations involved with the seasonal maintenance of the Arlington Water Utilities grounds located at the Lake Arlington Dam and associated facilities. The areas to be maintained will include, but are not limited to, lawn area, trees, shrubs, curb line, rock beds, property lines, streets, driveways, fences, rip rap, and all other concrete pavements and structures.	
October	Competitive Sealed Proposals	Construction of Helen Wessler Neighborhood Park, PKPL230023	Parks - Capital	Office Of Procurement	\$3M	New Park construction to include playground, splash pad, sidewalks, restroom building, parking lot, etc.	Erosion control (NAICS 541330), tree protection (NAICS 561730), earthwork (NAICS 238910), restroom building (NAICS 2366220), shade structures, site paving (NAICS 237310), parking lot striping (NAICS 238990), granite surfacing (NAICS 237310), signage (NAICS 238990), exercise equipment (NAICS 423910), landscaping (NAICS 561730), electrical (NAICS 238210), fiber optic (NAICS 238210), sanitary sewer (NAICS 237110), storm drain (NAICS 237110)
October	Sealed Bid	Cooper Water Main Improvements (Florida to Advent)	WATER	Office Of Procurement	\$1.6M	Replace 12-inch water main with 16-inch water main.	Survey
October	Sealed Bid	Lake Arlington Golf Course Maintenance Road Reconstruction	WATER	Office Of Procurement	\$250K	Address grading issues from previous sanitary sewer pipe installation.	Survey, landscaping

6-Month Project Forecast
Aug 2025 - Jan 2026
Attachment A

Tentative Date	Solicitation Type	Solicitation Name	Requesting Department	Managing Department	Est. Award Amount	Project Scope	Potential Subcontracting Opportunities
October	Sealed Bid	Harvest Hills & Briar Meadow Drainage Improvements Phase 1	Public Works - Stormwater	Office Of Procurement	\$11M	Drainage channel replacement between New York Avenue and Allen Avenue.	Storm drain improvements, sanitary sewer renewals.
November	Sealed Bid	Mansfield Webb (Silo to Collins)	Public Works - Engineering	Office Of Procurement	\$17M	Reconstruct Mansfield Webb Road from Silo Road to Collins Street as a 4-lane undivided major collector with sidewalks, water, sewer, storm drainage improvements, streetlights, fiber communication conduits, conduit for future use and a new traffic signal at Mansfield Webb and Webb Ferrell Road.	Storm drain improvements, water and sewer improvements, excavation, sidewalk, pavement markings, streetlights, and traffic signals.
November	Sealed Bid	Entertainment District Sidewalks Phase 3	Public Works - Engineering	Office Of Procurement	\$1M	Installing sidewalk at various locations in the entertainment district.	Landscaping
November	Sealed Bid	Annual Requirements Contract for Traffic Heads and Components	Public Works	Office Of Procurement	\$180,000	Traffic signal equipment used to control signal lights throughout the City	Traffic Signal equipment
November	Sealed Bid	2024 Intersection Improvements (Eden Road and Silo Road)	Public Works - Engineering	Office Of Procurement	\$2M	Additional turn lanes as following: Add left turn lane in southbound Silo Road towards eastbound Eden Road. Add right turn lane in northbound Silo Road toward eastbound Eden Road.	Sidewalk, streetlights, excavation, pavement markings, and traffic signals.
November	Sealed Bid	Sanitary Sewer Lift Station Backup Power	WATER	Office Of Procurement	\$2.2M	This project will provide the preliminary study, final design, bidding, and construction engineering services for installing permanent standby electric generators at two locations: the Tiffany Park and Feather Beach Lift Stations. Permanent electric generators at each location will provide power to the pumps and ancillary facilities in the event of a power loss, thereby allowing AWU to maintain continuous operation of the sanitary sewer collection system.	Fence remove/installation, Concrete work, SCADA programming
November	Sealed Bid	Bonneville Greenbrook Drainage Improvements	Public Works - Stormwater	Office Of Procurement	\$8.5M	Drainage improvements to mitigate flooding on Bonneville Drive and Greenbrook Drive.	Stream stabilization, storm drain improvements, concrete and asphalt paving, landscaping, water and sanitary sewer renewals, retaining wall construction.
November	Sealed Bid	Plastic Meter Boxes and Lids	WATER	Office Of Procurement		The supply of reinforced plastic water meter boxes and lids for use by the Arlington Water Utilities Department.	
December	Sealed Bid	Liquid Chlorine	WATER	Office Of Procurement	\$ 955,000	The purchase and delivery of liquid chlorine for the City of Arlington Water Utilities Department	
December	Sealed Bid	Upper Johnson Creek Dredging, Phase II	Public Works - Stormwater	Office Of Procurement	\$1.2M	Mechanical dredging of approximately 1.6 acre ponds in Lakes of Matlock park property.	Trucking for sediment haul-off, fuel, equipment rentals, temporary fencing, bathymetric survey, SWPPP.
December	Sealed Bid	Ditch Improvements (Gibbins, Rocky Canyon)	Public Works - Stormwater	Office Of Procurement	\$5.8M	Ditch improvements on various streets.	Concrete and asphalt pavement, channel excavation, storm drain improvements, landscaping, water and sanitary sewer renewals, sidewalk construction.
December	Sealed Bid	Residential Rebuild Phase 1 - Daniel Drive (Carla Avenue to Cloudcroft Drive)	Public Works - Engineering	Office Of Procurement	\$4.5M	Rebuild of Daniel Drive from Carla Avenue to Cloudcroft Drive, which is in deteriorated condition. Improvements include concrete pavement, water and sewer renewals, sidewalks, storm drain improvements, pavement markings and streetlights.	Storm drain improvements, water and sewer improvements, excavation, sidewalk, pavement markings, and streetlights
December	Sealed Bid	Brown Boulevard Sidewalk Improvements (Collins Street to Meandering Way)	Public Works - Engineering	Office Of Procurement	\$350,000	Installation of concrete sidewalks and ADA pedestrian ramps on Brown Boulevard from North Collins Street to approximately 150-FT east of Meandering Way, as well as the replacement of a culvert headwall along the sidewalk route adjacent to west-bound traffic flow, between Summer Creek Circle and Summer Creek Lake.	Culvert headwall replacement.
December	Sealed Bid	Shadow Drive Sanitary Sewer Main Replacement	WATER	Office Of Procurement	\$10M	Abandon existing sanitary sewer main, and construct sanitary sewer lift station, sanitary sewer forcemain, and sanitary sewer gravity main.	Survey, Landscaping, Asphalt Work, Fencing, Electrical
January	Sealed Bid	UPRR Sidewalk Crossing (at Center Street and Mesquite Street)	Public Works - Engineering	Office Of Procurement	\$1M	Add sidewalk crossing on the both sides of the Center Street and Mesquite Street.	Pavement markings, landscaping
