

## Greek Row at Kerby Street

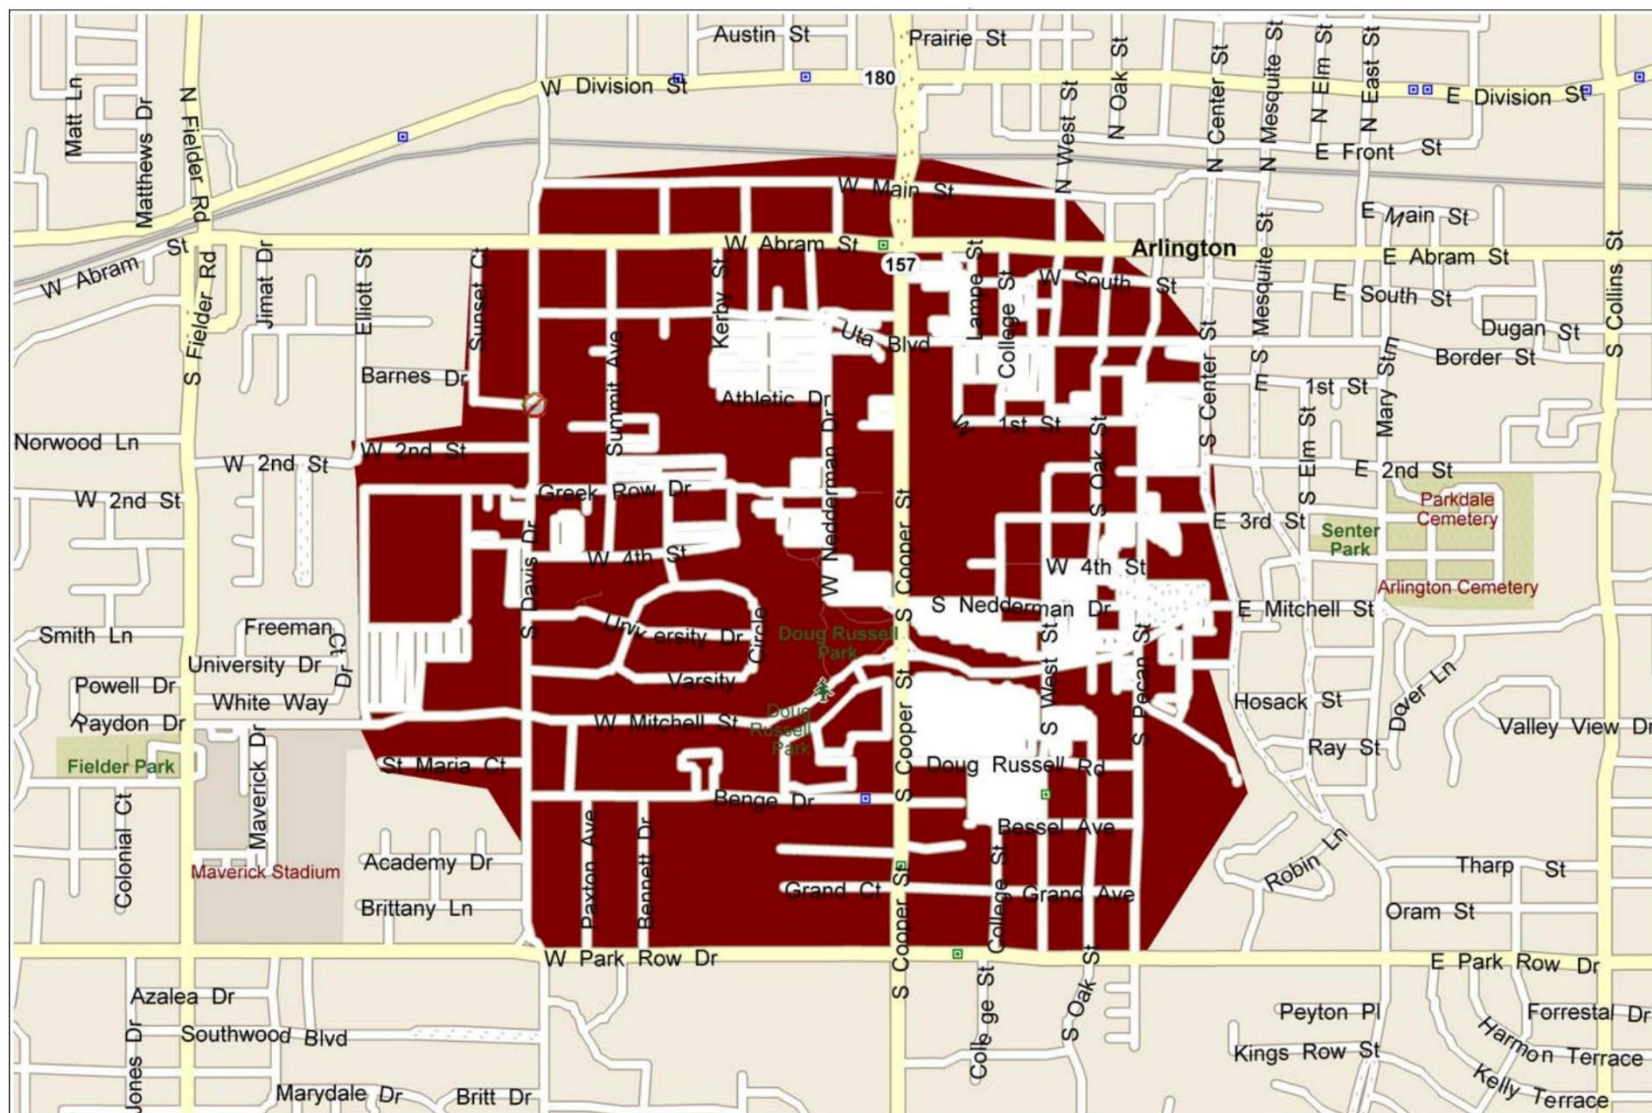

Figure 1: Greek Row at Kerby Street Ground Spraying Area Map

A map displaying targeted ground spraying area. The area surrounds the Greek Row and Kerby Street area. The boundary begins along West Main Street and continues East toward Center Street. At North West Street the area dips southeasterly to South Center Street and Border Street. The boundary follows South along Center Street until it reaches the intersection with West Sixth Street. From this intersection, it turns Southwesterly to the intersection of West Park Row and Pecan Street. From there, it follows West Park Row Drive West until South Davis Drive. The west boundary continues northerly on South Davis Drive but extends west on Saint Maria Court then north to West Second Street then back east to Sunset Court. North to Abram Street then east to South Davis Drive. Then north on Davis Drive to Main Street to complete the area.
